

GOLDSBORO, N. C., THURSDAY, JUNE 15, 1893.

VOL. XVI.

The Treaty With Russia.

The publication of the complete text of the extradiction treaty with text of the extradiction treaty with Ru-sia leaves the disinterested the church, but he believes in the Dr. Tolman received B. A. from reader more than ever at a loss to understand the howl that Mr. Kennan and his Russophobiac triends have stirred up against it. To begin with, a treaty is only a promise to do certain things if they appear to be the right things to do in any given case, and no exwhose authority he appeals. tradition treaty could bind this country to surrender a fugative who ought not to be surrendered.

But the treaty goes beyond the general principle and expressly church is to him not a voluntary aware of the fact." only be made "npon such evidence association, but a devine institution provides that the surrender shall of criminality as, according to the laws of the place where the fugis into which he has been born is South. They are members of the And then go unrewarded, an, my friends found, would justity his or her ap-he is to stay in it and work to described as "deeply religious and What heights he might climed up prehension and commitment for bring it to a sense of its own mis- active in good works of all sorts," trial if the crime or offense had been there committed." If we surrender any one, under these hard for Dr. Briggs to do this. conditions, who ought not to be surrendered, it will be our fault, not Russia's.

Looking down the list of crimes fountains of divine authority" for which extradition is provided, touches the root of the matter. The place vacated by Dr. E Alexander. we find none that seems likely to differences about Biblical interpreinterest one side more than the tation are incidental; the differother unless it be the fabrication ence in the point of view is funs of "stamps and marks of public damental and radical.-Philt. administration," which is supposed Times. to include counterfeiting passports,
