

AN ADDITION TO THE REPUBLICAN TICKET.

When Major Grant's Convention put M. E. Cox and John I. Mozingo, two store keepers and gaugers, on the radical ticket for the Legislature, the people of the county thought it was too much, but it seems that these were not enough to satisfy the insatiable appetite of the Major and his co-laborers, and so when Dr. M. W. Parks, their nominee for the Senate, withdrew from the contest, they put in another whiskey gauger who had been rewarded with a job at a still, as their candidate for the Senate in the person of Mr. Walter O'Berry, of Dudley. Is it possible that whiskey gaugers and store keepers are the only Republicans worthy of a place on the Republican ticket?

The Republican machine in this county seems to think that a term of service at a whiskey still is necessary to qualify a man for a place on their Legislative ticket, but it is difficult to persuade the average decent citizen of Wayne county that a ticket made up of whiskey gaugers, Russell office holders and men who fought the adoption of the Constitutional Amendment is the sort of ticket that a decent man in any party ought to vote. Of course there may be people who like that sort of ticket, but knowing the people of this county and their good reputation we are very sure their number is exceedingly limited. We know that many Republicans regard the ticket offered them as an insult to their patriotism. The man who can vote it can have little regard for his own self respect. The nomination of such a ticket, insulting as it does the self-respect of all classes of our citizens, insures its defeat by an overwhelming majority.

STEALING AT MT. OLIVE.

Two Stores Were Entered and a Quantity of Goods Stolen.

Mr. T. H. Stanton, of this city, who runs a branch store at Mt. Olive, received a message from that place this morning stating that his store was broken into last night and one \$18.00 breach-loading shot gun, several boxes of shells and a number of pocket knives stolen therefrom.

The thief perfected an entrance into the store by bursting open the wooden shutters in the rear part of the building and tearing out the glass windows.

This is the second time his store has been robbed in the past month. The parties who did the first stealing were caught and convicted and are now serving a term on the county road.

The store of Blount & Keel was also broken into last night and three suits of clothes, several watches and other goods stolen.

The thieves burst open a tool chest at a building where some carpenters were at work and secured the tools used in perfecting an entrance into the two buildings.

It is hoped that the guilty party or parties will be apprehended.

Letter to Epstein Bros.
Goldsboro, N. C.

Dear Sirs: What is lumber worth? "Depends on the lumber," you say—"what sort do you want?"

That's how some people talk about paint. They ask: "What'll you paint my house for?"

The Yankee answer is: "How do you want it painted? One coat? two coats? three coats? first-class or cheap?"

The proper answer is: "I want the best paint put on as it ought to be."

That's Devoe; but the usual answer is: "I want a good job; but I want it cheap." Which means: I want you to paint it for nothing. I want to be fooled.

Lead-and-oil is the costliest paint there is; not the best; it used to be best. Devoe is best, since zinc came in: Devoe lead-and-zinc.

Zinc toughens the lead and doubles its wear.

Zinc costs no more than lead; and we grind by machinery.

