MINISTER TELLS THE TRUTH.

Personal Experience of a Grieved and Well-beloved Preacher.

No other man in the community is so well-beloved or whose words have such weight as the minister, who has devoted his life to the service of mankind. In Maryland one of the most noted Methodist ministers in the State suffered severely with rheumatism. He found no relief until a friend recommended RHEUMACIDE. He was so delighted with the results that for the benefit of the other sufferers, as a duty to mankind, he tells his experience in the following letter:

"Reisterstown, Md., Feb. 27th. "I was taken with lumbago, rheumatism in my left hand and foot in the beginning of this winter, and suffered greatly. A gentleman in Baltimore who had tried RHEUMACIDE for Rheumatism recommended it to me. I secured three bottles and took it in smaller doses than prescribed, and am now entirely cured. Can use both hand and foot without the least inconvenience.

Pastor, Reisterstown M. E. Church."

IN THE SUPERIOR COURT.

Cases tried last week in Superior Court in this city last week:

In the Superior Court yesterday the entire day was taken up in the case of State vs. Jesse Jackson, Will Jackson and Luby Jackson, three young colored boys, the eldest of which is only about 15 years of age, charged with the murder of another negro by the name of Tom Parks, in a difficulty which occurred in Sauton township, on the 4th day of November, 1905.

The fatal stab, which resulted in Parks' death, was delivered by Jesse Jackson, while the other two boys, it was charged, were aiding and abetting the difficulty.

Considerable time was consumed on both sides yesterday morning in selecting a jury, and about three hours was consumed in introducing the evidence for the defence, the State offering no evidence, relying entirely upon the testimony of defendants witnesses. Both sides were represented by able counsel, Messrs. Aycock & Daniels and Ditch & Barnham, appearing for the defence, while Solicitor Jones, assisted by Mr. W. C. Moore, conducted the prosecution, all very able speeches were made on both sides.

The plea entered was self defense. It appeared from the evidence that in the difficulty Parks was the aggressor, and was advancing on one of the Jackson boys with knife in hand, when he was stricken the fatal blow by Jesse Jackson.

The Judge's charge to the jury was a very able and comprehensive one, reviewing in full the evidence, and citing the law in the case, and occupied about an hour's time.

At 15 minutes to 6 o'clock the case was given to the jury, and Judge Council adjourned court and instructed the Clerk, it being agreeable to all parties concerned, to take the verdict.

The jury filed out and in exactly 25 minutes returned and took their usual stand in front of the Clerk's desk.

A breathless silence pervaded the entire court room as the Clerk arose to take the verdict.

"Gentlemen, have you agreed in your verdict?" says Clerk Ormond.

"We have, came the prompt response."

"Are the defendants, Jesse Jackson, Will Jackson and Luby Jackson, guilty or not guilty?"

"Not guilty," came the quick response from the foreman.

"So say you all."

And with a happy smile the defendants marched out free.

Yesterday was an unusually busy day in the Superior Court, and much business was transacted. In addition to a number of other cases disposed of, there were twelve convictions for retailing without license.

The following is a list of the cases tried and the judgment of the court. State vs. Frank Pittman, assault with deadly weapon; guilty. Judgment, \$75 and cost.
