

ANNOUNCEMENT EXTRAORDINARY.

The world's greatest minstrel triumph, A. G. Allen's Original New Orleans Minstrels, John H. Oakes, Geo. W. Quine and A. G. Allen, equal owners and managers in person. A real Southern minstrel show by real Southern darkies, presented under a mammoth canvas theatre, seating 2,000 people, being the first complete portable theatre ever erected in America. The one minstrel show in America whose artists are all natives of the Sunny South, carrying more people than any other three minstrel shows combined. Clever comedians, famous buck and wing dancers, artistic and comic cake walkers. A full score of novelty specialty artists, the largest chorus of sweet singers ever assembled with one company. Watch for the imposing street parade many blocks in length, which takes place at noon on day of performance—music furnished by the best colored minstrel band in America.

A. G. Allen is the originator of minstrelsy under canvas and is the first to reduce the price of admission to 15 and 25 cents, and owing to the large seating capacity of the tent he is enabled to do this without reducing the high standard of his performance. The company will appear here July 17th.

ALLEGED LYNCHER.

Salisbury Bar-Tender Arrested Last Night.

Salisbury, July 13. —The first arrest on the charge of participating in the lynching of the negro boys, Harrison and James Gillespie, the murderers of Miss Cornelia Benson, took place at 10 o'clock last night under a bench warrant issued by Judge Shaw for Tom Sparnell, a bar-tender of this city.

Sparnell is a married man and is 35 years of age. When arrested he offered to give bond, but Sheriff Julian necessarily refused to permit him to do so prior to his preliminary examination and he was accordingly committed to jail. The examination will be held by Judge Shaw at 9 o'clock in the morning, with Solicitor Hammer also present.

Fifteen subpoenas have been issued including two sent to Gold Hill, which was the home of the prisoner before his coming here several years ago.

Sparnell claims that he will be able to prove an unassailable alibi. Solicitor Hammer, however, in the course of the investigation of the lynching which he has conducted, as required by the act of 1893 for the punishment of lynchers, has already examined the witnesses who have been summoned and hence it may be assumed that he is in possession of evidence of a direct and positive character. Neither he nor Judge Shaw has yet arrived here, both being expected on the early morning trains.

MAY FIGHT DUEL.

War of Words Promises to be Followed by One in Which More Deadly Weapons Will be Brought Into Play.

Charleston, S. C., July 12.—At the campaign meeting of the six candidates for the United States Senate at St. George, Colleton county, today, there was a war of words which may lead to a duel between Congressman A. C. Latimer and ex-Governor John Gary Evans, two rival candidates. Mr. Latimer in his speech said that Mr. Evans once had been his friend. He was interrupted by Mr. Evans, who said that Latimer "betrayed me like a dog."

Latimer, in retaliation, brought up a story about an alleged \$15,000 bond deal, circulated during Mr. Evans' administration as Governor. Mr. Evans said in reply:

"I denounce the man who repeats that rumor as a liar."

The two men started toward each other and there would have been an ugly scrap then and there had not rushed in between them, insisting that the court-room was no place for duels. To this Mr. Latimer agreed and Mr. Evans remarked that there was plenty room outside and plenty time in the future.

A Pre-Inventory Sale.

There is a reason for this sale—not a flimsy one made up for the occasion—but sound business judgment demands quick clearance of the summer goods, before inventory time. There are too many of this and too few of that, and the "too few" make the most trouble. On July 20th we take stock.

From now on we are determined to close out our stock. The truth of the matter is, with our trade there can be no "last seasons" goods; that fact forces them out this season at some price, however small.
