MOZLEY'S LEMON ELIXIR.

Regulates the Liver, Stomach, Bowels and Kidneys.

For biliousness, constipation and malaria. For indigestion, sick and nervous headache. For sleeplessness, nervousness and heart failure. For fever, chills, debility and kidney diseases, take Lemon Elixir.

Ladies, for natural and thorough organic regulation, take Lemon Elixir. 50c and \$1 bottles at druggists.

Prepared only by Dr. H. Mozley, Atlanta, Ga.

A Prominent Minister Writes:
After ten years of great suffering from indigestion, with great nervous prostration, biliousness, disordered kidneys and constipation, I have been cured by Dr. Mozley's Lemon Elixir, and am now a well man.

REV. C. C. DAVIS,
Eld. M. E. Church South,
No. 25 Tenth St., Atlanta, Ga.

A Prominent Memphian Writes:
Dr. H. MOZLEY, Atlanta.—Having been a great sufferer for three years from indigestion, and been treated by many physicians, who failed to give me any relief, continuing to grow worse my brother advised me to try Dr. Mozley's Lemon Elixir, which remedy he had used for several years. I commenced its use, and must say that your Lemon Elixir is the greatest medicine on earth. I have never suffered a day since I commenced using Lemon Elixir.

R. L. ROCCO,
206 Hernandez St., Memphis, Tenn.
A Card.

This is to certify that I used Dr. Mozley's Lemon Elixir for neuralgia of the head and eyes with the most marked benefit to my general health. I would gladly have paid \$500 for the relief it has given me at a cost of two or three dollars.

H. A. BEALL,
Clerk Superior Court Randolph Co, Ga.

TRY IT

Women suffering from female troubles and weakness, and from irregular or painful menses, ought not to lose hope if doctors cannot help them. Physicians are so busy with other diseases that they do not understand fully the peculiar ailments and the delicate organism of woman. What the sufferer ought to do is to give a fair trial to

BRADFIELD'S Female Regulator

which is the true cure provided by Nature for all female troubles. It is the formula of a physician of the highest standing, who devoted his whole life to the study of the distinct ailments peculiar to our mothers, wives and daughters. It is made of soothing, healing, strengthening herbs and vegetables, which have been provided by a kindly Nature to cure irregularity in the menses, Leucorrhoea, Falling of the Womb, Nervousness, Headache and Backache. In fairness to herself and to Bradfield's Female Regulator, every suffering woman ought to give it a trial. A large \$1 bottle will do a wonderful amount of good. Sold by druggists.

Notice to Owners of Dogs.

I desire to inform the public that dogs have for sometime past been killing chickens and turkeys on my farm, near the northern suburbs of the city. My land is posted, and I intend to prosecute all deprivations committed on said land, and dispose of all dogs caught prowling around the place, by shooting or otherwise, and to this end have instructed my overseer and tenants to use measures accordingly, for which I assume all responsibility.

BIG SUM FOR THE NAVY

Congress to Be Asked For Nearly One Hundred Millions.

HOW AND WHERE IT WILL GO.

Twenty Millions Wanted For Work at Navy Yards, Including Porto Rico and the Philippines—About the Same Amount For Increasing Navy Equipment.

The secretary of the navy, in his annual statement of estimates to be submitted to congress, asks for an appropriation of \$98,910,864 for the navy during the next fiscal year. Of this sum over \$20,000,000 is estimated for public works at navy yards and naval stations, including those in Porto Rico and the Philippines. It also includes an estimate for the increase of the navy amounting to \$23,703,010, of which \$17,903,010 is for construction and machinery, \$6,000,000 for armament and \$400,000 for equipment. The estimate for armor and armament is \$2,000,000 larger than the estimate of last year for the same purpose.

The estimates for public works include a number of large sums for work in the Philippines. In his annual report Secretary Long will call attention to the necessity for complete navy yards at Cavite and Olongapo, with every provision for the docking of American ships there, so that the navy will not be compelled to depend upon the docking facilities at Hongkong. His estimates include an item of \$12,300 for a naval station at Guam, \$381,000 for a naval station at Cavite and \$1,443,000 for a naval station at Olongapo. An increase of \$108,000 is asked for the new naval station at Tutuila. The largest single item for the naval station at Cavite calls for \$200,000 for a refrigerating plant. It is also proposed to expend \$90,000 for a power plant for yards and docks at that place, \$25,000 for a power house and \$23,000 for a shop and foundry. It is estimated that a quay wall at Olongapo will cost \$838,000, of which sum Secretary Long asks for \$120,000 for use during the next year.

