IN THE TOMBS.

FROM SUMPTUOUS SALON
TO PRISON CELL. BAIL,
THERE WAS NONE.

And Mrs. Chadwick, Weak, Wan
and Almost Fainting Trod
With Halting Step the
Stone Corridors That
Led Her to the
Tombs.

New York, Dec. 8.—Mrs. Cassie
L. Chadwick is to-night occupying
one of the scanty furnished cells in
the Tombs. After a fruitless search
all day for bail, her attorneys gave
up the fight to-night and Phillip
Carpenter, her chief counsel, stood in
the corridor of the Federal building
at 9 when United States Marshal
Henkel threw open the double doors
of his office and led the woman out
on her way to prison.

Mrs. Chadwick was wan, tired
and almost fainting. She made her
way across the hall to the elevator
leaning heavily on the marshal's
arm and that of her son Emil. Be-
hind them came her nurse, Ereda
Swenson, and Deputy Marshal Ken-
nedy.

The party passed through a double
row of curious people to a carriage
which was in waiting on the Broad-
way side to take her to the Tombs,
where she was placed in a cell.

She asked permission to have her
nurse remain with her. This was
denied her, the warden saying that
she should have no privilege not al-
lowed other prisoners.

Mrs. Chadwick gave a handbag
and a few trinkets to the nurse and
whispered some instructions to her
on, after which they took leave of
her and were driven to a uptown
hotel.

FROM THE ASHES.

Baltimore Family's Experience
Points a Moral to Resi-
dents of Goldsboro.

The visitors to Baltimore to-day
scarcely realize that less than a year
ago the city was almost destroyed by
a memorable fire. A similar com-
parison might be made by George
W. Nally, one of the leading citizens
of Baltimore, as to the change in his
own looks.

A short time ago, Mr. Nally,
writing from his home address, 2213
Barclay St., says, "I have been
troubled for years with catarrh and
had resorted to all remedies that
could be thought of. My wife was
also afflicted with this terrible dis-
ease, but all the treatments we used
were an absolute failure until we
used Hyomei. It worked like a
charm and has made a complete cure
in both of our cases."

J. H. Hill & Son, the local agent
for Hyomei, have so much faith in
the treatment that they give their
personal guarantee to refund the
money in case it does not benefit. A
complete outfit costs one dollar, the
extra bottles are but fifty cents. Ask
to see the strong guarantee under
which Hyomei is sold.

Relief in Six Hours.

Distressing Kidney and Bladder
Disease relieved in six hours by
"NEW GREAT SOUTH AMERICAN KIDNEY
CURE." It is a great surprise on ac-
count of its exceeding promptness
in relieving pain in bladder, kidneys
and back, in male or female. Re-
lieves retention of water almost im-
mediately. If you want quick relief
and cure this is the remedy. Sold

Goldsboro, N. C.

\$100—Dr. E. Detchon's Anti-
Diuretic may be worth to you more
than \$100 if you have a child who
sneezes during sleep. Cures old and
young alike. It arrests the trouble
at once. \$1. Sold by M. E. Rob-
inson & Bro. druggists, Goldsboro.

RACE WITH DEATH.

THE SEABOARD AIR LINE
BREAKS ALL RECORDS.

Thousands of Dollars Spent On
Special Train For Family
of Mortimer Brooks In-
jured at Pittsboro.

Raleigh News-Observer.

At 9:40 yesterday morning the
special train for Pittsboro, having
on it Mrs. Mortimer Brooks, wife of
the injured man, his son, Reginald
Brooks, his family physician, Dr.
Folk, a maid, a trained nurse and
Mr. Brook's body servant, reached
Raleigh. Breakfast for the party
was sent to the train from the Yar-
borough-House and here the party
was joined by Mr. C. H. Gattis,
traveling passenger agent of the Sea-
board Air Line.

The special, in charge of Engineer
M. W. Tighe, of Raleigh, and Con-
ductor Haddock made a record-
breaking run. Before it was turned
over to these gentlemen it had left
Jersey City at 11:30 on Friday night.
At Richmond about half-past six
o'clock yesterday morning, the train
was turned over to the Seaboard and
was in charge of Superintendent C.
H. Hix, who accompanied the train
to Raleigh, Engineer Tighe making
the run with engine 631 in three
hours, or rather the 168 miles in 160
minutes, as stops were made, and
twice the train slowed down to ten
miles an hour. There were several
stops on the trip and at Henderson
coal and water was taken.

The average speed exceeded 75
miles an hour for the train, which
consisted of the engine, tender, coach
and Pullman. From Norfolk to Ra-
leigh the sixty miles were made in
sixty minutes with a stop. Hender-
son to Raleigh, forty-four miles, was
made in forty minutes, while from
Franklinton to Raleigh, twenty-seven
miles; the time was nineteen min-
utes. It was a race that in its speed
was as against the onward rush of
death feared at Pittsboro, and in
making this dash the Seaboard Air
Line broke all records for fast time
in the South, being the first and
only train ever run special solid
from Jersey City as far South as
Pittsboro.

