## POETICAL.

### How Sweet 'tis to Return.

How sweet 'tis to return
Where once we've happy been,
Two joys now life's lamp may burn,
Two hearts have rolled between.

And if those eyes beam welcome yet,
That wept our parting then,
Oh! fate smiles of friendship thus met
Are the whole years again!

Tho' tell us of a flower that flow'd
In boyhood days of yore,
Where every bright'st fresh youth bestow'd;
And the flower's no more!

Presenting now we're still appears,
Presents her cup, and when
We sip the sweet of vanquish'd years,
We live those years again!

### Time is Money.

Time is money, says the traveler,
Then let me not a moment stay,
I shall surely lose my passage
If an instant I delay,
Then again I must lie over—
Pay new bills, and lose a day,
Then I lose my time and money.
Surely I must haste away.

Time is money, says his neighbor,
If I want a crop of grain,
I must sow my seed in season,
Or my toil will be in vain,
Time is money, says his neighbor,
As he lists the thunder roar;
Let us save the well dried clover,
Ere 'tis ruined by the rain.

Time is money, says the student,
As he nears commencement day;
If I lose another hour
I shall fail in my essay.
Failing to receive promotion,
I another term must stay;
Health and strength and money wasted,
I can ill afford delay.

Time is money, says the merchant,
Not a moment can I spare,
I must hasten or I lose it,
Sales like that are very rare.
I may save a full month's profit,
If this bargain I secure;
I must make a speedy effort,
Time is money, that is sure.

Time is even more than money—
Money lost may be regained,
And with proper care and prudence
For a space may be retained.
But our time is evanescent,
Making for us no delay;
And may never be recovered,
If it be once thrown away.

### Desirable Information to Everybody.

For some time past I have been engaged in a business (known on y to myself and comparatively few others whom I have instructed for $100 each) which has averaged me an income of from $3,900 to $5,000 per annum—and having made arrangements to go to the Eastern Continent next fall, I am willing to give full instructions in the art to any person in the U. States who will remit me the sum of ONE DOLLAR. I am induced from the success I have been favored with, and the acknowledgments that I have received from those whom I have instructed in the art, and who are now clearing from $8 to $15 per day, to give every person a chance to come into possession of this valuable means of making a small fortune. There is no Humbug about the business herein alluded to. References of the best class can be given as regards its character, and I can also refer to persons in Chicago and Detroit as well as in this place, who have within three months embarked in this business, and who will testify that they are making from $8 to $15 per day at the same. It is a business in which either Ladies or Gentlemen can engage, and with perfect ease make a very handsome income. Several Ladies in various parts of Illinois and Missouri, whom I have instructed in the art, are now clearing from $5 to $12 per day. It is a genteel business and requires but a few shillings to commence it. Upon receipt of $1 I will at once forward to the applicant a circular containing full instructions in the art, which will be perfectly understood upon being once read. Address

*JOY TO THE AFFLICTED!!!*

It cures Nervous and Debilitated Sufferers, and removes all the Symptoms, among which will be found

Indisposition
to Exertion, Loss of
Power, Loss of Memory,
Difficulty of Breathing, General
Weakness, Horror of Disease, Weak Nerves, Trembling,
Dreadful Horror of Death, Night
Sweats, Cold Feet, Wakefulness, Dimness of Vision, Languor, Universal Lassitude of the Muscular System, and often
Enormous Appetite, with Dyspeptic Symptoms
Hot Hands, Flushing of the body, Dryness of
the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back,
Heaviness of the Eyelids, frequedly
Black Spots Flying before the Eyes,
With Temporary Suffusion and
Loss of Sight, Want of Attention, Gleat Mobility, Restlessness, with Horror
of Society

Nothing is more desirable to such Patients than Solitude, and nothing they more Dread for Fear of Themselves; no Repose of Manner, no Earnestness, no Speculation, but a Hurried Transition from one question to another.

These symptoms, if allowed to go on—which this medicine invariably removes—soon follows Loss of Power, Fatuity and Epileptic Fits—in one of which the patient may expire. Who can say that these exercises are not frequently followed by these direful diseases—Insanity and Consumption? The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears. The countenance is actually sodden and quite destitute—neither Mirth or Grief ever visits it. Should a sound of the voice occur, it is rarely articulate.

"With woeful measures wan despair
Low sullen sounds his grief beguiled."

Debility is most terrible! and has brought thousands upon thousands to untimely graves, thus blasting the ambition of many noble youths. It can be cured by the use of this INFALLIBLE REMEDY.

If you are suffering with any of the above distressing ailments, the Fluid Extract Buchu will cure you. Try it and be convinced of its efficiency. **Beware of Quack Nostrum, and Quack Doctors,** who falsely boast of abilities and references. Citizens know and avoid them, and save Long Suffering, Money, and Exposure, by sending or calling for a bottle of this Popular and Specific Remedy.

