DOCTOR HOOFLAND'S CELEBRATED German Bitters.

DR. C. M. JACKSON, Philad's., Pa., LIVER COMPLAINT, DYSPEPSIA, JAUNDICE. Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach. Such as constipation,

inward piles, fullness, or blood to the head, acidity of the stomach, nausea, heartburn, disgust for food, fullness or weight in the stomach, sour eractations, sinking, or fluttering at the pit of the stomach, swimming of the head, hurried and difficult breathing fluttering at the eart, choking or suffocating sensations when in a ly-ing posture, dimness of vision, dots or webs before the sight, fever and dull pain in the head, deficiency of perspiration, yellowness of the skin and eyes, pain in the side, chest, limbs, &c., sudden flushes of heat

burning in the flesh constant

imaginings of evil, & great In attributing such valuable Medical properties to this remedy, no rash or unwarrantable assertion is made, but is simply stated a fact; proven undeniably of European societies and from the immense mass of testimony, from all parts of the American continent, accumulated during the last ten years, in the hands

of the present proprietor. The prevalence of diseases to which the German Bitters are adapted, it is with sorrow we say it is almost universal, indeed there is scarcely a family throughout the whole extent of our country in which there cannot be found among its members that peculiar sallow and languid appearance denoting a diseased Liver, or an emaciated and suffering Dyspeptic.

Then of what immense importance to this class of nect the East Tennessee and Virginia railroad with the North Carolina Central railroad a placed within their reach; one in which no baneful or injurious drug enters into its composition; a remedy on which the patient can rely with the utmost confi-

STILL ANOTHER CANDIDATE.—The St. Louis dence and certainty and be assured from actual and tangible proofs, that the article he is using really Republican (old-line whig) expresses its per-ference for Hon, Edward Bates, of that city, is "Hoofland's German Bitters." Thousands of dellars have been expended in its manufactury and diffusion throughout all parts of this continent, and the proprietor feels the greatest satisfaction in stating, that there is no state, county or even village where the M. Jackson, are justly reckoned among our most | that there is no state, county of that there cannot be

bove diseases to give the Bitters a trial, and rest assured it will never be regretted. In proof of the statements above made, all are invited to read attentively. Diseases, Liver Complaint, Neuralgia. Dyspepsia. the "Memorabilia." or "Practical Receipt Book." for
