GOSPEL OF THE WORLD.

ITEMS OF INTEREST FROM DIVERSE SOURCES.

The Latest Telegrams News of the
Day from all over the
World.

Everybody can't be pleased with
all the election returns.

George B. M. Clemen's good looks
have never been questioned by the
Low vandals.

Senator Stewart's wife had been
dead but one short year when he took
another wife.

Mr. Gorman fights the common
enemy, and draws together demo-
crats of all sorts.

New Orleans, Nov. 9.—Kid Broad
defeated Tim Callahan in a 10-round
bout before the Southern Atlantic
Club to-night.

Washington, Nov. 9. Admiral
Dewey to-day raised his flag over
the Dolphin and left for Norfolk and
Annapolis on an inspection tour.

That old weather worn saying,
"How 'd you like to be the ice
man?", can now be supplanted by
"How 'd you like to be the turkey?"

J. Pierpont Morgan has recently
visited Chicago. Now we may look
for a low tide in Lake Michigan and
a corresponding rise of water in Chi-
cago stocks.

When Devery said he would gal-
lop down the isles of the Tam-
many leaders he possibly didn't
mean it literally—but he has been
swallowed up nevertheless.

St. Augustine, Fla., Nov. 9.—Dr.
I. K. Raney died at his home here
yesterday. He was a surgeon in
Lee's corps during the Spanish-
American war.

The California man who provided
in his will for an "A No. 1 brass
band" to entertain those who attend-
ed his funeral was evidently a royal
host in his time.

William E. Curtis says the chief
problem for the French nation is that
of race suicide. We don't see how
even William could have said a more
unoriginal thing.

Durham, Nov. 5.—Efforts are be-
ing made here to raise sufficient
money to guarantee a professional
baseball team next spring in case
there is a State league.

Durham, Nov. 8.—Col. W. T.
Blackwell was this morning stricken
with paralysis, and to-night he is ap-
parently near death's door. No hope
for his final recovery is held out.

With Secretary Wilson dogging
the bull weevil to its den and P. C.
Knox sleuthing after the trusts, it
seems that the hunting microbes of
Nimrod Roosevelt have invaded the
entire cabinet.

Memphis, Tenn., Nov. 4.—Two
distinct earthquake shocks were felt
here to-day. No damage resulted in
the vicinity of Memphis, but occu-
pants of the principal office buildings
made hasty exits.

Manila, Nov. 5.—The Philippine
commission has confirmed the anti-
slavery law passed by the legislative
council of the Moro provinces Octo-
ber 5, prohibiting slave hunting in all
the Moro tribe and providing for
confiscation of all vessels engaged in
the slave traffic.

Washington, Nov. 9.—The Fifty-
eighth Congress convened in extra-
ordinary session at noon to-day in
accordance with the proclamation of
President Roosevelt for the purpose
of enacting legislation necessary to
make effective the Cuban reciprocity
treaty. The day was devoted sim-
ply to personal greetings and organi-
zation. The House elected Joseph
G. Cannon, of Illinois, Speaker.

St. Louis, Nov. 4.—The city and
vicinity experienced a series of earth-
quake shocks at 12:15 o'clock to-day.
There is a difference of opinion as to
how many. The earthquake was
perceptible all over the city and was
mostly felt in the high business
blocks in the downtown section of
the city.

Kingston, Jamaica, Nov. 4.—The
United States gunboat Dixie, with a
battalion of marines on board, sailed
for Colon from here last night after
receiving cipher dispatches from the
government at Washington. It is
understood that American marines
will be landed on the isthmus to
guard the railroad.

Greensboro, Nov. 5.—In the case
of Major Watlington against the
Seaboard Air Line Railroad for \$20,-
000 damages sustained in a wreck
last year, the jury at 11 o'clock to-
day brought in a verdict for \$1,000.
The defendant's attorneys, Messrs.
W. H. Day and King and Kimball,
gave notice of an appeal.

