-PUBLISHED BY-

JOS. E. ROBINSON EDITOR AND PROPRIETOR.

THE ARGUS seeks to be a reliable aper for the people and the family—bemocratic and fearing to discuss no issues wherein the people's rights are at stake. Progressive, abreast of the age, we shall always endeavor to keep our editorial and local columns up to the day and hour.

Entered at the Post Office at Golds boro, N. C., as Second-Class Matter.

GOLDSBORO, N. C., MAY 2, 1894.

THE TARIFF IN THE SENATE.

As the Philadelphia Times says, bluff by proposing an immediate lay six inches deep. It was in bances are feared. compelled to skulk away from good man, the head of a Roman disturbances on the anniversary, the first assurance the country held in the middle of the road not happen, the experience of Company, a corporation organhas had for months past that a dark object in the snow. the coming May-day may prove ized under the laws of the State Democratic unity is possible in the passage of a new tariff bill.

Not only was the Congress elected in 1890 overwhelmingly a Democratic Senate, was a renewed demand for tariff reform with an emphasis that none can disregard. With the Democrats for the first time in a generation possessing the Executive and both branches of Congress, and instructed with such distinctness in favor of the reduction of tariff Cawthlic Priest. But I'm a man and effectively at work among and the K'nney Tobacco Comduties, failure to enact a new tariff law would be a public con fession of the Democrats to ad minister the government in obedience to the popular will. There have been many points of divergence among even honest Democrats on the tariff, and less reputable considerations have entered into the contest in the Senate, but it seems now reasonably certain that a tariff bill will be passed by that body, and that receive the approval of the Pres-

It is possible that even this reform may have within itself the seeds of destruction in the odious income tax. If statesmanship Senate that feature of the tariff of their sisters. Each, her hair in touch with Anarchism, and nobill would be eliminated, not only because it is wholly unjust to tax seventy thousand people for the sery, and bids woman repair ago, and which were controlled benefit of seventy millions, but thither. But the difference is that without resourse to very harsh because it cannot stand as the policy of our government and its overthrow must greatly endanger the tariff policy with which it is Heavenly Twins" bids her eduenacted. This is now the grave cate as a pleasant change. It peril to the permanency of tariff looks as though the next generareform, and if the Senate could tion would have to be playing in sociation of Greene county asonly rise to the stature of states after school, manship it would be speedily taken from the bill and thus give assusances of the distinguished Henry H. Best in the chair. tariff reform a fair test before consideration of downtrodden the country.

The Democrats of the Senate are in position that they cannot leader of the movement for the lor, Samuel C. Sugg and Joseph afford to lose a single vote of Saraggrandisement of Woman Turnage, was appointed by the their party on the final passage of the tariff bill; it is therefore reasonable that they should adjust it to command the united support of the party. Such a measure will doubtless contain of these are honestly supported by Senators who feel that ing at 77 Bailey street. The by Senators who feel that ing at 77 Bailey street. The of Confederate Veterans, being of the rollow of the senators who feel that ing at 77 Bailey street. The of Confederate Veterans, being of the rollow of th imperfections. Some they owe it to their constituents to battle for them, but when the committee of conference shall have revised the whole measure, Senators who could not vote for the bill without insisting upon the amendments they desired, will doubtless decide on the question of adopting the report of the committee of conference, to support the measure regardless of their special points of differ- from Rio de Janeiro, via tellectual endowments of the ence. The period for amendment will then have past, and Senators will be compelled to accept or reject the report. Thus we hope to see tariff reform accom plished with a reasonable degree of fairness and justice, and if that shall be done, no future administration Rifle Guards—Co. I, 18th of the leadership of one so eminegro discovered the animal and N. C. Regiment—during the first nently great and good; and as in gave it a whack with a shovel, shall be done, no future administration will ever dare to return

few at the cost of the many. The term most frequently applied to the mcmbers of Cexey's hated by them is 'hobo.' According to the Baltimore Sun, Carle Browne says it means an iconoclast-a man who feels that he has been wronged and wants to smash the whole machine. Mr. Coxey says it is a term inply to his men, but it was in use general is well under way.

BAD ECZEMA ON BABY

When Only 3 Weeks Old. Head an Body Covered. Doctors No Effect. Tries Cuticura.

Wonderful Change in 3 days. Cured in 5 Weeks. Now 15 Months Old With Perfect Skin.

The first I noticed that my baby had anything the matter with her was that whenever the nurse would change her she would cry. After the nurse left I noticed how very red she was. I spoke of it to the doctor, and he told me to use zine ointment, but it did not do her any good. In a short time Eczena broke out on her head, spread to her eyebrows, breast and back, but the doctor's rem-

them. Tam ghad to say your CERCRA REM-EDIES worked wonders with my baby. Three days after I commenced using them I saw a change. The doctor was surprised. I then told him what I was using. She was only three weeks old when Eczema broke out, and when she was eight weeks old she was entirely cured by CUTICURA. She is now afteen months old, and has a perfect skin, portrait inclosed. Every one asks what makes her skin so fair, and I tell them CUTICURA. Mrs. G. C. SHERICK, 624 Coaway St., Baltimore, Md.
