And don't care to fight,"

shots among these Western regiments, and he undoubtedly must be one of them. We could stand their insults and taunts all right, but we sould stand no such treachery as that, and orders were then given to halt all natives hree times and to shoot to kill provided they didn't stop. This, to use the expression of one of the boys in our corps, "brought on the big show," and Saturday, February 4th, at about 9:45 p. m., the ball opened in dead earnest One of the Nebraska boys halted a native, who refused to stop, and fired on him, whereupon the native beat a retreat back to the block house, and backed by a company of natives returned again and poured a volley into them. This must have been the signal to begin the ttack, for from this the firing became general, and like a flash of gun powder extended from one end of the line to the other. I was on duty at Major General Anderson's when the fun started, having been sent there to relieve a an who wauted to get off for a few hours. No ooner had the firing started, however, than he ame running back to his post, when I grabbed my hat and ran as rapidly as I could back to find them gone, and no one there but the guard. Stopping just long enough to ask which way Capt, Russel's detachment was, I tarted out again to find him. When I struck the Escalta, the main business street of Manila found everything in confusion. Soldiers who had been out on pass were hurrying here and there to join their commands. Citizens were seeking places of shelter and safety, and panmonium reigned supreme. I never saw such Capt. Russel was out at the Montana outpost, ully four miles from our quarters, so in order ossible, I planted myself in the middle of the oad and determined to impress into service the first rig that came my way. I had not long o wait, in a minute a carriage swept toward shoved my revolver into the face of the driver and in a flash had bundled its two occupants ound Capt, Russel in a few minutes, reported and in a second was hard at work. The Montana outpost was driven back by a superior orce and had fallen back on the old cemetery when I reached there, but shortly after I arrived were reinforced by another company and were steadily regaining their lost position They regained it a few minutes later, and notwithstanding the fact they had cut our wires

n twenty different places, we soon fixed it and in a very few minutes had re-established mmunication with headquarters. I have often wondered when hearing you speak of the feel under fire. I have found out, and I think the man who goes in and comes out, for the first time, with breath enough left in his body in The Antipodes To Be The to tell of his experience, tells the biggest lie of Same Stuff That Has Wreathed his life when he sags the sensations he ex-Her With Giory on Alloccasions perienced were pleasant ones. BECOMING A MOTHER.

A Sure Way to Avoid Danger.

Every true woman wants to be a mother. A baby is the dream of her life the crowning glory of womanhood— true happiness can never be known without the blessings a child brings. Yet the ordeal through which all mothers must pass is so full of pair, anxiety and fear, that many a young life is sacrificed because of the inability to undergo the struggle of childbirth. It is not necessary to suffer in bring-

This remedy is praised by thousand pain and suffering which may be in store for her. The little book, "Before address upon application to the Brad-field Regulator Co., Atlanta, Georgia.

in the last war, and I judged, and judged cor rectly, that she would do as much in this or when it came to a pinch. All of our office deserve great credit, for the part they took i the battle, they showed themselves brave ar ompetent men; and having the confidence an respect of the men, could and did lead them to a well earned success. About six o'clock at Captain of the Ports office, and I was order to go there, ask for help and repair it. Wh mand, when the Captain of the Port, Lieu I delivered it safely and had an idea that n day's work was done, and was congratulating myself on coming safely out of the battle an preparing for a snooze, when Capt. Lawre called me, told me to saddle a fresh horse, report to him immediately. I did so, who was handed a large signal lantern and told to carry it to the Kansas outpost, where the had neglected to send one. Can't say that liked it much, but orders are orders, so I to it and started out. The lantern was a ve heavy one weighing at least seventysounds. I had nothing to strap it on with, a nad so carry it in my haud for fear of breaki it. This was a very hard job, but I managed O. K. by resting one end of it on my stirrus and holding with my right hand, while rie ing with my left. I made the first two mi all right, and feared nothing while got ny thoughts were anything else but gay, I can Darrell, Goe, Cary Eggleston tell you. Went the first three or four hundred Edward M, Grout, Dr. W.J O' cheerful, when "ping, ping!" a Mauser car a quandary and didn't know what to do Be shots came in rapid succession, one of then if the devil himself were after me I got th By the way, the Adjutant of the Tennessee You will find Leonidas Polk, Jr. a nephew of The Colonel of the Tennessee's never lived long to enjoy the fruits of his victory, but like was in the first three days fight, but since in Brig. General Otis's headquarters as operator. We are having a fight every day, though have been very small when cumpared to the Filipinos have lost no less than four thousand killed and I don't know how many wounder and proved to be a first cousin of his. His name Remedy, and as a result we never have the Fourteenth Infantry. Among the notables large doctor bill, for Chamberlain's have forgotten his name. I could go ahead and tell you of the horrible sights I have seen shall desist. I shall tell you of one, and one Olive N. C. only to show you what class of people we are fighting. They are veritable flends, as the folowing will show. Dr. Young, a grandson of Brigham Young, with the rank of first Lieuenant of the Utah Light Artillery, started for his throat, and cut his heart out, Horrible? Yes, but nevertheless true, as several members of the hospital corps will tell you. Well, he has been well avenged, and I think it will be a long time before they get a chance to do another one of our men that way, I couldn't tell you of all the sights I have seen or what has been done in the last few days, if I were to wrife for a week. Some time, wheu I come home again, I wil tell you all about it, Am tired and worn out, so will turn in and try and get a good rest. I understand we are to "hit" them again to .morrow, will write you preticulars if we do, Goodnight and pleasact dreams. With lots of love for you all, I am Your affectionate son.
