

ARRIVAL OF THE BALTIC. LATER FROM CALIFORNIA AND JAPAN. New York, Jan. 9.

The steamship Baltic from Aspinwall, with dates to the 2nd inst., arrived this morning with two hundred and fifty passengers.

The first Legislature of Nevada Territory met at Genoa on the 15th ult and took measures for the immediate recognition of the territory by Congress. Three schooners had arrived at San Francisco from Japan, bringing cargoes of rich Japanese idea of a dissolution of the Union as very remote, wares and advices to the 15th November.

The difficulty respecting American currency continued. Lacguered goods were scarce, and had advanced two hundred per cent. -The Japanese were throwing obstacles in the way of trade. Orders had been issued for merchants not to sell over fif-

teen pieces per day of any article. The steamer Powhatan sails from Kanagawa on the 22d February, taking the Japanese embassy to the United States. The delegates will consist of two chief ambassadors, eighteen officials and fifty subordinates. The Embassy proceeds to Panama via Sandwich Islands. At Aspinwall they will take passage in a national vessel direct to Washington. Parties of Americans from the Powhatan had visited Jeddo. A large fire occurred there on the

The San Francisco papers were urging the establishment of a line of steamers between that city and

complete the arrangement for the Frankfort and Versueve dour solid controlled by the control of the straight, that is good cheer. A million of hearts are beat fing the present expectation of the respiration of the respirat

ing from the neighborhood of Rockingham, Richmond co., N. C., for which i gave him my note, without security, for \$115, payable Jan'y I, 1860.

The Negro, after working faithfully for me for a few days, very addenly disappeared, and since then I have never been able to find the whereabouts of Master or slave. On inquiry, I learn that no such man as this Brown has ever lived in or about Rookingham.

This is therefore to warn all persons from trading for said Note, as having received no value, I am determined not to pay it.
