From the San Francisco Golden Era. A Short Patent Sermon.

BY DOW, JR. I will draw a melancholy discourse this norning from the following text: "Laugh and grow fat."

My Hearers:-I have lately thrown my Ps. lxxxix. 19. ogitating apparatus considerably out of gear in attempting to make out whether laughter produces fat, or a good layer of the adipose promotes laughter. The conclusion I have arrived at is, that laughter is, generally speaking, the spontaneous production of an oleaginous soil, and has little or nothing to do towards adding aught to its richness. It is the naturally contented mind, my friends, that tends to corporeal fatness; and when fatness is once obtained, laughter takes root therein, and branches Rom. viii. 28. 3 ont and blossoms, like smellowers on the southern side of a pig-stye. Take one of your wo-begone, God-forsaken hypochondriacs—the whole of whose self-manufactured misery seems to have crawled into his countenance—the very cast of whose mildewing eye is enough to rub all the polish from a pair of patent-leather boots-let him possibly be electrified into a cachinating par oxysm, long and loud, and no more fat will gather upon his ribs than honeydew upon the sapless role-leaves of an old maid's bonnet. Why? Because the maggets of melancholy that continually prey upon his mind are not to be frightened from their favorite repast by the most startling guffaw that ever shook the quiet realms of Cheerfulness. Take too, one of your pale, wafer-lipped, weasellive long enough to be the grand-dad of the

There was a witchery and odd fashion, that makes organ grinders in it which demanded a repetition. The scene monkeys almost grin themselves into convulamused the Irishman vastly, and being free sions; nor hyena-like, at the most ridiculous of from selfishness, he concluded that his sleeping legislative proceedings-nor was it even at companion should be a participant with him in such comical preaching as mine. No: it was the enjoyment of the scene, nudged him, but the genial spirit of contentment that diffused a his companion stirred not. He put his hand cheering warmth throughout his whole system upon him and found that he was tightly locked |-fertilized his heart, and furnished a good soil in the embrace of death. Synonymous with from which future spontaneous laughter was to this discovery, he bounded out of the bed, spring, like the dandelion and mushroon, after a gentle rain and nurturing sun. He never "Murther! murther! Howly Saints of Hiven drove pigeon-eyed peace from her domicil by sweating, fighting and swearing for politics He had searcely touched the floor with his nor wrangled flesh from his bones in behalf of feet before the young lady and gentleman were orthodoxy, universalism, atheism, nor any of making rapid strides towards the stairway, the vulgar isms of the day-nor kept himself terror being depicted on their countenances, as lean as Pharaoh's lousiest calf by chasing a when the Irishman came lashing along, as of Kamseatka. By keeping in good fellowship heels, intent on making him their prey, and the good humor-meddling with no one's business whole three went tumbling down the stairs, and but his own-exercising patience at the fitful it is hard to determine which of the three blowing of adverse winds, and bound to be happy whether or no-be, at last, accumulated The landlord stood aghast as the Irishman the adipose, if not a superabundance of the rushed into the bar-room, with nothing between "filthy;" and now mirth inspiring laughter will him and nudity but a garment vulgarly styled jerk itself out, in defiance of morbid melan-

The undersigned may be found at the Office of C. of their kindred may be found in the case we subjoin: A dispute arose between Campbell and keep a tant rein upon your risible propensities for, in this comical age, far more dangerous sights beset the inexperienced laughing philosopher than a donkey munching over a basket of figs. Some folks, of ticklish, touch-wood dispositions, might jeopardise their lives to see you pitch into the eleven o'clock free-lunch, or mark with what ludierous avidity our public servants pick up and devour the people's money-like so many geese at a corn-crib!

Keep up good cheer, my friends, let come what may come: live temperately, that good digestion may wait on appetite; endeavor, by your own jolly good nature, to make all happy around you, and you will stand a good chance to grow fat-and then laugh!-laugh your way "who ever heard of a M'Lean that had not a down the gentle declivity to the tomb. "Diea-laughing," for aught I care. So mote it be!