New York, Nov. 5.—On board the
steamer Majestic, which arrived to-
day from Liverpool, were twelve
negroes from the Southern States,
who went to Liberia, West Africa,
to experiment in cotton culture with
the view to future colonization from
this country. They say the experi-
ment was a failure and they em-
barked on the Majestic in a penni-
less condition.

Baltimore, Md., Nov. 4.—Late
election returns to-night show that
the majority for Warfield, the Demo-
cratic governor-elect, is growing and
will probably reach ten thousand.
The Democrats will certainly have
in the upper house of the Legislature
19 Senators to the Republicans 8. In
the House there will be 68 Demo-
cratic Representatives and 33 Re-
publicans; a Democratic majority on
joint ballot of 46.

SIGNS BOND TO REFUND MONEY.

J. H. Hill & Son Takes All Risk of
Mi-o-na Curing Dyspepsia and
Building Up Flesh.

It is an easy thing for medicine to
be advertised as guaranteeing cure,
money refunded, etc., or have the
druggist say, "Well, yes, if it does
not help, we will return your
money;" but if the medicine does
not give satisfaction and the custom-
er goes back to the dealer, the prob-
ability is that he has forgotten what he
said and there is a question about
making the refund.

J. H. Hill & Son in a very busi-
ness like way overcome this trouble
in a clear and definite manner, by
giving the following bond with
every package of Mi-o-na that they
sell.

GUARANTEE BOND.

We hereby agree to refund the
price paid for Mi-o-na, if the
purchaser tells us that it has not
increased flesh and given freedom
from stomach troubles.
J. H. Hill & Son.

If you want your money back J.
H. Hill & Son will return it to you
if you can tell them that Mi-o-na has
not increased flesh and gives freedom
from stomach troubles.

It is an unusual remedy that can
be sold in this way, but Mi-o-na is a
remarkable combination of flesh-
forming elements combined with
agents that regulate the digestive or-
gans and restore health and strength.

Remember that if Mi-o-na does not
do all that is claimed for it, your
money is returned to you by J. H.
Hill & Son in accordance with this
bond.

Let us be thankful that no elec-
tion was held this year in North
Carolina.

"Gets at the joints from the in-
side," that's the method of cure by
Rheumacide. You'll find it is your
druggist's pride.

O'POSSUMS IN THE CITY.

Several Have Been Seen of Late
and One Was Run Over and
Killed in the Street.

The notice of the finding of an
o'possum in a hollow stick of wood
in the yard of Mr. Tom Edmondson,
which appeared in the ARGOS some
days ago, has created much specu-
lation as to where the animal came
from. It was thought at the time
that the o'possum came from the
woods where the wood was cut and
was hauled here inside the piece
of wood.

Since that time a possum was
found in the middle of the street
near the same locality by Mr. N.
W. Musgrave. The animal had been
run over and killed by a passing
vehicle in the night. Other possums
have been seen in the city at var-
ious times of late and it is now
thought that the animals have some
hiding place in the city where they
are born and that they come out and
wander around in search of food at
night.

If this is the case local sportsmen
who are fond of possum hunting can
gratify their fancy in their back
yard, perhaps, without roaming
through many miles of dense forests
on a dark night and returning home
empty handed. Under such favor-
able conditions as possum hunting
along the open streets of the city a
great many people who would not
venture into the woods on a dark
night, could possibly be induced to
try the exciting experience of pos-
sum hunting.

WILL ESTABLISH A HOME.

The Georgia Daughters of the Con-
federacy have a plan on foot to es-
tablish a home for old and enfeebled
ex-slaves who served the South
faithfully during the war. This
movement does credit to our hu-
mane feelings and will be only an-
other token of the affection existing
between white people and their for-
mer servants, many of whom are
now in poverty. There are not many
old slaves remaining now, and it
would not be a great tax to provide
homes for all of them.

The Georgia ladies have secured
an option on a piece of land of four
hundred acres, where it is proposed
to give the negroes a refuge. This
land will be devoted to truck farm-
ing, so that the pensioners can be
made as nearly self-supporting as
possible. The work will be light
and will be so allotted that each will
be able to attend to their task. The
idea is a good one and one that will
receive the hearty co-operation of all
true Southerners who have a memory
of those stormy days when no one
was left at home to protect the "mis-
tress" save "Old Aunt Jane" or
"Old Uncle Bob."

