CONGRESSIONAL.

WASHINGTON, Jan. 3-Senate-The proceedings

lative to his cifficulty with Grow.

Washington, Jan. 4. SENATE.-Mr. Wigfall, the newly elected Senator, from Texas, took his seat to-day. Mr. Mason appeared in a full suit of Virginia

The President's Message was taken up. Messrs. Harlan, of Iowa, and Foster, of Connecticut, made Republican speeches.

Mr. Howell, of Ky., latroduced a bill for the repear of the franking privilege. House.-Speeches of an unimportant character

Another fruitless ballot for Speaker was taken. Necessary to a choice 104. Sherman 101-therest

Washington, Jan. 5, 1860. Nothing of importance trrnspired in the Senate yesterday.

The House voted for speaker. Necessary to a choice 104. Sherman received 101; the rest were scattering. No election. There is no prospect of the election of a speaker.

A CURIOUS PIPE.

A curious and ingeniously carved pipe has lately been brought to San Faancisco from Queen Charlotte's Island in the North, where it was made by an Indian in that region. Its ing stones, &c., and everywhere it was made by an Indian in that region. Its is so hard that it scratches iron. form is entirely unique, and is such a combina- It is formed of ninety-three parts of well burned tion of elegant workmanship and savage device bricks, and seven parts of litharge, made plastic with appealed to the supreme court, and bring before the as to be almost indescribable. It is carved linseed oil. The bricks and litharge are pulverized; highest State tribunal a question of vast importance from one piece of oak, and is prettily inlaid the latter must always be reduced to a very fine to the mining interest of California. with a sort of mosaic work, with fanciful fig. powder; they are mixed together, and enough of ures, rudely conceived but as skillfully finished linseed oil added. It is then applied in the manner as though done with a turning lathe and the of plaster, the body that is to be covered being alfinest instruments. It is elaborately adorned tion is indispensable, otherwise the oil would filter with strange figures, among which is an odd through the body, and prevent the mastic from aclooking bird, intended, probably, to represent quiring the desired degree of hardness When it is an eagle, but resembling some ancient Egyptian extended over a large surface, it sometimes hapor mythological creature - From the same pens to have flaws in it which must be filled up with source came equally curious carvings from slate, a fresh quantity of the cement. In three or four in the shape of pipes, in which there is a re- days it becomes firm. markable affinity in the design with the workans of the north.

of the United States, is announced as having taken place at Caseyville, Kentucky, on the taken place at Caseyville, Kentucky, on the 22d of December. Mr. Casey was born in Mercer county, Kentucky, in 1788. He practiced law in Kentucky for many years and was the proposal, and finally accepted the offer. A day clark of the Court of Union county for several or two afterward, being waited upon by some of years It was a man universally esteemed by her friends who came to sympathize with her in he

neer It is said that the public creditors are becoming furious at the delay in the organ zation of the House Wendall, the Congressional printer is paying seventy-five dollars per from a friend who was present at a church prayer day interest. Conjugal Affection -An incident came to our manship of the Aztecs, and other ancient races knowledge the other day which speaks strongly in upon asking Erkine the name of his, was answer, of tropical America, to whom some travelers have assigned a common origin with the Indithe misfortune to lose her husband a few days since, and while thinking over her desolate condition, and The death of Hon. Samuel Casey. Treasurer mating how much of her funds would be absorbed caused by the stories about the awkwardness of the CLASS FERFUNERY, PAFEAT MEDICINES, &c., &c. the prospect of a dreary, lonely winter, and estidiffiction, the widow said it was not so bid as it might have been, as she had sold her husband's boly, and filled her cellar with wood and coal bought with the proceeds. - Augusta Dispatch.

THE RIGHT SPIRIT IN THE RIGHT PLACE. - We learn derers, we are not sure but the country gain by the want of a congress.

Would into one of sympathy for John Brown and his followers. Mr C. B. Dibble, who has lived many much to allay the fanatical feeling, of those hotheaded abolitionists.

If conservative men, North and South, would thus use their influence, the hot heads and crazed brains of both sections would soon get cooled down. N. Y. Jour. Com.

Thursday evening, while Mr. Hardenburgh, of the Howard Athenaeum, Boston, was performing tendance, and another actor read Mr. Hardenburgh's

THE SEA-CAPTAIN'S STORY.

He said he had followed the sea for more than forty years, and he was now over sixty years old. He had been commander of a ship, and he considered himself some time ago, a man of no little importance.

He came home from sea some months ago: and he h Littened and aggravated by the rush and was urged by a pious, auxious sister, to go to the Fulscramble of twenty blundering gallants to pick ton streat prayer-meeting. He refused, point-blank her up. For these reasons, and for the great, general prevailing one that the young men of and somehow, she one day found he had gone, and our city are, at any and all times the weakest he most unexpectedly to himself, found himself in the and most insipid of company to the high-spiri. meetings. He came to see what sort of a meeting ted demoiselles of the skating sisterhood, the it was. "But," continued the captain, when narraclub aforesaid have concluded to shuffle off their ting these events, "I had not been long in the meet male attendants this year. The best skater | ing before I got a dagger in my bosom, which I could here last winter was a Boston girl. One of not hauf out again. You have an idea how small I our Gothamite beauties was the only one that became in my own eyes. I had not the least idea a could approach her in fleetness of movement, man was such a little, insignificant creature. Why, I The latter has sent a challenge to the fair Bos- could have crawled away anywhere. I could have tonian, wagering an even hundred dollars that crept in a knothole.
