And no person ever had of STAR'S CHEMICALLY PREPARED GLUE, would it longly dispose with it for four times its cost. It is always ready, and always reliable. It is not of service to the small, and is not affected by climate, and where known it has become a FIXED FACT. The attention of dealers and consumers is invited to the following testimonials regarding its superior qualities.

Newark, Nov. 27, 1859.
"After a faithful trial of STAR'S PREPARED GLUE on Wood, Leather, and Cloth, at the Phoenix Works, I most cheerfully recommend its use for all purposes generally required, and especially for family use."
