DISSOLUTION.

Unforseen circumstances render it necessary for me to allude to a card published a short time since under head of "Copartnership," in which T. J. Jordan and Wm. R. Barringer were represented as having formed a copartnership for the purpose of carrying on a business then in contemplation, but which conflicting circumstances have forced us to abandon, therefore no such firm now exists as was then represented, as by mutual consent we have T. J. JORDAN. dissolved. Aug 8, 1860.
