MRS. M. M. MARSHALL

Catarrh of Digestive Organs and Bowels.

MRS. MARY M. MARSHALL, Tip-ton, Mo., writes:
"I suffered three years with catarrh of the digestive organs and bowels. I was unable to find relief, until as a last resort I was induced to try Peruna.

"I began the use of Peruna when I was confined to the bed and can say that I experienced benefit from the first dose.

"I have taken five bottles in all and believe that I am cured of my trouble. I am enjoying as good health as an old lady of my age could expect. My age is 77.

"I recommend your medicines to sufferers whenever I meet them, and some of my friends are using them with great success.

"I will always feel grateful to you for your grand medicine and kind advice and trust that many others may be as greatly benefited as I have been."

Pe-ru-na For Bowel Trouble.

Mrs. L. S. Tinker, 852 Second street, Macon, Ga., writes:
"Two years ago my grandson suffered with hemorrhages of the bowels and he was treated by different doctors, but without cure.

"We quit all other treatment, and began the use of Peruna, and after the use of three bottles he seemed to be quite well. He is able now to walk six miles to school every day.

"Peruna has certainly worked wonders for him, and I shall not hesitate to recommend it."

MISS ANNA CARSTEN

Miss Anna Carsten, Clayton, Ill., writes:

"Your medicine, Peruna, did me so much good. I believe I should have been dead by this time if I had not used it.

"I am feeling so well now and have no trouble with my stomach. I have not taken any medicine for four or five months.

"If I am ever troubled with anything of the kind again, I shall take nothing but Peruna. I can cheerfully recommend it to my friends."

A Severe Cough.

Mrs. Emma Martin, Odessa, Mo., writes:

"I cannot thank you enough for curing me. For two years I doctored my cough which cost me many dollars, but still I seemed to get worse. My cough was so bad I could not sleep.

"Finally I purchased a bottle of Peruna. I took it according to directions, and in a short while I felt better, and after I had taken a second bottle I felt entirely well.

"After the use of six bottles I feel that I am cured, and therefore recommend this grand medicine to all who suffer with a cough as I did."

A Household Remedy.

Mrs. Celia Eibling, R. R. No. 3, Payne, Ohio, writes:

"I have better health now than I have had for years, and am fatter than I have ever been. I am so thankful to you for what you have done for me.

"I cannot praise Peruna enough. I keep it in the house. You have my sincere thanks for your advice.

"My husband is taking Peruna, now. He had such a cough he thought he had consumption, but he is getting better.

"He has taken it only one week and it has done him good."

MISS EVA SCHELLE

Miss Eva Schelle, 127 N. Quincy St., Topeka, Kas., writes:

"I unhesitatingly recommend Peruna as a splendid specific for catarrhal affections. I was a sufferer with this trouble off and on for a number of years and each fresh cold added to the difficulty.

"Finally I began taking Peruna for a cold and was glad to note that it was ridding me of the catarrh also.

"I continued to use it faithfully and the result was a complete cure in a very few months."

MRS. CHRISTINA CLOW

Mrs. Christina Clow, 411 E. Platte Ave., Colorado Springs, Col., writes:

"I have taken Peruna off and on for six years and have found it very beneficial in a great many ways.

"I took it for a cough and a cold, also for catarrh of the head, and it cured me. I took it for a tonic and it gave me strength. I have every reason to speak well of your medicine."

FAITH THAT CANNOT BE SHAKEN.

Despite everything that sensational magazines may say, the women of the United States continue to have faith in Peruna.

These women know a great deal more about Peruna than the editors who have, for selfish purposes, written against it. These women have tried Peruna in their families. They have taken it themselves. They know it will help them.

They have suffered from various ailments, and Peruna has come to their relief, even when the doctors failed to cure them.

Such women cannot be convinced by any editorial spasm that their favorite household remedy is a humbug.

Peruna goes right on in its conquest over disease. Its fame is spreading all over the earth.

Especially among American women is Peruna a beloved household remedy. It is entirely useless for anyone to try to dissuade them from the results of their own experience.

