ISHAM BLAKE April 12, 1856.

FAYETTEVILLE, N. C., April 9, 1856. We, the undersigned, having purchased of Mr Isham Blake one of the above machines, cordially recommend it to the favor of the Public. It washes very rapidly, it to the favor of the Public. It washes very rapidly, and the work is much better done than is usually didne in the old way, and with less wear to the Clothing. It far exceeds our expectations, and has only to be seen in operation to satisfy the most skeptical of its utility and economy. We have no doubt of its being generally used wherever introduced.

We in company with several other gentlemen, saw a four dollar bill which was very dirty and much defaced, put in and washed out by this machine, removing all the difty appearance of the bill, and leaving it perfectly legible, which shows there is little or no rubbing produced in washing fine articles.
