GOLDSBORO N. C. OCT. 1901

TRAGEDY IN WILSON.

One Man Shoots Another and Then Attempts His own Life.

As a result of a hasty quarrel between two men in Wilson Saturday one man is dead and another is seriously wounded. Only a meagre account of the distressing tragedy has been received here, but enough has been learned to know that George Gay, who clerked for Wade Aycock in a barroom, shot and instantly killed his employer and then turned and pointed the smoking barrel of the pistol at his own heart. In the latter instance he missed his aim and it is thought that he may recover from his wound, but the object of his anger now lies in the cold embrace of death.

Wade Aycock is known here in Goldsboro. He is about 30 years of age and is unmarried. His father Mr. Jacob Aycock, living near Fremont, where the young man lived for several years before going to Wilson to sell whiskey.

Further investigation of the case may reveal a more serious motive for the killing than the exchange of a few passionate words.

Beware of Ointments for Catarrh that Contain Mercury.

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

It Saved Her Life.

Gooch's Mexican Syrup has accomplished a cure in this neighborhood which has astonished the people. Miss Davis was given up to die by her attending physician. She had hung over the doctor said she would die before morning, and advised to discontinue his medicine, as it was doing her no good. Her parents had a bottle of Gooch's Mexican Syrup and Gooch's Quick Relief in the house. They at once began to give the Syrup in doses one hour apart, and frequently bathed her chest with the Quick Relief. Before morning she was better, and after using a few bottles of each, she is almost as well as ever. It was almost like raising the dead, and has established the reputation of Gooch's Mexican Syrup here as a cough remedy; we can sell nothing else. J. & N. SANDS, Tremble, Athens Co. O.

FOR MOTHERS.

The period immediately following child-birth is fraught with many dangers. The strength has been used in the painful ordeal through which the mother has passed and she finds herself helpless and weakened. Many mothers, like Mrs. Ford, date the beginning of their illness from the birth of their child. Indeed the frequent spectacle of a healthy young woman becoming a chronic invalid after motherhood is one of the tragedies of life. All this is unnecessary, when Wine of Cardui is obtainable. It rehabilitates the shattered nervous system, strengthens the organs and ligaments, and re-establishes a healthy, natural condition, saving years of chronic sickness and suffering. Wine of Cardui taken just before confinement will render the ordeal comparatively painless. It will re-entire and strengthen the organs for their work. For every trying crisis in a woman's life, Wine of Cardui is the medicine to take. Ask your druggist for Wine of Cardui and take no substitute. If one is offered send \$1.00 for a bottle to the Chattanooga Medicine Company, Chattanooga, Tenn.

WINE OF CARDUI

Clarkson, Ark., July 24, 1899.
 After my baby was born I took the whites and falling of the womb, and was in a very dangerous condition. I read one of your home treatment books, and commenced to treat myself with Wine of Cardui and Black-Draught. I am thankful for what the medicine did for me, and I am now in better health than I have been for a long time.