TO BE RECLAIMED.

Knoxville, Tenn., Nov. 9.—Five
thousand acres of Dismal Swamp
lands near Norfolk, Va., are to be
reclaimed by the Franklin Land &
Lumber Company, composed of Ohio
men. John B. Lewis, of Somerset,
Ky., agent and foreman for the com-
pany, who passed through Knox-
ville to-day, says the land was origi-
nally bought for its timber, but since
it has been cleared, it has been found
to be very fertile. The work of
ditching and draining the land has
been begun already and hundreds of
men are to be put to work. It is
the intention of the company to raise
all kinds of vegetables and later to
engage in cattle raising on an exten-
sive scale.

LEWIS-DORTCH.

A Beautiful Autumn Wedding In
St. Stephen's Church.

In St. Stephen's Episcopal church
on Tuesday at 1 o'clock there oc-
curred one of the most beautiful mar-
riage ceremonies that has taken
place within the walls of that state-
ly edifice for many years. The popu-
lar young people who plighted their
truth were Mr. James Spencer
Lewis, son of the late General and
Mrs. W. G. Lewis, and Miss Mildred
McKee Dortch, daughter of Mr. and
Mrs. H. P. Dortch.

Long before the hour appointed
for the ceremony, the church, which
was handsomely decorated for an
autumn wedding with red and yel-
low leaves and yellow and white
chrysanthemums, was filled with an
eager throng of spectators, who were
delightfully entertained with a spec-
ially prepared programme of music
skillfully rendered by Miss Helen
Privett on the violin, accompanied
by Miss Daisy Smith on the organ.

The ushers were Mr. James Mc-
Kee, of Raleigh, and Messrs. H. P.
Dortch, Jr., R. K. Freeman and Nor-
wood Spicer, of this city. A very
pleasing departure in the ceremony
was the coming in a group of the
special lady friends of the bride, who
were escorted by the ushers and
given seats of honor on the front
pews, which had been reserved and
handsomely decorated with chrysan-
themums for the party. They were
the girlhood friends and lifetime as-
sociates of the bride and she wished
to do them honor in the manner
mentioned. These consisted of Misses
Janet Dortch, a cousin of the bride,
Rachel Borden, Mary Scott Munroe,
Evelyn Privett, Mary Poole, Bessie
Miller, Sadie Spier and Mary Lou
Crawford; also Misses Margaret Turk,
of Washington, D. C., Lucy Reeves,
of Raleigh and Hal Newland, of
New Bern.

Promptly at the appointed hour
the inspiring strains of Lohengrin's
wedding march fell upon the listen-
ing ears of the waiting throng and
the groom and his best man, Mr. W.
G. Lewis, his brother, emerged from
the vestry and took their places in
front of the chancel. The maid of
honor, Miss Antonette Burwell, pre-
ceded the bride, who also came
from the vestry with her father,
and was by him given to the
groom. The bride and groom took
their positions in front of the
awaiting minister, Rev. F. H. T.
Horsfield, rector of the church, who,
while the music was reduced to a
mere echo, pronounced the beauti-
ful Episcopal ceremony which made
the happy couple man and wife.
When the last words of the ceremony
had fallen from the lips of the min-
ister the soul-stirring strains of Men-
delssohn's wedding march pealed
forth from the organ and violin,
while the bridal party retired and
the congregation dispersed.

The bride wore a handsome trav-
elling gown of brown, and the maid
of honor was gowned in yellow and
carried yellow chrysanthemums.

There were a large number of out-
of-town visitors, relatives and friends
of the contracting parties, in at-
tendance. The bridal presents display-
ed at the home of the bride were
many and very beautiful, too num-
erous to recount, and, coming from
near and far, attested to the wide-
spread interest in the happy event
and the cordial esteem in which
these young people are held.

