NO 122

CAPTURED AND JAILED.

Will Johnson Was Tracked to His Place of Hiding.

The negro who did the shooting on the yard of the Enterprise Lumber Company Friday and wounded Will Arrington, and who made for the woods as soon as he had done the deed, was captured in a negro shanty across Neuse River on the Buckhorn plantation Friday afternoon. His name is Will Johnson. He crossed Neuse river in a canoe belonging to Ivey Jones, who was setting some fish nets at the time. Four policemen with the sheriff and a deputy and Mr. Jesse Causey were soon on the negro's trail, and he was tracked to his place of hiding. He refused to open the door, which was forced open. He had the gun with which he did the shooting, but made no attempt to use it. He was brought to the city and placed in the guard house to await the preliminary hearing before Mayor Hood.

An amusing feature of the capture, and one that shows that the negroes, as a rule, will shield one of their race from the officers even when an attempt has been made to kill another of their race, was the tale told by the negro woman to Mr. Causey, who was the first to reach the scene. The woman at first hesitated and then said that a negro man had been there with a shotgun, but he had gone down toward the river. While some of the crowd were hunting in the river woods the balance came upon the shanty. The woman had gone off and left two little girls in the yard and the doors of the house were locked. When the officers came up one of them asked the little girls if they had seen a negro man with a gun, and the oldest girl said yes, and told the tale that the woman had told just a few minutes before, saying "he had gone down to the woods," whereupon the younger girl said: "No he ain't; he's in de house under de bed."

"W. S. O'B." AND MOTHER.

Rev. A. R. Morgan Writes of a Sunday Incident That He Witnessed in This City With Judge Robinson and His Mother.

Fremont Rural-Visitor.

Last Sunday was a very beautiful day. On the streets of Goldsboro we saw one of our Superior Court Judges rolling his aged invalid mother carefully along in an invalid's chair. It matters not what a man's politics may be nor how many enemies he may have provoked by thinking as he pleases, the man who can thus minister to the comfort and pleasure of his mother has a heart in him. He may not be as well prepared to begin court Monday morning as the judge who "reads up" all day Sunday, but in a matter of right and wrong I would prefer the sympathetic judge.

MEMORIAL ORATOR.

The ladies of the Confederate Memorial Association of this city, ever active and patriotic in keeping alive in the hearts of the people respect and reverence for the Heroes of the Gray who fell fighting for a cause that was right, though lost, have secured the consent of Hon. B. F. Grady, who has recently become a citizen of Clinton, to be the orator at Goldsboro's next observance of Confederate Memorial Day, May 10.

The selection of Mr. Grady is a most excellent one. An old Confederate hero himself, he has the experience of that ordeal to enthuse him, the ability to meet every expectation and the eloquence to paint in glowing reality the thrilling scenes of war and Southern heroism—the like of which the world had never seen, nor will ever see again.

Miss Lizzie Kennedy is visiting her sister Mrs. Chas. Peterson, to the delight of her many friends.

Prof. Logan D. Howell, of New York, and mother Mrs. E. P. Howell, from your city, spent Sunday afternoon at "Oak Glenn", where we were glad to see them.

On finding an egg while a hen was being dressed for dinner our youngest numerous offspring could not understand how the hen managed to swallow the egg without breaking it.

It was no fault of ours that there was no Walter letter last week. It was mailed in ample time and the Post Office Department is responsible for its taking it two days and a half to reach your city.

Misses Nancy and Delia Sherrard, from the Salem section, attended church here Sunday, and were guests at "Oak Glenn", where their graces of charm and manner added much pleasure.

The announcement of the marriage of Mr. Winston Wells and Miss Hettie Smith to take place April 9 at Ebenezer at 7:30 p. m., was made last Sunday. They have many friends who wish them much happiness.

We have a never failing remedy for keeping chickens out of the garden. It is given for the benefit of those who are annoyed by having them scratching up everything on the premises but the well. That is to cut off their tails right close behind the ears. Or if your wife is a good marksman get her to throw a rock at them. Either works well at our house, and we are not as much annoyed at present as we have been.

We learn that an enterprising woman, who was noted for her economy mixed saw-dust with the meal she fed her chickens, and found that they were equally as thrifty. Sometime after she set a hen and in the regular course of time she hatched eleven wooden-legged chickens and one sap-sucker. For further particulars we refer you to our good friend and neighbor Mr. Jno. E. Smith, who will no doubt, take pleasure in giving full particulars.

As a general thing when a woman throws a rock the object aimed at is not in half as much danger as anything else within range. But not so with our better half, as an evidence of which there is one less hen to scratch our garden. In getting the chickens out of the garden she threw a small rock at a fine hen and striking her on the head, killed her instantly. We had a fine stew, and Mrs. K— said she would not have hated it so bad had not the hen been laying 20 cent eggs.

