We understand that Col. Duffie in his speech al Kenansville, on the 12th is tant, said that the Hon, Warren Winslow had cau d the removal of J. E. Bryan from the office of Post Master of this m. Now we know that such is not the case,-

Mexico.

have need with profit and pleasure r capital article We are gratified to learn that negofiations are In the New York Daily News under the above now in progress between the Liberal Government caption. Its appropriateness at this time, an of Mexico and several distinguished military offiadaptation to the wants of the people would bid a cers in the United States to raise an army of three publish it entire but for its length and the press of thousand Americans to protect that unfortunate other matter upon our columns. So far as the country against an invasion of their rights. This, Presidential election of 1860 is concerned, we feel we regard as a happy movement for Mexico, and quite sure there is but one method by which the one that speaks well for the chivalry of our coun-Democracy can ensure a triumph and the success trymen. We trust that satisfactory arrangements of its principle upon that occasion, and that is by may be effected by the parties interested, as they an unswerving devotion to the particular tenets of will form a safe guarantee that all future disturbances. at least so long as the army is stationed the party, a reconciliation of all party differences tere, will be at an end. Upon this subject th on the part of every member of the party. Dem-Journal of Commerce says: ocrats must not be gulled by side issues, and dif-

"It is not intended to effect the enlistments on THIRD CONGRESSIONAL DISTRICT American soil, or to take any step which may involve the parties in a viclation of the neutrality laws. Upon this point it is said that, as this Government has reorganized Juarez as the constitutional President of Mexico, and regards Miramon and his crew as rebels and outlaws, it will interpose no obstacle to the expedition, on the ground democrats to strengthen and encourage one another of that it is not directed against a friendly power, and to assist in reconciling past difficulties, and da but is designed to assist it in the management of bringing factions and cliques, averse to each other wh its internal concerns.

So far as American interests are envolved, there is no doubt that they would be vastly promoted ever, under the same shield. This is the only plan ces by the establishment of an atmy of our countrymen in Mexico. Their presence will ensure a sound and tranquil government for that unhappy country, and will guarantee to American residents the peaceful prosecution of their business. Other and still more important results will undoubtedly be effected everywhere, in order that we may be had fellow in good time."

A CONVICTED FELON COMMUTED .- A great the election. deal of excitement and sympathy seems to have prevailed in Massachusetts lately, so much that a young man by the name of Plummer alias Sumner condemned to death for mutiny, has had his senas a 'Thirty million' man, his nomination and election so far as that measure is concerned, would be a tritence commuted to imprisonment for life by the President. We are not sufficiently acquainted quence, of his 'thirty million bill.' " We are requested to make the following appoint with the facts to state our opinion with regard to this executive elemency, but feel quite sure Mr.

S. E. Williams, E.s. the Democrate Candidate for Buchanan in committing this act had sufficient evidence before him to justify it.

> IP We call attention to the Advertisement of Messrs. Goldston & Fuller, to let our readers know that it is Tobacco they have to sell-good tobacco too, and not anything mysterious, as our types for the past week would make it appear.

NEWSPAPER CHANGE .- Mr Nicholson has sold his

Dear Carolinian :

How THEY LIVE.-The following particulars,

vere furnished by a member of Parliament, who, f course, as such had ample means of obtaining them, and, in the kindest manufer possible, trans mitted them to the Courier d's Etat Unis. Perfidons son of perfidous Albion ! If there be any one of our fair countrywomen on the point of uniting herself with an Englishman, we beg of her to pause until she shall have read and duly considerthe following facts:

There are at present in London (which contains nearly three millions of inhabitants.) 1,362 wives who have left their husbands to fol-

low their lovers. 2,371 husbands who have run away from their

wives. 91,023 couples living under the same roof in a

state of warfare. 162,320 couples hating each other cordially, but making, in public, their ferocious hatred

under a feigued politeness. 510.152 couples living in a state of indifference to each other.

 102 couples reputed happy by the world, but who are not quite so in reality.
135 couples happy in comparison with others 1,102 couples reputed happy by the world, but more unhappy.

7 couples really and truly happy.

A FEMALE SNAKE CHARMER. Among the arrests noted upon the Station House

book last evening was the name of Jane Whipple, commonly called "Oregon Jenny," who was placed in a cell with some China woman. In a few min-ed condition of a bridge on the utes the most unearthly screams and yells were lett's Mill Pord, s horses are daily t utes the most unearthly screams and yells were heard proceeding from her cell, and on entering it the officer discovered that Jenny had a tame snake of the common garter snake species, about three feet long, which she had concealed in her pocket) and with which she had frightened the the bad frightened the more certain to come off victorious on the day of look og customer commenced giving us a history pocket) and with which she had frightened the the election taken out and placed in a separate cell, with her companion, the snake. The Celebration at Lamber Bridge.

M seas Lorous:-Agreeble to a previous notice the Lumber Bridge Independent Company assembled at Lumber Bridge, for celebrating the Sold Anniversary of American Independence. At 12 o'clock M. the Company formed a procession at the Church and manœuvred through the Grove until 1 o'clock when they marched in an inverted order to the State where prayer was offered by Col. A. McMillan; the Mecklenburg Declaration of indicated and and and was read by John D. Malloy, Esq., and the National Declara-tion by Cyros McNeill, Esq. The oration was de-pivered by John P. Fuller, Esq., of Lamberton. It spoken of in the highest compliancetary terms. It was an able effort of Mr F., for which he has the unreguest here's of the Company. After the Address, the compare had an intermission of half an hour, when the proceeded to an old field for the purpose of firing the National salut, which they performed in a magner most creditable to themselves and the occasion. After the salute, the Company was dismissed to the again on the 1st of Oct., when they will have ta get practice.