It allays all pain and inflamation, is perfectly pleasant in its taste and odor, but immediate in its action.

### Helmbold's Extract Buchu

Is prepared directly according to the Rule of Pharmacy and Chemistry, with the greatest accuracy and Chemical knowledge and care devoted in its combination. See Prosessor Dewees' Valuable Works on the Practice of Physic, and most of the late Standard Works of Medicine.

SCIRRHUS BREAST CAN BE CURED!!!

LET THE PUBLIC READ.

In mercy to the afflicted, and the gratitude and high opinion I entertain of Dr Moseley, as a Surgeon and Physician, I deem it my duty to mention the case of my wife, hoping at the same time that all persons similarly afflicted may be benefitted by it. In the forepart of this year, my wife had several small lumps to make their appearance in her breast; they continued to increase in size, until the whole breast became a diseased mass, and very painful. I procured the best medical aid in the city of Rome, and notwithstanding the earnest and faithful attention of the most skilful physicians, she continued to grow worse and worse until they gave the case up as incurable, and advised amputation. I was advised by many of my friends, to visit Dr. W. R. Moseley, of Griffin, Ga., which I did, and, astonishing as it may seem, he had her entirely cured within one month! and she is now in good health!! I would advise all who are afflicted with Scirrhus and Cancerous affections, to visit the Doctor without delay, as I am satisfied by experience and observation, that he is the most skilful physician in the Southern States, in the treatment of that horrible disease—Cancer WM. *PROSPECTUS*

OF THE

SOUTHERN LITERARY MESSENGER

For the Year 1856. July to December.

TWENTY-THIRD VOLUME.

In issuing the Prospectus of the Twenty-Third Volume of the SOUTHERN LITERARY MESSENGER, commencing with the July No., the Proprietors rely solely on the encouraging letters and promises of the friends of the Messenger to aid them in extending its circulation, and they beg to assure the public that no exertions will be remitted on their part to maintain the high character of the work, and to challenge the patronage of all who value sterling literary merit. For Twenty-One Years, the Messenger has endeavored to reflect faithfully the Southern mind, while disdaining all narrow and sectional views, and has been alone among the monthly periodicals of America, in defence of the PECULIAR INSTITUTIONS OF THE SOUTHERN STATES.

To this office it will be devoted, and will be prompt to repel assaults upon the South, whether they come under the specious garb of fiction, or in the direct form of anti-slavery pamphlets. At this critical juncture, while our enemies are employing literature as their most potent weapons of attack, the Southern people will surely not withhold their encouragement from a work whose aim it shall be to strike blows in their defence.

The Messenger will, as heretofe, present its readers *with Reviews, Historical and Biographical Sketches, Novels, Tales, Travels, Essays, Poems, Critiques, and Papers on the Army, Navy and other National Subjects.*

With a view to ensure a larger circulation of the MESSENGER, the Proprietors though they intend greatly increasing the size of the work, have reduced the price of Subscription, which is now only

**Three Dollars per annum, in Advance,**

OR FOUR DOLLARS IF NOT PAID BEFORE THE FIRST OF JULY IN ANY YEAR.

*CLUBS*—Remitting us Fifteen Dollars in one letter, will be entitled to Six Copies.

The Editorial and Critical department of the Messenger will continue under the charge of

JOHN R. THOMPSON, Esq.,

## DR. CHAMPION'S

VEGETABLE AGUE CURE AND FEVER PILLS.

WE would call the attention of persons afflicted with Chills and Fevers to this celebrated Pill, which owes its popularity to no puffing, nor to long, windy certificates—but solely to its own merits as a remedy which never fails to cure when taken according to directions accompanying each box.—This Pill unlike many others, contains no mineral, nor any injurious ingredient, and may be administered with perfect safety at all times, to young or old.

As a preventative against Chills, or any other type of Fever, it is recommended as unsurpassed; and in treatm nt of Fevers generally it is far superior to Quinine, or any preparation of Peruvian bark. A trial of its merits is all that is needed to insure it a favorable position in the estimation of even the most inveterate opposer of Proprietary or Patent prescriptions.

CHAMPION'S ANTI-BILLIOUS PILLS.

Enjoy the reputation of being at least as good, if not better, than any of the various cathartic Pills of the age, and are entirely free from all poisonous minerals, or other injurious properties, and are highly recommended in Dyspepsia, Liver Complaint, Sick Headache, Sick Stomach, Habitual Costiveness, Indigestion, &c., and diseases of the Stomach, Liver, Bowels, and Blood generally, they being by their composition equally adapted to either of the above cases as a general cathartic, good at all times when such medicines are required. We recommend them to the attention of all persons. Prepared by

F. M. SWYER & CO.,

Sold by S. J. Hinsdale, Fayetteville, N. C., and by Agents in all the towns and villages in the Southern and Western States.