The estimates for Olongapo provide for a complete navy yard, with machine shops, foundry, storerooms, boiler shops, barracks and quarters. It is estimated that the cost of dredging and filling at this station will be \$2,878,000, but only \$150,000 of this is asked for at this time. An estimate is also submitted of \$2,618,000 for the naval station at San Juan, Porto Rico, being an increase over the estimate of last year of \$2,573,000. The largest items in this estimate are \$1,000,000 for a masonry drydock, \$500,000 for the purchase of additional land and \$250,000 for dredging. It is also proposed to spend large sums in the construction of ordnance and equipment shops, building of a fireproof pier, a power house and barracks and officers' quarters. The total estimates show an increase over those of last year amounting to \$51,145,534.

The bureau of ordnance submits an estimate of \$500,000 for the purchase of ships for the navy. The bureau of equipment asks for \$2,000,000 for the equipment of vessels and \$2,500,000 for coal equipment, each of these items being an increase over the estimates of last year of \$500,000.

The bureau of navigation asks for \$1,500,000 for the Naval academy, a decrease of 50 per cent over the appropriation of last year. For the naval training station at Fort Royal \$159,750 is asked, \$31,500 for the naval training station on the Pacific coast, \$114,250 for the naval training station at Newport and \$60,000 for the Naval War college.

The bureau of ordnance submits an estimate of \$500,000 for a new naval magazine near Boston, \$400,000 for the same purpose at Portsmouth, N. H.; \$80,000 for improvements at the naval magazine, Mare Island, California, and \$400,000 for a naval magazine and equipment at Puget sound, these figures including sites. The bureau asks for \$49,500 for improvements at the magazine, Iona Island, New York; \$93,800 for improvements at Dover, N. J.; \$32,000 for a sea wall at Goat Island, Newport, R. I., and \$35,000 for improvements to a magazine, Fort Lafayette, New York.

Trial Costing \$250 Over Nine Eggs.

The legal talent of Caroline county, Md., has been engaged during the past week in the trial of a seventy-three-year-old man for the larceny of nine eggs. The lawyer for the defense asked each witness if the eggs were good and all about them. He argued that if the eggs were rotten they had no value at all and as no one knew whether they were good or bad the jury acquitted the accused. The trial cost the county \$250.

Cow Slipped With Moose.

The strange story of the elopement of an ordinary milk cow with a bull moose comes from Lake Onawa, in Piscataquis county, Me. A big moose had been seen several times around the fence where the cow was confined. One night a tremendous crash was heard and next morning the fence was a wreck and the cow gone. Neither she nor the moose has been seen since.

Curfew Law Revived.

The borough council at Plymouth, Pa., has passed an ordinance making a curfew law, providing that all children up to the age of sixteen shall be in their homes by 9 o'clock at night, when the fire gong shall sound nine times. All children up to the age of eighteen shall be in their homes by 10 o'clock unless accompanied on the streets by their parents.

Kodol

Digests what you Eat

Dyspepsia Cure

You might as well put fuel under a boiler without burning it and expect the engine to run, as to eat food and not digest it and expect to keep up nourishment for your body. You must have nourishment to live and when you cannot digest your food, KODOL DYSPEPSIA CURE will do it for you, with no aid whatever from the stomach. It contains exactly the same elements as Nature's digestive fluids and can't help but produce the same results.—David Taylor, Blind Ridge, Pa., writes:—“I have been afflicted for a number of years with dyspepsia and have tried various remedies without good results but was cured by one bottle of KODOL DYSPEPSIA CURE. I cannot say too much in its favor.”

It can't help but do you good

Prepared by E. O. DeWitt & Co., Chicago. The \$1 bottle contains 2 1/2 times the 50c size. When you need a soothing and healing application for piles, sores and skin disease, use DeWitt's Witch Hazel SALVE. Beware of counterfeits.
