NAVY DEPARTMENT.

from other business letters.

The materials and articles embraced in the classes named are particularly described in printed schedules any of which will be turnished to such as desire to offer, on application to the commandants of the respective yards, or to the navy-agent nearest thereto, and those of all the yards upon application to this The materials and erticles embraced in the classes and those of all the yards upon application to this oureau. This division into classes being for the conventence of dealers in each, such portions will be furaished as are actually required for bids. The commandant and navy-agent or each station will have a copy of the senedules of the other yards, for examination only, from which it may be judged whether it will be desirable to make application for them.

Offers must be made for the whole of a class at any yard upon one of the printed schedules, or in strict conformity therewith, or they will not be considered The contract will be awarded to the lowest bona fide bidder who gives proper security for its fulfilment. The United States reserves the right to reject all the bids for any class, it deemed exorbitant. All articles must be of the very best quality, to be

delivered in good order, and in suitable vessels and packagee, as the case may be, at the expense and risk of the contractor, and in all respects subject to the aspection, mesurement, count weight, &c., of the yard where received, and to the entire satisfaction of the commandant thereof.

Bidders are referred to the commandants of the respective yards for samples, instructions, or particular description of the articles; and, all other things resigned.

In the figure next, for the purpose of creating dier General, in place of Brig. Gen. A. D. Mclean, resigned. American manufacture.

Every offer, as required by the law of 10th August, 1846, must be accompanied by a written guarantee, the form of which is herewith given.

Those only whose offers may be accepted will be notified, and the contract will be forwarded as soon post office or navy agency named by them.
Su cities in the full amount will be required to

trict attorney, cellector, or cavy agent As additional security, twenty per century will be withheld from the amount of the bills until the contract shall have been completed; and eighty per centum of each bill. approved in trip icate by the commandants of the Glue, Truss Hoops, Hacker Stones, Dowling Bits, &c. respective yards, will be paid by the navy-agent at the points of delivery within thirty days after its

It is stipulated in the contract that, if default be mext. made by the parties of the first part in delivering all or any of the articles mentioned in any class bid for in the contract, of the quality and at the time and places above provided, then, and in that case, the contractor and his sureties will forfeit and pay to the United States a sum of money not exceeding twice dence, I P Gravin, M. D. the amount of such class, which may be recovered from tim to time, according to the act of Congress in that case provided, a sproved March 3, 1843.

C asses Nos. 1, 2, 4, 6, 7, to be delivered one-fourth part on or before the 15th May, one-fourth part on or before the 20th July, one-fourth part by the 20th September, and the remainder by the 1st December, 1859 Classes 3 and 9, the whole by the lath May, 1859. Hardware & Cutlery, Ready Made Clothing &c and The remaining classes to be delivered one-fourth part every other acticle that is usually kept in a country on or before the 1st September next, one-fourt; part Store, to which they would call the attention of the on or before the 1st December next, one-fourth part on or before the 1st April, and the remainder on or befor the 36th June, 1859, unless earlier required with the Faculty, or to a notice of twelve days, comprising at each delivery a due proportion of each article. Class 10 and all tollowing, if additional quantities of any of the artieles named therein are demanded, they are to be furnished on like terms and coaditions previous to the expiration of the fiscal year, upon receiving a notice falteen days from the bareau, the commandant of the yard, or navy agent.

Form of Offer. -, of ---, in the State of ---, hereby agree to furnish and deliver, in the respective navyannexed, agreeably to the provisions of the schedules The want of such a Journal is felt by every therefor, and in conformity with the advertisement of 1858. June 5, 1857 Inhalation in Consumption. BRONCHITIS, LARYNGITIS, and other Dised by the Inhalation of Medicated Vapors and Pow-

ders, by absorption and constitutional treatment, as practised at the Stuyvesant Medical Institute, New York City. The unprecedented success which has attended this In issuing the Prospectus of the Twenty-Third Vol-ume of the SOUTHERN LITERARY MESSENGER, commencing with the July No., the Proprietors rely solely on the encouraging letters and promises of the friends of the Messenger to aid them in extending its under or predisposed to such affections. The dawn circulation, and they beg to assure the public that no of a brighter day has at length arrived for the Conexertions will be remitted on their part to maintain sumptive; the doctrine of the incurability of constant to reflect faithfully the Southern mind, while disdaining sorption; in the second, by the treusformations of the all narrow and sectional views, and has been alone tubercule into chalky and calcareous concretions, in consumption is incurable, such are behind the age. To this office it will be devoted, and will be prompt | To all, this great truth must be apparent, viz. that the under the specious garb of fiction, or in the direct form rectly into the Lungs, must be much more effective than that taken into the Stemach, where the disease will surely not withhold their encouragement from a form of Vapor is applied directly to the Lungs, where the disease exists; the stemach is thus left free to aid in restoring health, by administering to it a healthy, lifegiving food .- There is no case so hopeless that In-The Messenger will, as heretofe, present its readers haration will not reach! The means, too, are brought required to leave home, where the hand of friendship

> The Inhalation method is soothing, safe and ready and consists in the administration of medicine in such manner, that they are conveyed into the Lurgs in the form of vapor and produce their action at the seat of the disease. Its practical success is destined to revolutionize the opinions or the medical world and

> establish the entire curability of Consumption. I earnestly appeal to the common sense of all afflicted with Lung discuses, to en brace at once the advan-tage of Inhalation, and no longer apply medicine to the unoffending stomach. I claim for Inhalation a place amongst the priceless gitts that nature and art hath given his. that "our day may be long in the land." and as the only ark of safety for the consumptive; a method not only rational, but sin ple and offi-cacious. Such of the profession that have adopted Inhalation have found it efficacions in the highest degree, arresting the progress of the disease and working wonders in many desperate cases. in verdity. a signal triumph of our art over this fell destroyer of our species.

Note .- Physicians wishing to make themselves ac quainted with our practice, are informed that, our time being valuable, we can only reply, as to ingre-dients used, to such letters as contain the fee. The fee in all cases of Pulmonary affections will be family, and the symptoms generally. Let the name, town and State be plainly written. I ceta turn answer must be enclosed. Letters.

tered will be at our risk. All letters must ed to. WALLACE MERTO S. M. Institute, New Nov. 12,