Peruna is a remedy for the mucous membranes. It therefore has a bene-

ficial effect upon the internal organs of the body that are lined by mucous membranes.

For various chronic climatic diseases Peruna is a reliable remedy.

The testimonials concerning Peruna are given in the language of the people. We do not change or add to anything they may say concerning it.

The evidence is overwhelming that Peruna is a safe, reliable, invaluable remedy for the household.

Headache and Backache.

Mrs. Franziska Gaengel, Dominion 1, Old Bridgeport Mines, C. B., Canada, writes:

"I thank you for the benefit which I derived from Peruna. There may be many who are suffering from the same disease that I had, for which they have not yet been able to find the correct remedy.

"For the benefit of such persons I wish to say that I suffered with headache and backache and had a severe cough. I was in bed several weeks and could not do my work. I tried many remedies in vain.

"Then I consulted Dr. Hartman, who advised me to take Peruna and gave me further instructions, which I carefully observed.

"I felt better after taking the first bottle. I have taken several bottles now and am feeling so well that I can do all my work.

"I will never be without Peruna again, and recommend it to all."

Catarrh of the Stomach.

Mrs. Mary Allen, Route 6, Franklin, Tenn., writes:

"I am glad to be able to tell you that I am well of catarrh of the stomach, and am sincerely thankful to you for your advice.

"If it had not been for Peruna I would never have been well. I had three physicians. One of them told my husband that he could not cure me.

"I had been sick about nine months when a friend asked me to try Peruna to gratify her; so I commenced taking it. I can eat and walk and work.

"Everybody says I look as well as I ever did. Oh, you don't know how thankful I do feel to you! I have got several other people to take Peruna. I praise it to everybody."

WANTS MARINE BAND.

Governor Glenn's Business in Washington.

Washington, D. C., April 19.—Governor Glenn and Senator Simmons arrived here today, and will meet the President tomorrow. The Governor is here primarily to attend "North Carolina night" at the big Masonic fair now being held in the city, but he also has several matters of importance to bring to the attention of the President. An accumulation of department matters that required immediate attention is responsible for the Senator's visit.

Governor Glenn is anxious that the Marine Band attend the exercises incident to the unveiling of the monument in honor of the late Ensign Worth Bagley in Raleigh next month, and he hopes to be able to induce the President to direct that the band visit Raleigh on that occasion.

COMMITTS SUICIDE.

Millionaire Merchant of Philadelphia Found With His Throat Cut.

New York, April 19.—A man who registered at the Palace hotel, Hoboken, at eleven o'clock last night as Wilson Veleros, of Trenton, N. J., was found in a dying condition in his room tonight. His throat had been gashed, apparently by a piece of broken crockery.

According to the police of Hoboken, the man has been identified as Benedict Gimbel, the Philadelphia millionaire, who was arrested here yesterday and later admitted to bail on the double charge of improper conduct and attempted bribery of a police officer.

Even when a man is a failure, he has not lived in vain if he makes the best of it.

If the weather would only get in season now, we might all be happy yet.

Take me back to old Wisconsin. Where the sargar beets any tobacco grow, Where the farmers are healthy, happy and bright— They all take Rocky Mountain Tea at night. Higgins Drug Company.

Why Some Tobacco Is Best

Is well and interestingly told in Virginia-Carolina Fertilizer free almanac by experts on tobacco farming. The free burning qualities of tobacco are greatly impaired by using impure, inferior and "cheap" fertilizers. Insist upon your fertilizer dealer supplying you with high grade

Virginia-Carolina Fertilizers

for they contain no ingredients that will injure your soils like so many other guanos. Use from 500 to 800 lbs. of these fertilizers per acre, according to the strength of your soil—and the growth of your tobacco will be hastened forward two or three weeks. Your yield per acre will be greater, and the quality better—larger leaves containing good body and excellent finish. Then you will obtain more money for your crop. Get one of our beautiful almanacs. It is free but worth \$1.00 to any farmer.
