DILL-GREEN.

BEAUTIFUL WEDDING IN NEWBERN YESTERDAY.

The Bride and Groom Came Up to
This City On Special Train
Last Night On Their
Way to Florida
and Cuba.
Daily Argus, Jan. 8th.

Capt. Alonzo Thomas Dill, second son of Mr. Sam'l L. Dill, the efficient and popular Superintendent and General Passenger Agent of the A. & N. C. R. R., and Miss Clara Maria Green, only daughter of Mr. Thos. A. Green, both of Newbern, were happily married, in Centenary M. E. Church in that city, yesterday evening at 6 o'clock, in the presence of a large concourse of citizens.

Capt. Dill is well known here, having been long a conductor into this city on the A. & N. C. R. R., and his many friends among our people wish him and his fair young bride abundant happiness and prosperity.

The bridal party arrived here last night on a special train and left on a trip to Florida and Cuba.

The Newbern Journal of this morning gives an elaborate account of the brilliant ceremony from which we make the following extract:

"At no time has Centenary Church been so economically prepared for a wedding as it was last night, for on all sides were flowers and plants, while lights shone upon the great crowd of relatives, friends and acquaintances of the newly to be wedded young couple, who at the hour set, entered the church, first the bridesmaids, Messrs. Annie Foy, Mattie Green, Mary E. Street, Alberta Ulrich, May Moore and Katie Moore, of Greensboro. Following these came the maid of honor, Miss Hattie Jones Waddington, of Washington, N. C. and the bride, Clara Maria Green, leaning upon the arm of her father, Thos. A. Green, Esq. At the same time, the groom, accompanied by his brother, as best man, Mr. S. L. Dill, Jr., passed up the west aisle, and the ushers, Messrs. E. M. Green, J. H. Weddell, D. F. Foy, Sam. Eaton, E. E. Williams and M. C. Dill, passed up the east aisle, all assembling before the altar. ***

"Nearly one hundred presents adorned the tables and stands in the parlors of the bride's home, presenting a richly beautiful appearance, and showing the love and affection of friends."

THE GOVERNOR'S MESSAGE.

The limited compass of the Argus renders it impossible for us to publish Governor Ayer's message to the General Assembly, read before that body on Thursday.

It is one of the ablest documents ever promulgated in North Carolina or elsewhere. It is clear, concise, comprehensive in its dealings with affairs of State in every branch of government and interest affecting our Commonwealth, truthful to the letter, and fearless in its expression of views and in its advocacy of policies suggested.

The Governor has just cause to be proud and gratified at the State's record under his two years of administration, and every reason to feel assured that the next two years—which will conclude his term of office—will record yet greater achievements for the State's advancement and the people's general and permanent welfare.

On account of scarcity of cars Ashler Edwards' stock of horses and mules was delayed, but will be here in a few days. Wait for them, if you want to save \$25 a head.

WE GO FORWARD.

Joint Meeting of Aldermen and Railroad Officials Settle the Union Passenger De- pot Question.

In accordance with the resolution recently passed by the Board of City Aldermen inviting a conference here Thursday with representatives of the several railroads that pass through or terminate in Goldsboro, Messrs. J. R. Kenly, of the A. C. L., S. L. Dill, of the A. & N. C., and Henry W. Miller, of the Southern, came to the city and met with the Board and a number of representative citizens at 1:30 o'clock.

The conference was very harmonious, and the expression of views was free and liberal and general on the part of members of the Board and citizens, after which Mr. Kenly, for the railroads addressed the meeting, and stated, that, in his opinion, based on a comprehensive experience with cities throughout the country moving for and obtaining union passenger depots, Goldsboro is most advantageously blessed with a depot situation—such as no other town enjoys and such as many towns in his knowledge would be glad to have—even New York, he said, is moving for a union depot in the centre of the city at great expense. He expressed cordially a willingness to do anything in reason to improve the accommodations here, and asked suggestions from the Board. He was followed by Mr. Miller for the Southern and by Mr. Dill for the A. & N. C., both of which gentlemen endorsed Mr. Kenly's expressions and concurred in his desire to cooperate with the Board of Aldermen in bettering our depot conditions.

At the conclusion of these remarks Mr. E. B. Borden submitted a resolution, which was adopted, that the sense of the meeting favored the present location; after which Alderman Harrison moved that the railroad officials be requested to put in operation at once, in cooperation with the city's work, the paving of the ways between their tracks, which motion was adopted and was concurred in by the above railroad officials, and the meeting adjourned.

A GOOD BILL.

A member of the Legislature, now in session in Raleigh, has introduced a bill which prohibits any member of the Legislature from holding any office created by the said Legislature.

This is eminently right and proper, and will meet the hearty endorsement of the people of the State.

Public officers should avoid the very appearance of evil, and when a Legislature goes to work and creates offices, and these offices are filled right away by the men who created them, it certainly affords large room for criticism.

By the way, we regret to notice that already bills are being introduced to increase appropriations, while the proposition is pending to issue a half-million dollars worth of bonds with which to pay the debts of the State.

The Legislature should not increase appropriations for any purpose, except for the care of the insane, and then only after the most careful investigation of the needs in that direction.

The people are tired of promises—they want promises backed up by performances.

Let the Legislature of 1903 so act, that its friends will not have to apologize for it.

Dr. J. M. Parker has purchased Mr. H. A. Epling's home on James street and will occupy the same at an early date. The sale was made through Mr. Ed. L. Edmundson.