The groom is, indeed, a courtly
young gentleman, refined and affable,
and very popular with his hosts of
of friends, while the bride, from
earliest childhood, has ever been a
general favorite, dispositioned gentle
and sweet as she is lovely in person.
Kind and considerate of all, in every
walk of life, she comes to her wed-
ding day with the attendant and
abiding good wishes of the lowly of
our community as well as those in
her own social circles.

The bride and groom boarded the
Southern train at 1:35 for a Southern
bridal tour, taking with them the
best wishes of a host of friends for a
long life of happiness and prosper-
ity.

MRS. W. A. J. PEACOCK DEAD.

Some days ago we chronicled the
critical illness of Mrs. Harriet Had-
ley Peacock, the beloved wife of
our esteemed friend and townsman
Mr. Wm. A. J. Peacock. To-day
we are called upon to announce her
death, which occurred Sunday night
10 o'clock, of paralysis, in the 61st
year of her age.

Mrs. Peacock was a most esti-
mable woman in every relation of
life, as wife, mother, neighbor and
church member, and her death is
deeply deplored by all who knew
her, and she will, indeed, be sadly
missed.

Her devoted husband and three
children, Mr. Will Peacock, of Wil-
son, and Mr. Walter and Miss Maud
Peacock, of this city, survive her,
and to these the sincerest sympathy
of our entire community goes out in
their sorrowful and irreparable be-
reavement.

The funeral was held on Tues-
day morning at 10 o'clock, from St.
Paul M. E. church, of which de-
ceased was an exemplary and de-
voted member.

CATARRH CURED WITHOUT DRUGS.

Hyomei Medicates the Air You
Breathe, Kills the Germs and
Cures the Disease.

Hyomei cures catarrh thoroughly
and permanently, because it reaches
the smallest air cells in the head,
throat and lungs, kills the germs
causing the disease and drives it from
the system. Hyomei goes to the root
of the disease, destroys the cause,
and makes permanent cures which
can be effected in no other way.
Breathe it for a few minutes four
times a day and benefit will be seen
at once. Continue this treatment for
a few weeks and Hyomei will have
cured you.

The Hyomei breathed through the
neat pocket inhaler furnished with
each outfit mingles with the air you
breathe. It is a local and direct treat-
ment for eradicating all catarrh
germs in the mucous membrane and
tissues and in this way cures catarrh
in any part of the system. Used in
connection with Hyomei Balm it
has been successful in curing the
worst and most deep-seated cases of
catarrhal deafness.

The complete Hyomei outfit costs
\$1.00 and comprises an inhaler, a
bottle of Hyomei and a dropper.
The inhaler will last a lifetime; and
additional bottles of Hyomei can be
obtained for 50c.

Stronger than any claims that can
be made in an advertisement, is the
fact that J. H. Hill & Son will give
their personal guarantee with every
Hyomei outfit they sell to refund the
money if the purchaser can say that
Hyomei has not given satisfaction.

If the weather don't suit you,
blame the sun spots.

Old People Have Their Troubles

Mr. Francis Little, of Benon
Harbor, Mich., is over 80 years of
age. Since 1865 he has been trou-
bled more or less with indigestion
and constipation and has tried al-
most everything in use for those
ailments. Last August he began
using Chamberlain's Stomach and
Liver Tablets and was soon feeling
much better. In a recent letter he
says, "I have used three boxes of
the Tablets and now think I am
well." These Tablets improve the
appetite and invigorate the stom-
ach, liver and bowels. For sale at

A Typical South African Store.

O. R. Larson, of Bay Villa, Sun-
days River, Cape Colony, conducts
a store typical of South Africa, at
which can be purchased anything
from the proverbial "needle to an
anchor." This store is situated in
a valley nine miles from the nearest
railway station and about twenty-
five miles from the nearest town.
Mr. Larson says: "I am favored
with the custom of farmers within
a radius of thirty miles, to many of
whom I have supplied Chamber-
lain's remedies. All testify to their
value in a household where a doc-
tor's advice is almost out of the
question. Within one mile of my
store the population is perhaps
sixty. Of these, within the past
twelve months, no less than four-
teen have been absolutely cured by
Chamberlain's Cough Remedy. This
must surely be a record." For sale
