Raleigh Post: Few people in North Carolina know that there is a large amount of unclaimed land possession of various tracts are granted almost daily by the Secretary of State. For the past two months the force in the Secs retary of State's office has been busy making grants of land. Most of the requests for grants of unclaimed land come from Western North Carolina in the mountain region. Only a few days since the Secretary of State issued a grant for a piece of property near the city of Asheville. Some fellow came along and discovered a sight finds its way into the Tressury on the river bank, which no one on to it. Yesterday the Secretary of State issued a grant for a piece of property in the town of Marion. The State gets 121 cents per acre One box of Tutt's Pills will save for tracts of 100 acres or less, many dollars in doctors' bills and 15 eents on lots of more than 100 acres. This money is given to the educational fund.
