ON TO NICARAGUA.

Congress should heed the appeal of Senator Morgan, who voices the on Hay street. desire of the commercial and industrial classes throughout the United States, for Government control of the Nicaragua canal and the hastening of its completion.

President Cleveland and ex-President Harrison have both arged its necessity for the tuture welfare of the nation; longer delay is dangerous; millions of men are out of speedily come to an end, for it is canal means employment for this charges worthy of note have been great army of possible future anarchists, if longer denied honorable ported favorably next week.

Congress should act at once and remove the barrier which keeps apart the waters of the Atlanti and Pacific.

Tom Reed said Saturday that Jere Simpson was "Very near Democrat." May the work of grace be completed at this session and the sockless statesman stand aflat footed on the next National Democratic platform,

The Cigarette Vice.

The use of cigarettes is not merely the use of tobacco, it is a vice by itself. In reformatories where the cure of the opium, alco-hol and cigarette habit is a busi. ness, cigarette patients are not res stricted from smoking cigars or pipes, which are regarded as com-paratively harmless. The cigarette works a special evil of its own which tobacco in other forms does not effect. This evil result may be due to drugs, or to the fact that the smoke of cigarettes is almost always inhaled into the lungs, while eigar smoke is not. As to that, let the experts decide; about the fact of the effect there is no doubt, and no dearth of evidence. No other form of tobacco eats into the will as cigarettes do. The adult Glosing Out! man can carry off a good deal of poison of one kind or another without disaster, and his duties

being fixed and his will formed, he s usually able to make his minor vices subservient to his more important obligations. WHEN IT LOOKS DARK | HOME FACTS WHICH CANNOT BE QUESTIONED.

I have used Mrs. Joe Person's Remedy for a cancer on the chin, ips and nose. It had eaten the flesh from my chin vntil the bone was exposed. It had eaten entirely through my nose and was making rapid progress on my lips and gums. There were several teeth were eaten bare. When I was in this condition in Oct. '91, and had been given up by the doctors, who pronounced it cancer, I heard or Mrs. Joe Person's Remedy through a friend, Mrs Rodwell, and secured dozen bottles of the Bittersand dozen Wash packages, and com-menced its use. In about three weeks there was a marked improvement, all offensive odor had disappeared and flesh had commenced to grow on the exposed places, and in three months my chin and lip were entirely well and looked as natural as before. My nose is not entirely well, but does not give me pny pain. Am sure I would now be entirely well had I been able to arocure the medicine as I needed

In all I have taken 33 bottles of the Remedy and 18 packages of the Wash and am confident that ½ dozen more bottles will effect permanent cure I had been subject to Rheumatism all of my life. but since taking this medicine have been entirely cured of it After I commenced the use of the Remedy, I was able to rest well ta night-and was free from all pain. Before that time I coa d not sleep at all and had to walk the floor in agony, unable to rest or sleep. I do not think there is any medicine in the world to compare with it, and advise all sufferers to use it.

Mrs. VICTOR'A RIVERS Ridgeway, N. C., April 11th, 1893 The bove statement is an exact description of M18. Rivers' condition and remarkable cure by the use of Mrs, Joe Person's Remedy I was an eyewitness or her enffering before she commenced the use of the Remedy, and of her cure as certified to by her.

Castoria is truly a marvellous thin forg hldren. Doctors prescribe it, medical ournals recommend it and more than a million mothers are using it in place of Paregorie, Bateman's drops, so-called Paregorie, Bateman's drops, so-called soothing syrups and other narcotic and stupefying remedies. Castoria is a quickest thing to regulate the stomac and bowels and give healthy sleep the world has ever seen. It is pleasant to the taste and absolutely harmless. It relieves constipation, quiets pain, cures diarrhea and wind colic, allays feverishness, destroys worms, and prevents convulsions, oothes the child and gives it refreshing and natural sleep. Castoria is the children's panacea—the mother's friend.

Castoria is put up in one-size bottles only. It is not sold in bulk, Don't allow any one to sell you anything else on the plea or promise that it is "just as good" and "will answer every purpose, that you get C-A-S-T-O-R-I-A.
