#### Hobson's Prototype.

The young woman of St Louis who first kissed Hotson on his return to New York may never ment has included in the Russian have heard of similar greatings concession at Haukau property to Captain Joshua Barney of the belonging to British owners. The continental navy while visiting latter refused to hand over the France in 1782; but the case of land. Captain Barney furnished a precedent. Captain Barney was a great fighter at sea, almost as bold and successful as John Paul Jones. He was a gallant and a handsome man, an American by handsome man, an American by birth and training; and he went the Liver, Stomach, Bowels, Kidneys to France in 1785 in the ship General Monk, which he had captured from the British. He was received with every mark of favor at the court of Louis XVI, where Dr. Franklin was also a great favorite. Captain Barney was so profusely kissed by the worshipful ladies of the court, Cured me of indigestion and heart disbecause of his success against other remedies and doctors had failed. Great Britain, that some Ameria can wag made a song about him. Perhaps some of our elders may

grandfathers sing that song: Barney, let the gals alone, And let them quiet be. If any one can produce that old ther medicine that done me no good.

### Reductions in Cloaks.

A short statement to-day, but every word rings true and is borne out by sober judgment.

We have sold a big lot of Jackets and Capes this season and we have a lot left. The weather is decidedly cloaky and we have at least three months of our

We are going to take advantage of this and clean our stock. Our experience has taught us that a low enough price will sell anything. So when we offer excellent garments at the height of the season, it makes them doubly attractive. And that is what we have done—cut the prices way down, and not on a few old ones, but on every garment we own. If you want a IF THERE WERE BETTER, Coat or Cape this winter and leave our store without The Famous CARICOLE BLEND one, it will be because we can't fit you, for we are rather broken in sizes.
