### AN OLD FRAUD.

Senator Stewart, of Nevada, is agua Canal. about the noisiest of the silver monometallists. He represents a State that has about 10,000 voters and has been losing population steadily for some years past. He holds his seat in the Senate absolutely by the grace of the Nevada silver mine owners and, of course, does whatever they want him to do.

Recently he wrote a letter to Ex-Congressman Hendrix, of Brooklyn, in which he denounces furiously all who oppose the free constructing that canal. He may States without regard to other nations or any conditions whatsoever. Senator Stewart dwells throw obstacles in the way of the upon the "crime of 1873" by construction of that grand highwhich the silver dollar was way of nations. The Democratic coins. If that was a crime responsibility for it. He was a member of the Senate in 1873 and the act referred to was passed without division.
