REFORMERS FOR REVENUE.

The Citizens' Union of New York, to whom more than any other agency, the election of Seth Low as Mayor is due, is in trouble. The leaders of the Union, the men who gave it strength and influence and made success possible were patriotic gentlemen who sought no other reward than the consciousness of having contributed to overthrow a regime which was making the name of New York a hissing and a by-word.

When success for the Union campaign became assured there flocked to its standard the booty hunting warriors of politics, those valiant camp followers who hold aloof until the tide of battle has turned and then rush forward proclaiming in loud voices that the victory is of their own achievement.

It is this class that now demand patronage of Mayor Low and lay stress upon the obligation that official is under to them, displaying the same arrogance and impudence which in part made Tammany so distasteful to the decent citizenship. It will take vigorous action on the part of the leaders of the Citizens' Union to prevent these patriotic patriots from bringing reproach upon a movement which was inspired by pure motives and would have been crowned with success without the aid of these reformers for revenue only.

An Evangelist's Story.

"I suffered for years with a bronchial or lung trouble and tried various remedies but did not obtain permanent relief until I commenced using One Minute Cough Cure," writes Rev. J. James Kirkman, evangelist of Belle River, Ill. "I have no hesitation in recommending it to all sufferers from maladies of this kind." One Minute Cough Cure affords immediate relief for coughs, colds and all kinds of throat and lung troubles. For croup it is unequalled. Absolutely safe. Very pleasant to take, never fails and is really a favorite with the children. They like it. J. H. Hill & Son.

The miners' strike is now on the "boom."

Health and Beauty.

A poor complexion is usually the result of a torpid liver or irregular action of the bowels. Unless nature's refuse is carried off it will surely cause impure blood, Pimples, boils and other eruptions follow. This is nature's method of throwing off the poisons which the bowels failed to remove. Dr. Witt's Little Early Risers are world famous for remedying this condition. They stimulate the liver and promote regular and healthy action of the bowels but never cause griping, cramps or distress. Safe pills. J. H. Hill & Son.

Now I am cured and recommend it to all." Digests your food. Cures all stomach troubles. J. H. Hill & Son.

An Up-To-Date System of Water Works.

To parties living out of the city where they do not have the advantage of city water works and wishing a good substantial and cheap system we would advise them to talk the matter over with the John Slaughter Co. Mr. Slaughter has just put in a pneumatic tank system for Mr. T. B. Pierce, at Warsaw, N. C. and the following letter received by him this morning speaks for itself:

JOHN SLAUGHTER, Esq., Goldsboro, N. C., Warsaw, N. C., Dec. 16.
Dear Sir:—Everything about the plumbing job works O. K. The entire water system is just perfect and cannot be beat—gives no trouble at all, and not very hard to pump; 5 lbs pressure does the work and 10 lbs will raise water 20 ft high. When I first filled the tank, about two weeks ago, after putting in about 100 gallons of water, I pumped in an air pressure of 5 pounds which consumed time of one hand about an hour only; but, much to my astonishment, I have never had to renew this power; the compressed air seems to retain its elasticity, I keep the tank only one-third to one-half full, which gives a pressure of 5 to 10 lbs. Every morning I have 10 to 200 gallons pumped in, which is a small job, about half hour, and the water next morning, the compressed air would force every gallon out of the tank. If I had your business I would put 1,000 of them in this state alone under a guarantee of giving perfect satisfaction.
Yours truly,
THOS. B. PEIRCE.
