THE MAGNOLIA RESTAURANT.

They say the Magnolia Tree is the handsomest growth south of Mason and Dixon's line, and it is evidently a fact. It is also said the Magnolia Restaurant on Green Street, between Dr. B. W. Robinson's Medical Establishment, and Mr P. Taylor's Store, and nearly opposite the Shemwell House, is the Finest and best kept of any other establishment in the South. Persons wishing to find cannot well miss it: it is the YELLOW BUILDING.

The subscriber would take this method of thanking the citizens of this place and the surrounding country, for the unprecedented liberality they have bestowed on him, and would solicit a continuation.

He has always on hand the VERY BEST LIQUORS, WINES and CORDIALS, that can be found in the United States, either by the quantity or otherwise.—Also. Cigars, Pickles, Sardines, Cheese, Preserved Fruits, Lemon Syrup, and many other good things, and flatters himself that he has the most polite, obliging, accomplished and *FRANK*, vender to attend to his establishment, that can be found either North or South. Temperance drinks put up at the shortest notice. He would call attention particularly to his private rooms up stairs, which are large, comfortable, and in good order.

PROSPECTUS

OF

THE NORTH CAROLINA PRESBYTERIAN

The Presbyterian Church in North Carolina has long labored under a serious disadvantage from the want of a journal to advocate her claims and represent her interests. It is estimated that only 1000 Presbyterian Weeklies are taken in the bounds of our three Presbyteries. We have 13,000 Communicants, and it is safe to infer that there are 30,000 Presbyterians in principle in the State. Our Synod stands fifth in the Union in point of numbers, and her membership is greater than that of any Synod South or West of Pennsylvania.

Our sister States on the North and South, neither of which has a membership so large as ours publish the Central, and the Southern Presbyterian, for the benefit of their people.

The time has come when the Presbyterian Church in North Carolina should likewise do her duty to her children. it is a conceded and important fact, that hundreds of our members will take a State paper who will take no other.

The Paper is needed to be the organ of our Synod and Presbyteries—to elevate and enlighten the piety of our membership by diffusing evangelical knowledge—to promote the cause of Education—to develope the talents of our Ministry, and to strengthen the attachment of our people to the soil and sanctuaries of their own State.

If our Church in other States, and other Churches in this State, can supply their members with a religious journal, why may not we?

Are North Carolina Presbyterians inferior in talent, energy and patriotism to their neighbors on the North or South, or to Christians of other denominations at home? With the same or better opportunities of accomplishing this work, shall we leave it undone? In the language of one of our most able and useful Ministers, an adopted son of our State, "It ought to have been undertaken 20 years ago, but it is not too late to begin to do right."

In the last two or three months, a fund of about $5000 has been subscribed as a permanent capital. At a meeting of the contributors held at Greensborough on the 14th of May,—Rev. A. Baker, Chairman,—the Paper was unanimously located at Fayetteville, under the name and title of the North Carolina Presbyterian. Rev. Wm. N. Mebane and Rev. George McNeill were elected Editors: Rev. Messrs. George McNeill, Wm. N Mebane, A. Baker and C H. Wiley, and Messrs. George McNeill, Sr., John H. Cook and David Murphy were appointed an Executive Committee, to establish the Paper and manage its business affairs.

It is our wish and design to make the North Carolina Presbyterian a journal of the first class, equal to the best in the country in typographical appearance and in adaptation to the wants of our Churches. Its columns will afford the latest intelligence, both foreign and domestic, and special care will be taken to give a full and accurate summary of State news. The name of the Paper is designed to be an exponent of its character and contents. From conviction, it will advocate the conservative, orthodox, Old School doctrines and order of the Church.

Our first appeal is to our own people—to N C. Presbyterians. Whilst we rely confidently upon their favor, we trust that the native sons of North Carolina who have found homes in other States, and the adopted citizens of our State who form so important an element in our Ministry and membership, will take a deep interest in this enterprise, and give it their hearty support.

Terms: $2 per annum in advance, or on delivery of the first number; $2 50 in six months $3 at the end of the year. To clubs of 25 or more, paying in advance and when the Paper is sent to one address, a discount of 10 per cent. will be allowed. Our Ministers and Elders are earnestly desired to act as Agents, and all others friendly to the cause will please assist in procuring as many subscribers as possible, and forward the names, by *August 1st*, to this Office. As soon as 1500 subscribers are obtained, the first number will be issued. If a faithful and vigorous effort is made in the next two months by those Hho take a lively interest in this work, we will without doubt, be able to begin the publication at the end of that time with a paying subscription list of at least 3000.

THE APPROACHING FOURTH.—Everybody is making preparations of some kind for the proper observance of the "Glorious Fourth." Some will go abroad, and some will stay at home, others will remain sober; some will don military uniforms, while the great majority will wear such plain clothes as are becoming to respectable and patriotic private citizens. Of course the great mass of these people will get their garments at the Brown Store Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 (new style) Chesnut street, above Sixth.
