GOLDSBORO, N. C., MAY 2, 1907

Kinston Free Press—Our Baptist friends are looking forward with much interest to the dedication exercises that are to be held in their church on Sunday, the 12. An excellent program has been arranged and will appear in this paper about the last of the week.

Charlotte News—Salisbury's board of aldermen will shortly vote an election on the issuing of \$300,000 bonds for street improvements. If the proposition carries \$100,000 is to be issued each year for the space of three years. Salisbury, like Charlotte and the balance of the cities of this state, needs, possibly above all other things, better streets.

Wilmington Star—The men's handicap golf match Saturday afternoon was won by Mr. A. H. Fenn, the expert from Poland Springs, Mo. Mr. Fenn broke the record of the course, making the first round of nine holes with 35 and the second with 40. The record of the course was previously held by Mr. Donald Ross, the professional of Pine Hurst, N. C.

New Bern Journal—Arrangements have been made to begin actual work on the survey of the southern section of the great inland waterway from Beaufort to Norfolk, for which congress appropriated five hundred and fifty thousand dollars. Mr. Frank B. Perry with a corps of assistants and necessary boats have been at Beaufort, from whence the survey will begin.

Greenville Reflector—Since the trestle across the mill run near Mr. L. C. Arthur's has been completed, track laying on the Norfolk & Southern railroad has been carried over it and is being pushed on rapidly toward Chowanville. Officials of the road were here a few days ago and say they want trains to be running from Greenville to Norfolk by the middle of June.

Charlotte News—The Foreign Mission Board of the Southern Baptist Convention, of Richmond, gives out the statement that the closing of the books for the fiscal year ending April 30th shows that North Carolina contributed \$30,500, as compared with \$20,000 for the year previous, to the cause of foreign missions. This is indeed a magnificent showing, one that is a credit and honor to the members of this great Christian body of workers.

New Bern Journal—Governor Glenn and Superintendent of Instruction J. Y. Joyner arrived on the mail last night and were immediately driven to the Norfolk & Southern dock from where they sailed for Belhaven bound to Swanquarter, where they will attend and participate in an educational rally and will also visit other points in that interesting and fertile county. They are the guests of Julius S. Man, the superintendent of the penitentiary.

Raleigh News & Observer—His many friends in the State will be glad to see from today's paper that ex-Governor Jarvis is devoting time to speaking words of truth and of soberness in the Sunday School as well as standing for education and other matters that tend to lift up his fellow men and bless his State. His presence at Wilson at the dedication of the new Methodist church added much to the interest of the occasion. May he live long to serve his church and State.

Charlotte Observer—The Democratic voters of Charlotte had a chance yesterday to do themselves credit and they were not found wanting. That only about one in every fourteen exercised his unquestioned privilege to scratch Mayor McNinch because of the mayor's injudicious but excusable pro-Roosevelt letter—Mr. Roosevelt has been a pro-Charlotte President—reveals a breadth and good sense much too rare in partisan politics.

Raleigh News & Observer—As Jackson, Polk and Johnson were born in North Carolina, Tennessee can claim only to be a "Stepmother of Presidents," says the Houston Post. In this matter, the usual order is reversed; Tennessee is the daughter of North Carolina. It was because of love of the daughter and wishing to set her up in business that North Carolina sent Jackson, Polk and Johnson over to Tennessee. They made it a noble commonwealth.

Greensboro Record—All in all, yesterday was probably the greatest day ever seen in a denominational meeting in Greensboro. The new First Baptist church seats, by means of the combined auditorium, perhaps more than any other church in the South, but it was inadequate to the demands on yesterday. At each of the three services at least 3,000 applied for admission and many were turned away for want of even standing room. At the morning service hundreds reconsecrated themselves to the Lord and that involved the repudiation of social cards, dancing and theatre-going; 18 or 20 professed conversion. At 3 o'clock in the afternoon a meeting for men only was held, the church being again packed. It was glorious. Hundreds gave their hearts to Christ anew and nearly a hundred professed. At night there was no standing room, and the history of the other meetings of the day was repeated with an increased power.

My Best Friend.

Alexander Benton, who lives on Rural Route 1, Fort Edward, N. Y., says: "Dr. King's New Discovery is my best earthly friend. It cured me of asthma six years ago. It has also performed a wonderful cure of incipient consumption for my son's wife. The first bottle ended the terrible cough, and this accomplished, the other symptoms left one by one, until she was perfectly well. Dr. King's New Discovery's power over coughs and colds is simply marvelous." No other remedy has ever equaled it. Fully guaranteed by J. H. Hill & Son, Druggists. 50c and \$1.00. Trial bottle free.

"Society girls are born, not made," says an authority. Yet they are often made up.

Wonderful Eczema Cure.

"Our little boy had eczema for five years," writes N. A. Adams, Henaletta, Pa. "Two of our home doctors said the case was hopeless, his lungs being affected. We then employed other doctors but no benefit resulted. By chance we read about Electric Bitters; bought a bottle and soon noticed improvement. We continued this medicine until several bottles were used, when our boy was completely cured." Best of all blood medicines and body building health tonics. Guaranteed at J. Hill & Son's drug store.

There are times when everything goes fast, especially our money.

A Narrow Escape.

G. W. Cloyd, a merchant, of Plunk, Mo., had a narrow escape four years ago, when he ran a jimson bur into his thumb. He says: "The doctor wanted to amputate it but I would not consent. I bought a box of Bucklen's Arnica Salve and that cured the dangerous wound." 25c at J. H. Hill & Son, druggists.

A friend in need is a friend indeed—it he planks down the cash.

Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak stomach nerves—the inside nerves—means stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restoratives. If any one has any doubt as to the virtue of Foley's Kidney Cure, they need only to refer to Mr. Alvin H. Stimpson, of Willimantic, Conn., who, after almost losing hope of recovery on account of the failure of so many remedies, finally tried Foley's Kidney Cure, which he says was "just the thing" for him, as four bottles cured him completely.
