At 5 o'clock the Grand Lodge, in full regalia, and escorted by mounted marshals, assembled on the court house square; then came a squad of mounted police, and carriages bearing the orator and Grand Lodge officers, the Mayor and Board of Aldermen and other dignitaries, the drum corps and Battery A. of the Goldsboro Rifles, citizens in carriages and on foot.

Our esteemed townsman Mr. W. T. Dortch, who will don the paraphernalia of Grand Master of the State Grand Lodge at the close of this, the fifty-third annual session, declared the corner stone laid according to the rules

A great many of them do not know that this is absolutely unnecessary. Many a woman has been thrown into a dangerous state of nerwous excitement by the mere suggestion of such treatment. Many women lie to the doctor. That sounds hard, but it is undoubtedly true. They know that if they admit certain symptoms that the doctor will inevitably insist on an "examination." They do not give him all the focts in the the real cause and the real sickness is deeper and more dangerous. A derangement of the distinctly feminine organs will derange the whole body. The woman herself may not know exactly what is the matter with her, but whenever she is sick, there are two things she should look out for first. One is what is called "female weakness;" the other is constipation, for these two things frequently go together. Dr. Pierce's Favorite Prescription is designed for the cure of diseases and disorders of women, and it does cure them. It has been performing its healing mission for 30 years, and tens of thousands of women have been made happy by it. Dr. Pierce's Pleasant Pellets are for constipation, and contingent ills.
