ESSENTIAL.

Nearer.

One sweetly solemn thought
Comes to me o'er and o'er:
I'm nearer my home to-day
Than I've ever been before;
Nearer my Father's house,
Where the many mansions be;
Nearer the great white throne,
Nearer the jasper sea;
Nearer that bound of life
Where we lay our burdens down,
Nearer leaving my cross,
Nearer wearing my crown.

AMERICAN SAFETY-PAPER

MANUFACTURING CO. OF NEW YORK.

CAPITAL $500,000.

A. Nicholas, President. Office, 70 Wall St.

A perfect security against all manner of Fraud or Counterfeiting on Paper—To Prevent Photographs and Annastatic Counterfeits, Erasures Transfers or Alterations.

Having purchased the Patent for the exclusive right to manufacture and sell the New Chemical paper in America, invented in England by Henry Glynn a celebrated chemist and officer in the British army, it is hardly necessary to say that the Paper is recommended by Mr Kent, Assayer of the U. S. Mint, Mr Lyman of the New York Clearing House, and Meade Brothers extensive and skilful photographers, 133 Broadway, N. Y. The latter say that no imitation can be made on a check or bank note printed on the Safety Paper. Below is our list of prices:

Bank Checks—25 cts. per lb.
Bank Bills—$18 for 1000 sheets.
Bills of Exchange—$25 for 1000 sheets
Promissory Notes—40 cts. per lb.
Sight and Time Drafts—$25 for 1000 sheets
Insurance Policies—40 cts. per lb.
Railroad Stocks & Bonds—40 cents per lb.
Bank and State Stocks—40 cts. per lb.
Bonds and Mortgages—40 cts. per lb.
Wills and Deeds—40 cts. per lb.

For wrapping Silks and other fine articles it is excellent, as it prevents moths. 40 cts a lb.

For Indentures and Agreements. 40 cents per lb.

All State and County Records should always be printed or written on this Paper, as the chemicals inserted in the pulp not only prevent erasure or transfer but make it lasting as time.

For Southern Climates it is excellent, and much superior to any other; as the moistdess of the climate does not destroy it,—the properties inserted in the pulp being a preventative. In all the southern states Cuba, the West Indies and the Central American States no public records can be kept over 20 years, written on the ordinary paper, while the oils and other chemicals idserted in this Paper makes it indestructible by the ravages of time. It is also proof against moths, rats and other vermin, which feast on and destroy all other paper now in use.

The Company have now in operation Mills in Morris County, N. J., of about 300 horse power, and are able to fill all orders for Paper at the shortest notice.

All orders for Paper must be addressed to A. NICHOLAS, President of the Company, No. 70 Wall Street.

Orders for this valuable paper received at the Carolinian Office.

Desirable Information to everybody.

For some time past I have been engaged in a business (known on y to myself and comparatively few others whom I have instructed for $100 each) which has averaged me an income of from $3,000 to $5,000 per annum—and having made arrangements to go to the Eastern Continent next fall, I am willing to give full instructions in the art to any person in the U. States who will remit me the sum of ONE DOLLAR. I am induced from the success I have been favored with, and the acknowledgments that I have received from those whom I have instructed in the art, and who are now clearing from $8 to $15 per day, to give every person a chance to come into possession of this valuable means of making a small fortune. There is no Humbug about the business herein alluded to. References of the best class can be given as regards its character, and I can also refer to persons in Chicago and Detroit as well as in this place, who have within three months embarked in this businesss, and who will testify that they are making from $8 to $15 per day at the same. It is a business in which either Ladies or Gentlemen can engage, and with perfect ease make a very handsome income. Several Ladies in various parts of Illinois and Missouri, whom I have instructed in the art, are now clearing from $5 to $12 per day. It is a genteel business and requires but a few shillings to commence it. Upon receipt of $1 I will at once forward to the applicant a circular containing full instructions in the art, which will be perfectly understood upon being once read. Address

HELMBOLD'S GENUINE PREPARATION

of

HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT BUCHU.

For Diseases of the Bladder, Kidneys, Gravel, Dropsy, Weakness, Obstructions, Secret Diseases, Female Complaints, and all Diseases of the Sexual Organs,

Arising from Excess and Imprudence in life, and removing all Improper Discharges from the Bladder, Kidneys, or Sexual Organs, whether existing in MALE OR FEMALE.

From whatever cause they may have originated, and no matter of how long standing; giving Health and vigor to the frame, and bloom to the Pallid Check.

JOY TO THE AFFLICTED!!!

It cures Nervous and Debilitated Sufferers, and removes all the Symptoms, among which will be found

Indisposition
to Exertion, Loss of
Power, Loss of Memory,
Difficulty of Breathing, General Weakness, Horror of Disease, Weak Nerves, Trembling,
Dreadful Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Languor, Universal Lassitude of the Muscular System, and often Enormous Appetite, with Dyspeptic Symptoms Hot Hands, Flushing of the body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, frequeutly Black Spots Flying before the Eyes, With Temporary Suffusion and Loss of Sight, Want of Attention, GIeat Mobility, Restlessness, with Horror of Society

Nothing is more desirable to such Patients than Solitude, and nothing they more Dread for Fear of Themselves; no Repose of Manner, no Earnestness, no Speculation, but a Hurried Transition from one question to another.

