Prominent Physician of Raleigh Arrested Today.

Charged With Murdering His Own Son By Slow Poison For Insurance Money; Other Murderous Developments.

Raleigh, N. C., May 20.—Dr. D. S. Rowland, a prominent physician of this city, was arrested today on the charge of poisoning his own son, to secure insurance money.

The boy was attending school at Kittrell, N. C., and suddenly died after a visit from his father.

Dr. Rowland refuses to talk. When arrested today he produced a marriage certificate to the widow of an engineer who recently died here under suspicious circumstances, Dr. Rowland thinking he was being arrested on the charge of unlawful association with the woman.

The wife of Dr. Rowland was also arrested this afternoon.

The charge against her is conspiracy with Dr. Rowland in the murder of her former husband, C. R. Strange, who died suddenly in Raleigh soon after Dr. Rowland had left him, after being called to attend Strange.

Rowland will be charged with poisoning Strange, also, whose widow he married a few days after Strange's death.

Strange and wife were Western people, he being a locomotive engineer, and they had lived here only a short time.

The officer of Vance county, who came here for Rowland today is said to have stated that there are suspicious circumstances connected with the death of Rowland's first wife. Rowland is widely known and his arrest has caused a veritable sensation. He was taken to Henderson today.

Beautiful Home Wedding Last Night.

At the home of the bride's mother, Mrs. Zadoc Thompson, on Park avenue, yesterday evening at 8 o'clock, in the presence of the immediate family and a small circle of especial friends, a beautiful wedding was solemnized, the contracting parties being Mr. Henry A. Pike, of the firm of Hobbs, Pike & Co., of this city, a young man of sterling worth and splendid business capacity and enterprise, and Miss Sarah O. Thompson, who is universally esteemed by all who know her for those attributes of true womanhood that make for the betterment of the world.

The officiating minister was Rev. E. H. Davis, pastor of St. Paul M. E. Church, and the attendants were Mr. Joe S. Warrick with Miss Lula Edwards; Mr. Oscar L. Thompson with Mrs. Edgerton, brother and sister of the bride; Mr. Dock Thompson, brother of the bride, with Mrs. Dock Thompson. Thus surrounded by loving hearts the solemn service was the more impressive, and its simplicity was exceedingly beautiful.

Immediately after the ceremony the lovely bride and fortunate groom were showered with congratulations and were the personification of happiness.

In the spacious dining room the bridal party and guests were seated and delicious refreshments served with unstinted hospitality, and all indeed "went merry as marriage bells."

The happy young couple will make their home for the present with the bride's mother, and they begin their wedded life with every good wish from a host of friends who hold them both in highest esteem.

## ABE NON EST.

Notorious Lawyer Does not Appear to Begin Sentence.

New York, May 20.—Abe Hummel, the notorious Criminal lawyer who was to be sent to the Penitentiary today to serve a term for professional dishonesty, has mysteriously disappeared.

Officers couldn't find him today, but some think he may have gone voluntarily to present himself at the prison, in order to avoid the jeers of the crowd while being taken publicly by officers to the pen.

Later: Hummel was found by officers and was taken to the penitentiary in his own automobile. The little lawyer threw himself on the floor of the vehicle as the crowd along the route could not see his features.

## THE ROWLAND SENSATION.

Case Now Being Investigated; Autopsies Being Held To-Day.

Special to THE ARGUS.

Raleigh, May 21.—The body of the late Engineer Strange, whom Dr. Rowland and bride, (late widow of Strange), are charged with poisoning, was exhumed today for an autopsy. If poison be not found it is probable no case can be made against them.

Mrs. Rowland states that she never saw Dr. Rowland till the day her husband died. She left Raleigh this morning, having given a \$2,000 bond. It is presumed she has gone to Henderson to join Dr. Rowland.

The stomach of the son of Dr. Rowland arrived here from Henderson today and was sent immediately to professor Withers at A. & M. College for analysis by him and Dr. Kilgore.

"Cuticura Remedies have entirely cured me after all other remedies had failed. I went to work again to-night. My trouble was as follows: Upon the limbs and between the toes my skin was rough and sore, and also sore under the arms. I am a chef for a large cafe on Broadway, and I had to stay at home several times because of this affliction. I had been suffering for eight years and have now been cured by the Cuticura Remedies within a week. I am much indebted to Cuticura, and shall certainly recommend it to all my friends and colleagues in the kitchen. Fritz Hirschclaff, 24 Columbus Ave., New York, N. Y., March 29 and April 6, 1906."

## ALFONSO IS TWENTY-ONE.

Madrid, May 17.—The popular festivities which have continued without cessation since the birth of an heir to the throne, one week ago, were given a fresh impetus today by the celebration of King Alfonso's twenty-first birthday. In view of the fact that Alfonso has been a full-fledged ruling monarch for the past three years it is interesting to note that he has only now reached the age of manhood according to the standard of America and the countries of Northern Europe.

There was great rejoicing in Madrid today, as well as in all other parts of the kingdom. The day was kept as a general holiday, public and private buildings were profusely decorated and the streets and squares were filled with pleasure-seekers. Many deputations bearing addresses of congratulations were received at the palace and several times during the day the King was obliged to show himself on the balcony in response to the shouts of the crowd. His appearance each time was greeted with the wildest enthusiasm.

## BIG STRIDE FORWRD.

Falling Creek District in Grantham Township Votes Special School Tax.

Yesterday the citizens of Falling Creek district in Grantham township voted on the question of a special tax for school purposes.

This district is known as the consolidated district, which was formed two years ago, and a fine school building erected at Falling Creek.

Prior to the consolidation their was great opposition to it, but the County Board of Education, with all the lights before them, decided in favor of consolidation, and the people over there gracefully acquiesced.

The fine school erected held its first commencement last May, and on that occasion the heretofore strongest opponents to consolidation graciously came forward and endorsed it as the most fortuitous thing that had ever happened for their neighborhood.

Another year of school—8 months term—has just been rounded—the second of consolidation—and yesterday the voters of the district at an election for special tax, carried the measure almost two to one.

Thus is the educational renaissance asserting itself. Falling Creek district did itself proud yesterday. It is the pioneer in what is destined to come to every country school district, consolidated or otherwise, in the county, sooner or later.
