How many lives dearer to us than our very own have been placed in needless pardy by failure to provide against and forestall the great suffering which too mently accompanies and follows the bearing of children? That we would do anything within our power to obviate the possibility of such an happening it too patent to admit of question; therefore — mark well this fact — a liniment,

MOTHER'S FRIEND

by name, has been devised, whose function it is to prepare in advance the scles and tissues intimately associated with parturition muscles and tissues intimately associated with parturition.

This liniment is for external application. By its use the parts are relaxed and enabled to withstand not only the actual strain brought to bear on them during accountement, but also to rally from this ordeal and speedily regain their normal proportions and tonicity. It is not irritating to the most sensitive surfaces, and is appliable to all cases. It's not enough to call it Mother's Friend—it's the friend of the whole family. \$1.00, all druggists.
