Several of the leading merchants of Ply-mouth, who had cases of the fever in their families, who are personally known to me, used Darbys Prophylactic Fluid, to their entire satisfaction and have given the best of testimonials to that effect. It is a most effective preparation. It should be used in every house as a preventive from Ty-phoid Fever, or in any case where a dis-infectant is needed. I would recommend it to everyone, having had a good oppor-tunity to know its excellent qualities. G. H. PHYNDLE, Hospital Steward.
