Over Body-Examined 15 Times by Government Board Who Said There Was No Cure-An Old Soldier Completely Cured.

#### A THOUSAND THANKS TO CUTICURA REMEDIES

"For over thirty-five years I was a severe sufferer from eczema. The eruption was not confined to any one place. It was all over my body, limbs, and even on my head. I am sixty years old and an old soldier, and have been examined by the Government Board over fifteen times, and they said there was no cure for me. I have taken all kinds of medicine and have spent large sums of money for doctors, without avail. A short time ago I decided to try the Cuticura Remedies, and after using two cakes of Cuticura Soap, two boxes of Cuticura Ointment, and two bottles of Cuticura Resolvent, two treatments in all, I am now well and completely cured. A thousand thanks to Cuticura. I cannot speak too highly of the Cuticura Remedies. John T. Roach, Richmondale, Ross Co., Ohio, July 17, 1905."
