THE NORTH-CAROLINA STATIST AND MAGAZINE OF USEFUL INFORMATION. The undersigned proposes to publish in the City of Raleigh, a semi-annual JOURNAL, of the above title, devoted exclusively to the dissemination of statistical information.

That we have no regular system of statistics, cannot be attributed to any want of material. There are large amounts of valuable and interesting information scattered through our Legislative and Executive Documents and Records, which, in their present situation, for all practical purposes, might as well be in the Chinese language.

So far as the plan for conducting the same has been matured, the pages of the STATIST will be devoted to the arrangement of such tables relating to our Population, Agriculture, Commerce, Education, Public Improvements, Manufactures, Fisheries, Mines, and Social Statistics generally, as will present their condition and our progress in each.

It is also designed to contain the Reports (condensed) of the Public Treasurer, Commissioners of the Sinking Fund, Superintendent of Common Schools, and all other State Officers and Boards; as also Statements and Reports of the condition and progress of the various Railroad and Navigation Companies.

The STATIST will be put to press as soon as a sufficient number of responsible names are obtained to pay the expenses of publication.

TERMS.—THREE DOLLARS PER ANNUM—ONE DOLLAR AND FIFTY CENTS, for SIX MONTHS; payable when the first number is ready for publication, which fact will be duly announced in the public Newspapers.

When sent by mail (post-paid) to California and Oregon the price will be 7 dollars. To every other part of the Union, and to Canada (post-paid) 6 dollars.