The latest enterprise in our community is the mill which is now being placed just west of "Oak Glenn." Mr. H. D. Wells, a practical machinist of thirty years' experience, will have charge of it, and will manufacture lumber at prices as reasonable as possible, and also gin cotton with an up-to-date outfit during the cotton season. If nothing prevents, it will be ready for operation by April 1st, and those wanting lumber may get their timber ready, as "first come, first served."

The death of Mrs. Jennie Crocker, the estimable wife of our good friend Mr. Joe Crocker, occurred at their

home yesterday morning after a long illness with bright's disease. She was one of the best women we ever knew, and her death has cast a gloom over the entire community. She possessed all the traits which go to make up a good woman, and her bright, sunny disposition carried pleasure to many homes of sickness and sorrow especially. She will be greatly missed. To the bereaved husband and children we extend our tenderest sympathy.

DANIELS-GRIFFIN.

A Happy Home Marriage Quietly Solemnized Last Night.

At the home of the bride's parents Mr. and Mrs. C. F. Griffin, in this city last night at 8 o'clock, in the presence of the immediate family and a small circle of the fair young bride's immediate friends, Mr. Claude H. Daniels, of Pamlico, a popular young traveling man, and Miss Sadie M. Griffin, were united in the holy bonds of wedlock, Rev. M. Bradshaw, pastor of St. Paul M. E. church officiating.

Immediately after the ceremony the happy couple took the north-bound train for New York, where the groom has accepted a permanent position with his two uncles who are engaged in business in the Empire City, and where they will make their home.

MR. H. J. SAULS DEAD.

He Passed Away Last Night at His Home in Eureka.

A telephone message to his son-in-law Mr. I. F. Ormond, this morning from Eureka, brought the sad news of the death of Mr. H. J. Sauls at his home in that town last night. He was one of the best known citizens of the county, having been born and raised on the same plantation on which he died. He was 66 years old and was a consistent member of the Methodist church. His wife, the mother of eight children, who survive him, preceded him to the spirit land some two years ago. Paschall, of Black Creek; Mrs. Mary Earle, of Wilson; Mr. F. E. Sauls, Miss Susie Sauls, Mr. Lawrence Sauls and Mrs. Minnie Yelverton. The funeral will be held from the home to-morrow afternoon and the interment will be made in the old family burying ground.

SICK MADE WELL WEAK MADE STRONG.

Marvelous Elixir of Life Discovered by Famous Doctor-Scientist That Cures Every Known Ailment.

Wonderful Cures Are Effected That Seem Like Miracles Performed—The Secret of Long Life of Olden Times Revived.

The Remedy is Free to All Who Send Name and Address.

After years of patient study and delving into the dusty records of the past, as well as following modern experiments in the realm of medical science, Dr. James W. Kidd, 2855 BALTIMORE BUILDING, Port Wayne, Ind., makes the startling announcement that he has surely discovered the

DR. JAMES WILLIAM KIDD. Elixir of Life. That he is able with the aid of a mysterious compound, known only to himself, produced as a result of the years he has spent in searching for this precious life-giving tonic, to cure any and every disease that is known to the human body. There is no doubt of the doctor's earnestness in making his claim and the remarkable cure that he is daily effecting seems to bear him out very strongly. His theory which he advances is one of reason and based on the experience in a medical practice of many years. It costs nothing to try his remarkable "Elixir of Life" as he calls it, for he sends it free, to anyone who is a sufferer, in sufficient quantities to convince of its ability to cure, so there is absolutely no risk to run. Some of the cures cited are very remarkable, and but for reliable witnesses would hardly be credited. The lame have thrown away crutches and walked about after two or three trials of the remedy. The sick, given up by home doctors, have been restored to their families and friends in perfect health. Rheumatism, neuralgia, stomach, heart, liver, kidney, blood and skin diseases and bladder troubles disappear as by magic. Head aches, backache, nervousness, fever, consumption, coughs, colds, asthma, catarrh, bronchitis and all affections of the throat, lungs and urinary organs are easily overcome in a space of time that is simply marvelous.

Partial paralysis, locomotor ataxia, dropsy, gout, scrofula and piles are quickly and permanently removed. It purifies the entire system, blood and tissues, restores normal nerve power, circulation and a state of perfect health is produced at once. To the doctor all systems are alike and equally affected by this great "Elixir of Life." Send for the remedy to-day. It is free to every sufferer. State what you want to be cured of and the sure remedy for it will be sent you free by return mail.