These symptoms, if allowed to go on—which this medicine invariably removes—soon follows Loss of Power, Fatuity and Epileptic Fits—in one of which the patient may expire. Who can say that these exercises are not frequently followed by these direful diseases—Insanity and Consumption? The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample witness to the truth of these assertions In Lunatic Asylums the most melancholy exhibition appears. The countenance is actually sodden and quite destitute—neither Mirth or Grief ever visits it. Should a sound of the voice occur, it is rarely articulate.

"With woeful measures wan despair
Low sullen sounds his grief beguiled."

Debility is most terrible! and has brought thousands upon thousands to untimely graves, thus blasting the ambition of many noble youths. It can be cured by the use of this INFALLIBLE REMEDY.

If you are suffering with any of the above distressing ailments, the Fluid Extract Buchu will cure you. Try it and be convinced of its efficiency. **Beware of Quack Nostrum, and Quack Doctors,** who falsely boast of abilities and references. Citizens know and avoid them, and save Long Suffering, Money and Exposure, by sending or calling for a bottle of this Popular and Specific Remedy.

It allays all pain and inflamation, is perfectly pleasant in its taste and odor, but immediate in its action.

Helmbold's Extract Buchu

Is prepared directly according to the Rule of Pharmacy and Chemistry, with the greatest accuracy and Chemical knowledge and care devoted in its combination. See Prosessor Dewees' Valuable Works on the Practice of Physic, and most of the late Standard Works of Medicine.

SCIRRHUS BREAST CAN BE CURED!!!

LET THE PUBLIC READ.

In mercy to the afflicted, and the gratitude and high opinion I entertain of Dr Moseley, as a Surgeon and Physician, I deem it my duty to ment on the case of my wife, hoping at the same time that all persons similarly afflicted may be benefitted by it. In the forepart of this year, my wife had several small lumps to make their appearance in her breast; they continued to increase in size, until the whole breast became a diseased mass, and very painful. I procured the best medical aid in the city of Rome, and notwithstanding the earnest and faithful attention of the most skilful physicians, she continued to grow worse and worse until they gave the case up as incurable and advised amputation. I was advised by many of my friends to visit Dr. W. R. Moseley, of Griffin, Ga., which I did, and, astonishing as it may seem, he has her entirely cured within one month, and she is now in good health! I would advise all who are afflicted with Scirrhus and Cancerous affections to visit the Doctor without delay, as I am satisfied by experience and observation, that he is the most skilful physician in the Southern States, in the treatment of that horrible disease—Cancer

OF THE

SOUTHERN LITERARY MESSENGER

For the Year 1856. July to December.

TWENTY-THIRD VOLUME.

In issuing the Prospectus of the Twenty-third Volume of the SOUTHERN LITERARY MESSENGER commencing with the July No., the Proprietors rely solely on the encouraging letters and promises of the friends of the Messenger to aid them in extending its circulation, and they beg to assure the public that no exertions will be remitted on their part to maintain the high character of the work, and to challenge the patronage of all who value sterling literary merit. For Twenty-One Years, the Messenger has endeavored to reflect faithfully the Southern mind, while disdaining all narrow and sectional views and has been alone among the monthly periodicals of America, in defence of the PECULIAR INSTITUTIONS OF THE SOUTHERN STATES.

To this office it will be devoted, and will be prompt to repel assaults upon the South, whether they come under the specious garb of fiction, or in the direct form of anti-slavery pamphlets. At this critical juncture, while our enemies are employing literature as their most potent weapons of attack, the Southern people will surely not withhold their encouragement from a work whose aim it shall be to strike blows in their defence.

The Messenger will, as heretofore, present its readers *with Reviews, Historical and Biographical Sketches, Novels, Tales, Travels, Essays, Poems, Critiques, and Papers on the Army, Navy and other National Subjects.*

With a view to enlarge the circulation of the MESSENGER, the Proprietors thought they could greatly facilitate it by reducing the size of the work, and reduce the price of Subscription, which is now only

Three Dollars per annum, in Advance,

OR FOUR DOLLARS IF NOT PAID BEFORE THE FIRST OF JULY IN ANY YEAR.

CLUBS—Remitting us Fifteen Dollars in one letter, will be entitled to Six Copies.

The Editorial and Critical department of the Messenger will continue under the charge of

JOHN R. THOMPSON, Esq.,

And will embrace copious notes on current literature and reviews of all new American or Foreign works of general interest and value. The Editor's opinions will be always fearlessly and honestly avowed.

The Business Department is conducted by the undersigned, to whom all communications of a business nature must be addressed.

DR. CHAMPION'S

VEGETABLE AGUE OR ANTI-FEVER PILLS.

WE would call the attention of those afflicted with Chills and Fevers to this medicine. It only owes its popularity to no puffing, not to long winded certificates—but solely to its own merits as a remedy which never fails to cure when taken according to directions accompanying each box.—This Pill holds many others, could be no substitute for any other ingredient, and may be administered with perfect safety at all times, to young or old.

As a preventative against Chills, or any other type of Fever, it is recommended as unsurpassed; and in treatm nt of Fevers generally it is far superior to Quinine, or any preparation of Peruvian bark. A trial of its merits is all that is needed to insure it a favorable position in the estimation of even the most inveterate opposer of Proprietary or Patent prescriptions.

CHAMPION'S ANTI-BILLIOUS PILLS.

Enjoy the reputation of being at least as good, if not better, than any of the various cathartic Pills of the age, and are entirely free from all poisonous minerals, or other injurious properties, and are highly recommended in Dyspepsia, Liver Complaint, Sick Headache, Sick Stomach, Habitual Costiveness, Indigestion, &c., and diseases of the Stomach, Liver, Bowels
