# ADVERTISEMENTS.

Inhalation in Consumption. RONCHITIS, LARYNG TIS, and other Discases of the Chest and Throat, successfully treat-

The unprecedented success which has attended this want, and as we should purchase from First method of treating diseases of the Lungs and Throat has induced us to depart from our usual course, and ourselves of the columns of the press, in order to

Aug. 1, 1857. 61-1v Persons indebted to Jas. C. McEachin, as Guardian, and ourselves of the columns of the press, in order to tion having at length passed away. We have indubitable proofs in our possession that Consumption in all its stages can be cured! in the first, by tubercular absorption; in the second, by the trensformations of the tubercule into chalky and calcareous concretions, in the third by cicatrices, or scars. Those wedded to the opinions of the past may assert, that even now, consumption is incurable, such are behind the age. To all, this great truth must be apparent, viz: that the medicines inhaled in the form of vapor or Powder directly into the Lungs, must be much more effective than that taken into the Stomach, where the disease does not exist. The advantage of Inhalation in Consumption and Throat diseases is, that medicine in the in restoring health, by adm nistering to it a healthy, litegiving food .- There is no case so hop less that Inharation will not reach! The means, too, are brought within the reach of all, the manner of administering the Vapors being so simple that the invalid is never required to leave home, where the hand of friendship and affection tends so much to aid the physician

The Inhalation method is soothing, safe and ready and coasists in the administration of med.cine in such manner, that they are conveyed into the Lungs in the form of vapor and produce their action at the seat of the disease. Its practical success is destined to revolutionize the opinions of the medical world and stablish the entire curability of Consumntion. I earnestly appeal to the common sense of all afflic-
