One copy one month, in advance... 50

There can be no better medium for advertising than through our columns, as our paper goes daily into the hands of its many readers, thus keeping them ever reminded of our advertising merchants; and as the chief reason for constant advertising is to have the advertisements read as often as possible; the advantage of advertising in THE DAILY ARGUS is at once evident, as our patrons will have their advertisements read afresh every day. Rates furnished on application.

LOCAL BRIEFS.

The Cleveland cannon was fired in Goldsboro yesterday bright and early.

The Goldsboro Rifles meet in regular weekly drill at their Armory Hall to-night. A full attendance of members is ordered and expected.

It is now in order for the Republicans of the nation and the "Radical-annex"—the Third party of this section, to adjourn *sine die*: especially the die, for both are defunct.

The county board of canvassers, according to law, will meet in this city to-day to canvass the returns of Tuesday's election, and make the election of our various Democratic candidates unanimous.

An old colored man seeking "election news" from us yesterday said, "that he had heard as how Cleveland was elected and the whole world had gone Democratic?" Well, "our world" has gone Democratic.

The city was full of Democrats yesterday from all over Wayne county who came to town to hear the glorious news and remained to rejoice over the signal and unprecedented Democratic victory in the county, State and nation.

No sooner was the election of Cleveland ascertained yesterday than the price of cotton advanced a quarter of a cent and the price of meat dropped 15 points. Cleveland is indeed the friend of the American farmer.

THE ARGUS is going out daily and weekly to an increasing number of thrifty subscribers. If you are a business man and desire to reach readers whose trade goes to intelligent and reliable advertising you should avail yourself of the columns of this paper.

At the residence of the bride's parents in this county Mr. J. F. Wooten and Miss Bettie Musgrave, daughter of Mr. and Mrs. Frank Musgrave, were married yesterday afternoon in the presence of a small circle of admiring friends and relatives.

A GRAND torch-light celebration would be in order. What says the Cleveland and Carr Campaign Club? Let's have one. Suppose the Club meet to-night, the regular weekly meeting night, and decide upon the question: Listen for the ringing of the court house bell, and if you hear it, come.

THE city is handsomely billed for the appearance of the renowned and everywhere popular McCabe & Young Operatic Minstrels in the Messenger Opera House next Thursday night, November 17th. Reserved seats will be put on sale at Miller's Pharmacy next Tuesday morning, and every one may be assured of a thoroughly refined and enjoyable minstrel performance.

To those really honestly deceived Democrats who wandered off to the Third party in search of Reform, we say come on back where you belong and enjoy the victory that Democracy has won and white supremacy has achieved. The blessings of our success are to be shared in alike by all the American masses, whose interests and happiness are the dearest care of the grand old Democratic party.

TUESDAY IN GOLDSBORO.

SCENES AT THE POLLS: ARROGANCE AND USURPATION RAMPANT.

Colored Women Surround the Voting Grounds, at the earnest solicitation of Maj. Grant, J. Frank Dobson and Geo. Wasson, and beseege the colored voters, driving them with wild gestures, threats and force to vote the Third Party County Ticket.

Before the Bar of Public Opinion

THE ARGUS has been telling the people all along that Thirdpartyism was allied with the Republican party and meant nothing else, if successful, than rampant Radicalism.

If any one doubted this, surely all doubts were allayed yesterday by the scenes at the voting grounds in this city—and especially on the court house yard, where the Fourth ward and township vote, and where the negro women had assembled in great numbers and were rampant all over the grounds throughout the entire day. Such disgraceful conduct, brazen impudence and violent threats have never before been experienced here. They would not permit the colored men to vote as they pleased, but demanded that they vote the Third party ticket of the county and the State and national Republican ticket, and wherever they found a colored man who was thought to be averse to voting the Third Party Radical annex county ticket they literally besieged him with violence—and one colored man who voted the Democratic county ticket, was set upon by a dozen or so these rampant colored women on his way home and beat unmercifully.

All this, they say, is due to the insidious work and midnight meetings and incendiary speeches of Major H. L. Grant, whose first appearance and occupation in Goldsboro was as a commander of a company of negro soldiers, that he lead against the white people of the South—and he is still at his old trade, only he has conscripted the negro women and enlisted them also in the service. He boldly usurped the Colored school building in this city Monday night, where, according to previous "word sent out," the colored women of the city and township assembled *en masse*, and were addressed by Maj. Grant, J. Frank Dobson, and Wasson, the colored mail agent; and in consequence, with Radical chairman J. Frank Dobson on the outskirts, the negro women were out at the polls yesterday and the colored vote was driven to the mongrel Third party ticket of this county, but the "unterrified Democracy" were equal to the emergency, and this county and this State is still assured of white supremacy and good government—and for the perpetuation of such the white people of this section are more determined than ever to stand together. They are determined that no inferior race nor invading Radical office seekers nor depraved white supporters of local renown, shall dominate our people, reap with unrighteous hands the emoluments of our public offices of trust, retard our progress or dwarf our common interests.

This is a "government of the people, for the people and by the people"; but they are white people: that is what Democracy is—white supremacy. What we have written we have written as the righteous expression of an honest, high-toned, long patient, law-abiding people, who although goaded as they were yesterday, maintained their souls in patience, but who have, nevertheless, determined that if it has come to the survival of the fittest they will do the surviving.