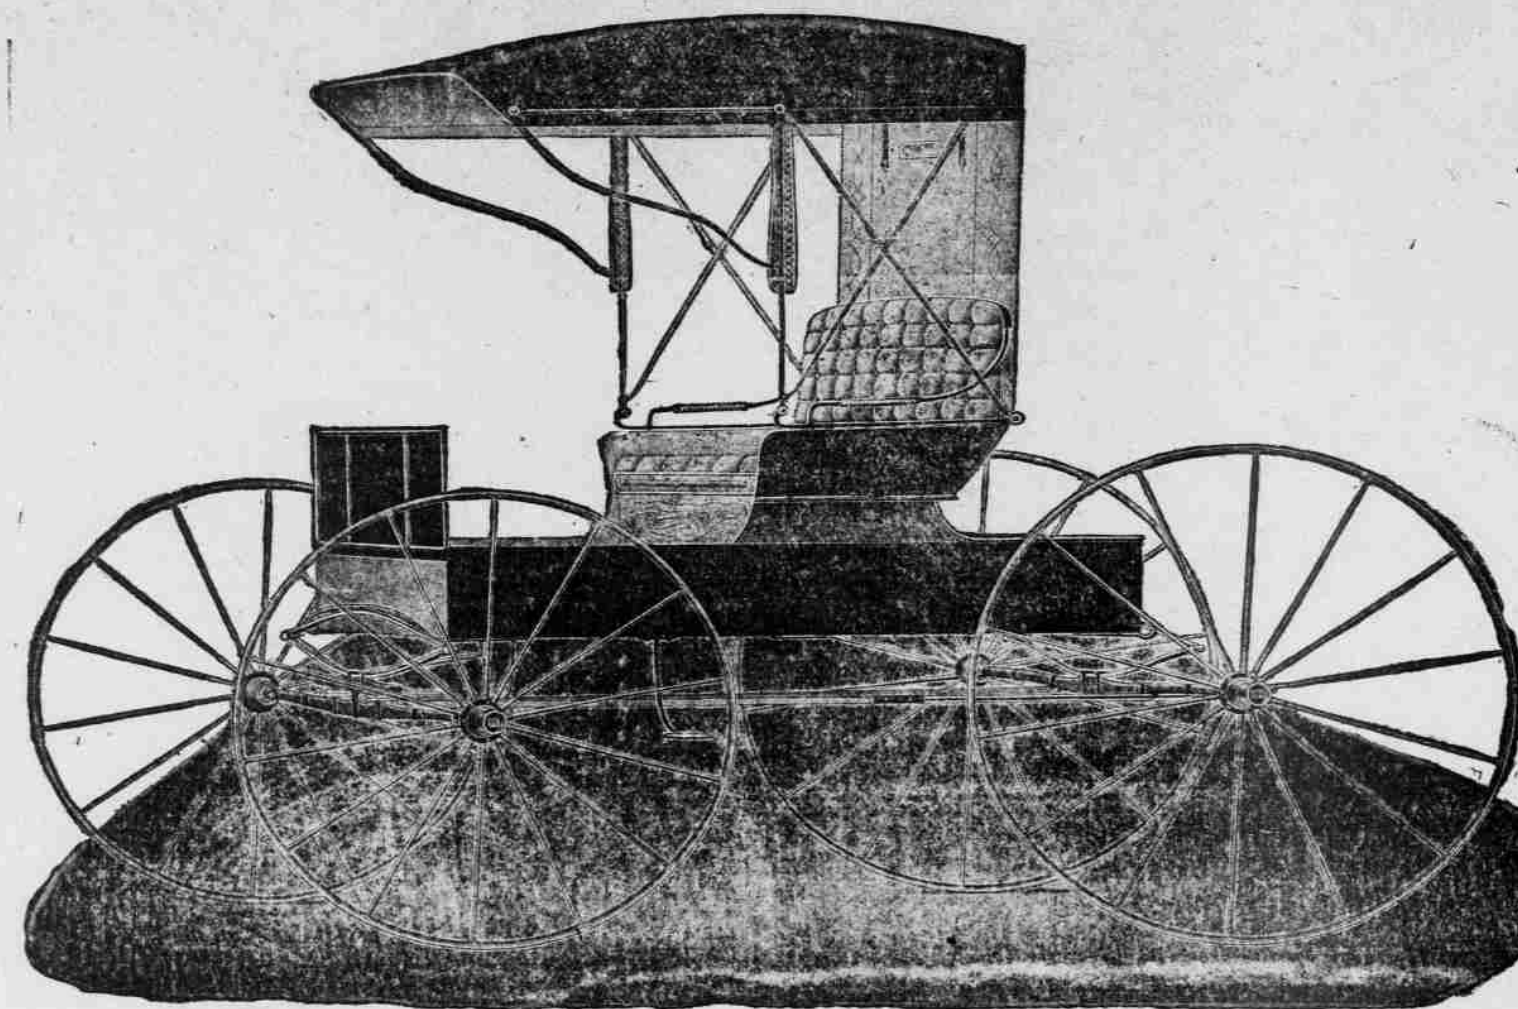

We have no patent on zinc; but nobody else is treating it right. Devoe is your paint.

Yours truly,
F. W. DEVOE & Co.

A Judicious Inquiry.

A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or for an adult, and if for a child they almost invariably recommend Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For sale by Higgins Drug Co.

Spellbinders are misfits in the Solid South.

Some Seasonable Advice.

It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is so widely known and so altogether about buying it in preference to any other. It is for sale by Higgins Drug Co.
