Mr. J. W. Parker has rented Mr. N. J. Smith's place near Fremont where he expects soon to move with his family, we are sorry to give them up as they are highly appreciated by the whole community, may they do well where they are going.

To Cure Catarrh do not depend upon snuffs, inhalants or other local applications. Catarrh is a constitutional desease, and can be successfully treated only by means of a constitutional remedy like Hood's Sarsaparilla, which thoroughly purifies the blood and removes the scrofulous taints which cause catarrh. The great number of testimentals from those who have been cured of catarrh by Hood's Sarsaparilla prove the unequalled power of this medicine to conquer this disease. If troubled with Catarrh give Hood's Sarsaparilla a fair trial at once.