Here the engines were changed at
Johnston Street Station and Engineer
Muse, with engine 607 and with the
same conductor, Haddock, made the
balance of the trip. Others joining
the train here were Mr. C. H. Gat-
tis, traveling passenger agent, and
Mr. G. A. Gore, trainmaster. The
run to Monroeville, thirty-one miles,
was made in thirty-two minutes, in-
cluding a delay of six minutes at
Merry Oaks, where a stop was made
in passing the local en route to Ra-
leigh, so as to carry back to Pitts-
boro Drs. Hubert A. Royster and
MacNider, who were returning from
Pittsboro. The party reached Pitts-
boro at 11 o'clock and conveyances
at once took them five miles in the
country to the home of Mr. C. T.
Bynum, where the injured man is
receiving attention.

The condition of Mr. Brooks is
regarded as favorable, but he cannot
be moved the five miles through the
county. For this reason the special
stands at Pittsboro, that in case of
death the body may be taken by
special to New York. The special
waits also the time when he may
be moved to New York City with
safety.

There was an incident here that
shows appreciation on the part of
Mr. Reginald Brooks. He was im-
pressed with the quick work done
over the Seaboard and handed \$20
to Engineer Tighe, \$10 to the fire-
man and \$5 to the porter.

The special train from Raleigh to
Pittsboro for Drs. Royster and Mac-
Nider cost \$112.50 and the special
from New York cost 1,253.80 besides
heavy cost for holding the train. The
return trip will cost the same.

FATAL WRECK.

THIS MORNING'S SHOOFLY
GOES INTO AN OPEN
SWITCH.

Engineer Guilford Horne and
His Fireman Instantly Kill-
ed: Been in Continuous
Service of Company
Thirty-Five Years.

This community was startled and
painfully shocked shortly after 10
o'clock Tuesday morning, as the news
was heralded from mouth to mouth
that the shoofly going south this
morning had been wrecked at War-
saw and that engineer Guilford
Horne, who has been in the service
of the Atlantic Coast Line ever since
the war, and was greatly esteemed
in this city, where he at one time
lived when the transfers were made
here, years ago, had been instantly
killed, together with his colored fire-
man.

It seems that as the train was ap-
proaching Warsaw it ran into an
open switch, which instantly over-
turned the engine and entire train
and besides killing Mr. Horne
and his fireman, badly shook up
and more or less injured a number
of passengers, including Agent
Hollingsworth.

How the switch became open is
entirely unaccountable at this writ-
ing, as it had not been in service,
we learn, for over six months, and
trains have been running over it
regularly every day—almost hourly.
So complete was the overturning
of the engine that Mr. Horne was
pinned beneath it, and his dead
body could not be rescued until the
arrival of the wrecking train, some
hours after the accident.

Mr. Horne has a son, William,
about 24 years of age, who has just
entered the service of the Coast Line
as an engineer, and the two passed
each other on the line this morning,
the son going north with a freight
train, and it is said that he went
through here on the wrecking train
from Rocky Mount, which passed
here about 12 o'clock in charge of
engineer Marion Peacock, of this
city.

The terrible accident has cast a
gloom over our community and all
along the line of the road between
Wilmington and Weldon, where the
dead engineer was highly esteemed.
His wife and several children survive
him, resident in Wilmington.

JAPANESE-RUSSIAN WAR.

THE PORT ARTHUR FLEET
NOW AT THE MERCY
OF JAPANESE.

The Japanese Are Now Engaged
In Shelling the Town of
Port Arthur, Which Is
Being Very Badly
Damaged.

General Oku's Headquarters, via
Fusan, Sunday, Dec. 11. (Delayed
in transmission.)—Russians along the
front of General Oku's army are con-
tinuing an artillery and rifle fire day
and night. The Japanese are not re-
plying. A Russian move southward
is not anticipated immediately. The
Russian plan for a winter campaign
has not developed.

Mukden, Dec. 12.—Last night the
thermometer reached seven degrees
below zero, which is considered
very cold for December.

London, Dec. 12.—A message here
says the Japanese preparations for
the winter are practically completed
at Mukden.

Tokio, Dec. 12.—The commander
of the Japanese land battery re-
porting to-day, says:

"Four Russian battleships, two
cruisers, a gunboat and one tor-
pedo boat were in Port Arthur
harbor are completely disabled, and
there is now no further necessary for
bombarding the Russian naval force
here."

Chefoo, Dec. 13.—The Japanese
are now engaged in shelling the town
of Port Arthur, which is being badly
damaged.

