No one of the "many is flesh is heir to" is so pro-aient, so little understood, and so much neglected v-Costiveness. Often originating in case is sness, as sedentary habits; it is r garded as a slight disorder of two little consequence to excite anxisty, white er-reality it is the precessor and companion of many in the most fatal and daige ous diseases, and unless each by gradicated it will bring the subsect to an untimetrgrave. Among the light r evils of which costivency is the usual attendancer Headache, Co.ic. Khannak tism, Foul Breath, Piles and others of like nature while a long train of frightful diseases such as Maily. nant Fevers, Abcesses, Dysentary, Distributa, Dyspepsia, Apoplexy, Epilery, Paralysis Hysteria, Lypochondrias, Melancholy and Insanity, first indicate their presence in the system by this alarming symptom. Not unfrequently the disenses named originate in Constipation, but take o an independent existence unless the cause is eradicated in an early stage. From all these considerations, follows that the disorder should receive immediate attention whenever it accurs, and no person she ld neglect to get a beyond Ceptatic Pills on the drs appearance of the complaint as their timely use will e pel the insidious approaches of disease and destroy this dangerous for to human
