SATURDAY MORNING, MAY 7.

LOCAL NEWS.

U. S. Arsenal at Fayettville.

With the exception of Forts Macon and Caswell and the Branch Mint at Charlotte, the United countrymen as had conscientions scruples in eye full scope to the river and to objects on either obtained for himself the nominal governorship hand, for about two miles. It is one of the loveliest of the Bass Rock, at an annual satary of £100; spots in Elastern Carolina. The arrangements, buildings, plots and appurtenances are in good taste and well adapted for the uses designed. It has been looked to as one of the best points for the

pository for fire arms, but recently it has been supplied with machinery for the structure of the implied with machinery for the structure of the implements of war, preparatory to its being made and Arsenal of construction. The Arsenal is under the command of Capt. Braiford, an efficer, we believe, who had charge of it some years age, whose gentlemantly and officer like deportment, and above all his many good qualities as a citizen, endear him his many good qualities as a citizen, endear him the dreadal neight of 600 feet; "the former the dreadal neight of 600 feet;" the former and made available. Much credit is due to Mr.