BROOKS WILL RECOVER.

His Injury Not So Severe As
First Reported. Dr. Roy-
ster Remains at Mrs.
Brooks' Request.

Pittsboro, N. C., Dec. 10.—The
condition of Mr. H. M. Brooks, who
was shot yesterday by the accidental
discharge of his gun while out hunt-
ing, is very satisfactory to his phy-
sician, Dr. W. M. Poik, of New
York.

Mrs. H. Mortimer Brooks, Dr. W.
M. Polk, Mr. R. Brooks and Mr.
Brooks' daughter arrived this morn-
ing at 11 o'clock on a special train
from New York. They drove out
to Mr. C. W. Bynum's at Bynum, 5
miles from this place, where Mr.
Brooks was brought after the acci-
dent.

Dr. H. A. Royster, of Raleigh,
who came up last night and dressed
the wound, returned this morning,
but was met at Merry Oaks and
brought back at the request of Mrs.
Brooks.

After examining Mr. Brooks this
morning Dr. Polk said he would re-
cover. A hole was torn in his abdo-
men and the intestines were exposed,
but not perforated.

"Our Awful Aunt."

On Saturday night December 17th,
at the Aycock School House (near
the Friends Nahunta church) there
will be a play given, entitled "Our
Awful Aunt." The proceeds will go
to buy a library and other useful
things for the school.

After the play, cakes, candy,
baskets and fruits will be sold at
moderate prices.

We are endeavoring to make it a
delightful occasion. The public are
invited to attend.

Admission, children ten cents,
adults fifteen cents.

A Memorable
Event.

Elizabeth City, N. C., Dec. 12.—
The seventy-fourth session of the
Baptist State Convention adjourned
last night at nine o'clock, to meet
with the Baptist Tabernacle, Ra-
leigh, on Wednesday, after the first
Sunday in December, 1905. The
session was harmonious and un-
eventful, moving quietly on to the
end.

Elizabeth City added, if possible,
to her fame as host by her generous
and boundless hospitality. The mes-
sengers and visitors take leave of
her to-day with nothing but praise
for her excellent people. Resolutions
expressive of the deep appreciation
of the royal kindness accorded to all
in attendance were unanimously
passed by the convention.

All the protestant pulpits of the
city were occupied yesterday at both
hours by visiting ministers. Exer-
cises of the Blackwell Memorial
Baptist church took place, Dr. H.
W. Battle preached the sermon and
spoke for a collection to meet in
part the indebtedness of the church.
It was desired to raise a thousand
dollars. The giving was so liberal
that in a few minutes \$1,635 had
been secured.

It was a great event in the life of
this excellent church led so hero-
ically by Rev. W. A. Ayers, that
progressive pastor. This congrega-
tion has the prettiest house in the
city and will doubtless have much
to do in shaping the religious life of
he place.

DUDLEY ITEMS.

Mr J W Grady has moved to
Goldsboro.

Messrs Gid and Kail Grantham,
of Grantham's store, were here
Saturday.

Mr B F Pearsall, Ex-register of
Deeds, of Duplin, visited Mr F G
Hines here Friday night.

Miss Mary Lee Shines, daughter
of Capt. Walter Shines, of Kenans-
ville, visited Miss May Hines here
Sunday.

Mr W R O'Berry, who has been
sick some time, is much improved,
we are glad to note.

Miss Mary Hall, who has been
confined to her room with diphtheria
has recovered.

Mr Giles Kornegay, our efficient
railroad agent, filled his regular ap-
pointment in Indian Springs town-
ship Sunday.

Dec. 13th.

Oh, Let it be Soon.

The Kinston Free Press says: "It
is reported that the shops of the A.
& N. C. Railroad will also be moved
from Newbern to Goldsboro at an
early date."

Oh, let it be soon! We had rather
see it than to hear tell of it. Our
population is growing perceptibly
fast, but we will endeavor to make
room for the railroad shops and the
employees of same.

death at the hands of parties or per-
sons unknown.

SHOWS A SURPLUS.

Raleigh News-Observer.

After a visit to the farm of the
State Prison in Halifax county, Mr.
J. G. Hackett, member of the Board
of Directors, returned to the city yester-
day greatly pleased at the condi-
tions there.

And the report he gives of State's
Prison affairs is most encouraging.
He states that the Prison will make
clear of all expenses from \$65,000 to
\$75,000 this year, with enough sup-
plies on hand to care for the hands
and the stock at the farm. The
Prison pays all expenses, the sur-
plus being the results from the farm.

Good crops are stated to have been
made at the farm and good prices
obtained for peanuts and corn, the
only trouble being as to cotton, the
price having fallen. There is now
on hand 1,200 bales of cotton and the
Board is holding this, not being will-
ing to sell at the present low figure.