DEMOCRACY TRIUMPHS

CLEVELAND AND STEVENSON ARE SURELY ELECTED.

NEW YORK AND ILLINOIS BOTH GO DEMOCRATIC.

WAYNE COUNTY.

We thought yesterday we would be able to give a tabulated vote of the county in this morning's issue, but owing to the slowness with which the returns came in yesterday and the exceeding number of township tax collectors, etc., it was impossible to get the vote tabulated and in type for our issue this morning.

Suffice it to say, that the entire Democratic county and Legislative ticket is elected by a safe majority.

Hon. B. F. Aycock, for the 9th Senatorial district, including Wayne, Duplin and Pender counties, is also elected. In fact, everything in the State has gone overwhelmingly Democratic.

STATE.

RALEIGH, Nov. 9.—The Congressional returns are now so far complete as to show positively that the Democrats have elected their Congressman, in all districts save the Fifth. There Williams, Democrat, has 400 majority with one county to hear from, which usually gives small Republican majority. The result will be very close with odds in Williams' favor. The Democrats will have three-fourths of the Legislature. Their State ticket gets 40,000 majority and their Judicial ticket over 60,000.

Indiana—20 precincts in Indiana give Harrison 64,707, Cleveland 58,724; same precincts in 1890 gave Trusler 54,124, Matthews 53,025; Republican gain of 10,395, Democratic gain of 5,399; net Republican gain of 4,996.

Virginia—A little more than two-thirds of State heard from gives Cleveland plurality of 28,100 with indications of an increase in complete returns of 45,000. Tyler, Democratic candidate for Congress in 2nd district has plurality of at least 6,000. Democrats claim that Epes will pull through with a majority of about 500; if so entire delegation will be Democratic.

Illinois—1,097 precincts give Alder 198,326, Fifer 178,244.

Des Moines, Iowa—The Leader, Democrat, says Iowa is Republican by small plurality. Congressmen saved.

Washington—70 precincts give Harrison 8,112, Cleveland 2,704, Weaver 1,683, McGaw 2,323, Snively 3,140.

The Republican vote in Pennsylvania receives a plurality of 74,680. The Congressional delegation will stand 18 Republicans and 10 Democrats; a gain of one for the Republicans.

Chicago—The latest returns do not abate in any way from decisive Democratic victory in the State of Illinois on national and State tickets. Conservative men of all parties now generally agree that the Democratic plurality in Illinois will be about 10,000.

Cleveland's plurality in Delaware is 5,600.

California—670 precincts out of 1,924 outside of San Francisco, give Harrison 38,307, Cleveland 34,758, Weaver 7,909.

Advices from Wheeling, W. Va.,

state that it is claimed at Democratic headquarters that they have elected their entire State ticket and that Cleveland's plurality will reach five thousand.

Washington—116 out of 755 precincts gives Harrison 5,431, Cleveland 4,736; Weaver 3,024. Oregon—252 out of 645 gives Harrison 23,127, Cleveland 8,708, Weaver 18,368.

THE STATE DEMOCRATIC PRESS.

Wilmington Star.

We wish to say this emphatically. We never saw as efficient work done in North Carolina by the State Press as during this campaign. We have actively engaged in the last six Presidential campaigns, and in all the State campaigns since the war with the exception of 1868, when we were out of the State and residing in Memphis, we have never seen such efficiency, such earnestness, such hearty unanimity. The Democratic editors have certainly rendered most deserving, timely, admirable service. It was the State Press—or part of it—that kept the Democratic fires going after June 1890. But for them the unprincipled, reckless, unwise leaders and betrayers of the Farmers' Alliance would have done a great deal more harm than they did. All honor to the faithful, watchful, true North Carolina Democratic Press.

"They were made to teach, to lead and to bless. Those invincible brothers, the Pen and the Press".

The speakers have done their work well and the lovers of the State and the friends of sound and safe Government appreciate their remarkable services. But they rest now until another campaign begins, two or four years hence. In the meantime, all through the coming months, from year's end to year's end, the faithful, untiring, ceaseless Press will be guarding the interest of the people, and keeping an eternal watch over the doings of demagogues, discussing public measures, urging sound principles, defending the States, denouncing wrong and rascality, and keeping the politicians straight. An enlightened Press are the conservators of liberty, the guardians of the true interests of the people, the teachers of principles that alone can give permanency to free institutions and protection to the citizens in life, liberty and property. They are the advocates of all that is pure in morals, good in statesmanship, safe and wise in economical science. They are a beacon to guide and warn off hidden rocks and dangerous shores. Long live an enlightened, free, pure Press that stand firmly by the right and are on the right side of all moral questions.

Cleveland Votes.

NEW YORK, Nov. 8.—Ex-President Cleveland left his house at 10.25 a. m., and walked to the polling place, accompanied by his butler, Wm. P. Sinclair, and James F. Parker. It was 10.30 when they reached the polling place, No. 76 Sixth avenue. There were twenty-five men in line when the ex-President arrived. They recognized him, and raising their hats, bowed. When Cleveland stepped up to the polls clerk and gave his name, a Republican heeler challenged his vote, but was quickly hustled out of the way. Mr. Cleveland received a bunch of ballots, marked No. 186, and went into the fifth booth to select his tickets. It took him just six minutes to prepare his tickets. They were in proper order, and as soon as they were deposited in their respective boxes the ex-President went home.
