Mr Alford, the agent of the Relief Union on the enjoyment of good health.

Plum street, to give immediate relief, as the law very respectfully. case was an urgent one. The tract with its message did not reach the Relief Union rooms P. S. The Pills were recommended to me by Mr until Monday, when two colored men brought Nathan Newby, of this county, to whose address you New York, Feb. 25-The steamer Northern it. "What is wanted for the woman?" asked sent them. Light sailed hence at 2 o'clock for San Juan, Mr Alford; "does she require food?" "No," for all modifications of nervous disease. Price \$3 per his distress, he really did feel a pleasure. The old man felt keenly at this unexpected New old man felt keenly

Vegetables.

Artichoke. - Sow early in the spring, in rows

Depublican party man, a Maine liquor law-ite on the 9th inst. The eloquent tribute to the Beans. English Dwarfs.—Plant as early Kidney Dwarfs .- Plant from end of April to

about 20th August. Pole or Running .- Plant beginning of May,

Beets .- Sow in drills, from early in the spring

Borecole is an excellent green. Sow in fall either broadcast or in drills, as for winter Brussels Sprouts are cultivated for the small

the middle of spring, and treat as winter cab-Broceli produces heads like Cauliflower. Sow seed bed about the middle of spring.

Transplant in rich ground when 8 or 12 inches high, and treat as winter cabbage. Cabbage .-- For early cabbage, sow in Autumn, in seed beds. Protect during winter: transplant early in the spring-For late cab-

Transplant early in summer. Cardoon is much used for salads, soups, and

stews. Treated much like celery. Canliftower .- Sow, for early, in seed beds, in Autumn; protect from frost, in cold frames For late manage as Brocoli.

Carrots should be sown early in the spring, in deep-dug and well manured ground, in drills

Cress-Used as a salad. Sow very thick in shallow drills, at intervals through the season,

************************* BEEF HAMS. - The finest beef hams are made by cutting out the entire bone of the hinddown and rubbed all over, on a table or bench, whole surface of the ham with some of this salt and pepper composition. The ham is now fit to be rolled .- This is accomplished by rolcommencing at the butt end. A stout cord is used to swill, or tie such hams, and it must be brudy bound and held in place when the ham is being ent in slices for daily use. Hams

Smoked beef is to be found in abundance in our markets, but it is a poor eatable of meat kind in comparison with beef prepared as

A PROBLEM.—The Bardstown Gazette puts

Made fast to a stake by a line from his nose; CORN AT NORFOLK .- The market continues How long must the line be that, feeding all around.

It's a very plain case, if vou'll only "suppose" That it's just seven feet from his tail to his nose. VALUE OF THE SNOW .- We must have large For the line will be then (the rule cannot fail)

******************* A western editor thus apologizes for the nonappearance of his paper at the usual time: "Owing to the facts that our paper-maker disappointed us, that the mails failed and destole our seissors, that the rats ran off with our paste, and the 'devil' went to the circus while the editor was at home tending babies, our paper is unavoidably defaved beyond the proper period of publication."

A FEELING REPLY, "Would von like to subscribe for Dickens' Household Words?" She follows in the furrow of the industrious asked a magazine agent. "Household Words

> McLANE'S VERMIFUGE IN TEXAS Hear what the Proprietor of the "STAR HOTEL." has to say of the wonderful effects of McLanes Vermiti GE:

"STAR HOTEL," CENTREVILLE, TEXAS, AUG. 22d, 1854. I feel in duty bound to make the following statement: What, then, will the "South American" do? Several of my children have been unwell for the last they will sooner trust to the black republicans to me. All these cases are now doing well. No doubt
