BELL BENEFITTE

Be gentle, 'tis for you he toils, And thinks, and strives to gain Home comforts and home happiness-Don't let him strive in vain.

Be gentle, though some hasty word Should fall, it was not meant; A smile, a kind word will recall, And many more prevent.

Be gentle, oh! 'twill soothe much care, And make each burden light, A gentle tone will soothe the brow, And draw an answer bright.

Be gentle, though it may seem hard, To check an angry word: Yet try, and it will surely bring A full and rich reward.

An American Girl in Paris.

Miss T., known on the turf at Paris as the fair Amazon of Washington, was so brilliant at the Court of Pleas and Quarter Sessions-April races on her horse, jet black, save a white star on the forehead, that her appearance was hailed everywhere with admiration and applause. A more levely person cannot be imagined; she guides playfully the most redoubtable courser. Belzebub, the name of Miss T's horse, is so untameable and ferocious, that no rider can mount him, no groom guide or stall him. He has already killed an Englishman, exhibits, and loves him as a friend. Jenny and Kitty act as grooms to Belzebub; they feed and curry and walk him in the morning. Jenny, the youngest of these sisters, a slight-looking child, whose womanly figure is not yet developed, is dressed as a groom, and follows Miss T. every time Miss T. pays visits on horseback, for no other person can hold Belzebub by the bridle when his mistress dismounts. For the rest, Miss T. is a charming young person; and has no need to ride Belzebub to be admired. She is a I of Good: suited to the SPRING & SUMMER handsome girl of the happy age, of fresh, brilliant trade, consisting of a choice selection of and healthful looks. AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF

Hoarseness. Bainffield, Mass., 20th Dec., 1855.

DR. J. C. Aver: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your Cherry Prevocal. Its constant use in my practice and my family for the last ten years has shown it to pessess superior virtues for the treatment of these complaints.

A. B. MORTLEY, Esq. of Utica, N. Y., writes: "I have used your Pectokat in self and in my family ever since you invented it, and believe it the best modeline for its purpose ever put out. With a bad cold I should sconer pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza. PROTEIN AFFR: I will cheerfully certify your Province, is the best reusely we possess for the care of Wesquer Cheef, Compand the clast discusses of children. We of your finternity in the South appreciate your skill, and commend your medicine to our people.

AMOS LEE, Esq., Monterey, Ia., writes, 3d Jan., 1856; "I had a tellous Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your Pacronal by the advice of our elergyman. The first dose relieved the corness in my threat and image; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis. WEST MANCHESTER, PA., Feb. 4, 1858.
Sin: Your Chiract Protokal is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.

HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE Co., Iowa, writes, Sept. 6, 1855; " During my practice of many years I have found nothing equal to your Chenxy Picrotax for giving one and relief to consumptive patients, or curing such as are curable." We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon

Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, New York City, March 5, 1856.

Doctor Ayer, Lowell: I feet it a duty and a pleasure to inform you what your Cherry Pretoral has done for my wife. She had been five mouths laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bloss his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well. Yours, with gratitude and regard.

Yours, with gratitude and regard.
ORLANDO SHELBY, or SHELEYVILE: Consumptives, do not despair till you have tried Aven's Cherry Pricto AL. It is made by one of the best medical chemists in the world, and its cures all round us bespeak the high merits of its virtues. — Palladelphia Ledger.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine bave been taxed their utness to produce this best most perfect purgative which is known to man. Immunerable proofs are shown that which is known to man. Immunerable proofs are shown that these Phils have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the exteen of all men. They are safe and pleasant to take but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the toul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every strength to the whole system. Not only do they cure the every-day complaints of every body, but also formulable and dancer-ons diseases that have builted the lest of human skill. Whole they produce powerful offsets, they are, at the same time, in di-minished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely regetable, are free from any risk of harm. Cures have been made which surpass belief were they not sub-stantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the rehave len! their names to certify to the public the rephysicians have left, their findes to celluly a the plant to the liability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use, and certificant cates of their cures of the following complaints: -Costiveness, Bilious Complaints, Elemnatism, Propsy, Heart-burn, Headuche arising from a foul Stomach, Namen, Indiges-tion, Morbid fraction of the Rowels and Pain arising therefrom, Flatulency, Less of Appetite, all Ulcerous and Cutaneous Disrises which require an evacuant Medicine, Sandula or King's esses which require an evacuant Medicine, Sandula or King's Evil. They also, by purilying the blood and standarding the system, cure many complaints which it would not be supposed they could reach, such as Beafness, Partial Blindness, Neuralgia and Nervous Irritability, Beamagniants of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprived dealers with some other pill they make more profit on. Ask for Arra's Pulls and this nothing else.