SHOT AT A DANCE.

Elijah Smith Seriously Wounded By Jasper Warrick on Last Saturday Night.

At a frolic in Grantham township on Saturday night Elijah Smith was shot and seriously wounded. The dance was given at the home of Frank House on the plantation of John Worrell. During the progress of the festivities Jasper Warrick was talking and laughing rather loud and was told to quiet down by Elijah Smith. Warrick hushed up at once and the dance proceeded.

Later on Smith and some of his friends were out in the yard and Smith began to boast of the manner in which he had made Warrick quiet down. Warrick's friends told him what Smith had said and the two men soon became involved in hot words which would have brought them together in a fight had not some bystanders separated the two men. Warrick's friends took hold of him while Smith continued to advance with a knife in his hand, at the same time calling upon his brother John Smith to shoot. Warrick pulled out his pistol and shot at Smith three times, only one shot took effect and that struck Smith in the side.

The sound of the pistol shots caused the music in the house to stop and the dancers ceased their pleasure. When the firing ceased Smith said he had been shot and the combatants with their friends retired in the darkness and each left for home. A doctor was sent for and Smith's wound was pronounced serious.

A warrant was issued for Warrick yesterday, but up to the present time he has not been arrested. Warrick and Smith had a fight about twelve months ago, at which time Warrick got the best of the encounter and since that time the two men have not been on the best of terms.

OF VALUE TO CANE GROWERS.

A pamphlet entitled "Fertilizing Sugar Cane," written by a practical sugar planter from Hawaii, has just been published by the German Kali Works, 93 Nassau Street, New York, N. Y., and a copy of it can be obtained free by writing to them. No doubt many of our readers will be interested to learn how this crop is treated so as to produce large yields of cane and sugar and the pamphlet mentioned contains many valuable points pertaining thereto.

A NARROW ESCAPE.

The New Horse of the Southern Ex- press Company Ran Away Monday Morning.

The new horse which the Southern Express Company has been using of late succeeded in doing right much damage in a runaway on Monday. Mr. J. J. Bowen, the express agent was in the wagon at the time and Tobe Pettiford was driving. Both had a narrow escape.

The horse became frightened at something on James street and was running at a good gait when he was turned into Walnut street at the Bank of Wayne corner. About midway the square the driver turned the horse into the sidewalk. The wagon struck the iron poles which supports the awning and struck the large sign of Messrs. H. & M. L. Lee and drove the sign through their large plate glass show window. The glass was shattered. It was a very large one and cost \$90. The horse freed himself from the wagon and ran down the sidewalk to the corner of West Centre and Walnut street, where he was captured by Mr. A. W. Falkener.

The express wagon was demolished, but neither Mr. Bowen nor Pettiford were injured.

TELEGRAPH NEWS.

Winston-Salem, N. C., Jan. 12.—Mrs. John Garrison, aged 70 years, was killed near Wallburg late this afternoon. She was driving a mule, and the animal became frightened and ran away, throwing Mrs. Garrison out of her wagon. She was dragged for some distance and was dead when found.

Asheville, Jan. 9.—A movement is on foot to secure compulsory education in Asheville. The matter has been taken up by the Junior Order, United American Mechanics, who have passed a resolution requesting that the General Assembly of North Carolina pass an act providing compulsory education in this city, and another resolution that the school board of the city endorse the movement.

Frankfort, Ky., Jan. 12.—Henry Youtsey to-day continued his testimony before the grand jury. It is said that he is making a full confession, not only of his part, but also telling what he knows about what others did in the alleged conspiracy, three years ago to assassinate Governor Goebel. It is currently reported that new evidence has not only been secured on those already indicted, but also evidence such as to involve others not hitherto mentioned in the celebrated case.

Washington, Jan. 12.—The president has decided to give the people of Massachusetts a taste of his negro policy, where from all accounts, it is most highly appreciated. It is stated on very high authority that Wm. H. Lewis, a graduate of Harvard and famous as the centre rush of a football team at that institution, is to be appointed assistant United States district attorney at Boston. Mr. Roosevelt was spurred on to this appointment by reason of the facts, that the press in various parts of the country has suggested that he show his friendship for the negro by making appointments of men of that color in the north, and not confine all of his efforts in this direction to the South.

Remarkable Cure of Croup.

A Little Boy's Life Saved.

I have a few words to say regarding Chamberlain's Cough Remedy. It saved my little boy's life and I feel that I cannot praise it enough. I bought a bottle of it from A. E. Steere of Goodwin, S. D., and when I got home with it the poor baby could hardly breathe. I gave the medicine as directed every ten minutes until he "threw up" and then I thought sure he was going to choke to death. We had to pull the plug out of his mouth in great long sobs. I am proud that if I had not got that bottle of cough medicine, my boy would not be on earth to-day.—JOEL DEMONT, Inwood, Iowa. An Attack of Pneumonia Ward- ed Off.

"Some time ago my daughter caught a severe cold. She complained of pains in her chest and had a bad cough. I gave her Chamberlain's Cough Remedy according to directions and in two days she was well and able to go to school. I have used this remedy in my family for the past seven years and have never known it to fail," says James Prendergast, merchant, Annapolis Bay, Jamaica, West India Islands. The pains in the chest indicated an approaching attack of pneumonia, which in this instance was undoubtedly ward off by Chamberlain's Cough Remedy. It counteracts any tendency of a cold toward pneumonia. For sale at MacKay's Pharmacy.
