CONFEDERATE REUNION AT RICHMOND

Officers Elected, Birmingham Next Place of Meeting.

Tomorrow the Memorial Services will be Held Under the Auspices of the Confederate Southern Memorial Association.

(By Special Wire to the ARGUS.)

Richmond, Va., June 1.—Though the Confederate reunion has now been in progress three days there is no abatement of interest or enthusiasm apparent on the part of the thousands of veterans and other visitors. Business meetings of the various organizations were held during the day, but the vast majority of the visitors were occupied more with the entertainment features of the programmes which are the most elaborate ever provided at a reunion of the veterans. Governor and Mrs. Swanson are to hold a public reception at the executive mansion this evening and a big entertainment will be given at the auditorium.

Tomorrow the memorial services will be held under the auspices of the Confederate Southern Memorial Association and special services will be held in nearly all the Richmond churches. The electing of officers today resulted as follows:

Commander in Chief, Stephen D. Lee.
Department commanders, Generals Irvin Walker, Clement Evans, W. L. Cabell.
Birmingham was selected for the next reunion.

RAILROAD COMBINE.

Rumor of a Coming Merger Between Norfolk & Southern and Norfolk & Western.

(By special wire to THE ARGUS.)

Raleigh, N. C., June 1.—A report of considerable movement became current here this morning and created much interest, to effect that a new charter had been granted by the legislature last March to the Raleigh and Winston-Salem Railroad Company, and that it would be used in the interest of the Norfolk & Southern, to enable that road to build a link connecting the Raleigh and Pamlico road, (recently bought by the Norfolk & Southern,) at Raleigh with the Norfolk & Western for the commercial advantage of both roads.

These two roads are known to be on good terms.

Railroad officials will not, of course, discuss the report, so that nothing officially can be said on the matter. It is a plan that is entirely feasible from a stand point of business, and this fact makes the report of more than passing interest.

THE DAY'S SENSATION.

A Brother of Czolgosz Attends Mrs. McKinley's Funeral.

(By special wire to THE ARGUS.)

Cleveland, O., May 29.—Secret service men have been alarmed today over the discovery that Micala Czolgosz, a brother of the Assassin of President McKinley, and who lives here with his father, had gone to Canton, where the funeral of Mrs. McKinley is in progress.

They fear he may attempt to assassinate President Roosevelt, and they are scouring the city of Canton to find him. The father admits to authorities here that his son has gone to the funeral of Mrs. McKinley.

POST OF HONOR.

Richmond, Va., May 30.—In the parade today North Carolina was assigned the Post of Honor and the Tar Heel veterans made a fine appearance. More North Carolina Vets are here than from any other State.

Mrs. A. J. Beall, of Charlotte, was robbed of \$65 and her suit case.

A RALEIGH ROMANCE.

Marriage of Miss Latta and Mr. Holt Discovered Today.

(By special wire to THE ARGUS.)

Raleigh, N. C., June 1.—There was a surprised mother in Raleigh this morning when young William N. Holt, son of ex-mayor E. J. Holt, of Smithfield, walked into the elegant home of Mrs. C. G. Latta and announced that he had come to claim Sackie, her daughter, stating that she was his wife.

It soon developed that young Holt, who graduated from the textile department of the A. & M. college this week, went with Miss Sackie to Durham, secured license and married her in that county, near Nelson, last Tuesday. Young Holt then returned to college, and finished his graduation examinations.

The bride is the daughter of the late C. G. Latta, a well known and wealthy cotton manufacturer.

The father of young Holt is also a prominent cotton manufacturer of his town.

Justice Harlan's Birthday.

(By special wire to the ARGUS.)

Washington, D. C., June 1.—Justice John M. Harlan, one of the associate justices of the United States Supreme Court, enters upon his seventy-fifth year today. He was appointed from Kentucky and has been on the supreme bench thirty years, or eleven years longer than Chief Justice Fuller, who comes next in point of service.

Justice Harlan is seemingly as full of health as the best of men and though he has been eligible to retirement for several years he apparently entertains no idea of quitting the bench at any very early date.

A change in administration is probably about the only thing that might bring about his retirement very soon. He is a Republican, and a pretty strict party man, and should the Democrats win next year he would probably give President Roosevelt the privilege of appointing his successor.

In Memory of Garibaldi.

(By special wire to THE ARGUS.)

Rome, June 1.—Preparations are being made in Rome and throughout Italy for appropriate observance tomorrow of the twenty-fifth anniversary of the death of Garibaldi, the great Italian liberator, who died June 2, 1882. Memorial exercises will be held in cities throughout the kingdom and a great pilgrimage of patriotic societies will be made to the Garibaldi tomb at Caprea.

The son of a seaman, Garibaldi was born at Nice, in 1807. After an adventurous youth, he became compromised in revolutionary movements, and had to exile himself. Some years were spent with republican insurgents fighting the imperial forces of Brazil. In 1848 Garibaldi was in Italy, and the leadership of the defence of Rome was entrusted to him. Rome had been proclaimed a republic, and it was besieged by the French. He defeated them in 1849, but the city fell into their hands at the end of a three months' siege. Victories over the Austrians followed, and his march to Sicily with his "thousand," in 1860.

Vredenburg-Baker Wedding.

(By special wire to THE ARGUS.)

Winchester, Va., June 1.—A wedding of social note here today was that of Miss Virginia Cabell Baker, daughter of Mr. and Mrs. Alex N. Baker, and Peter Vredenburg, Second, a member of the New York Stock Exchange. The ceremony was performed at Christ Episcopal Church and was attended by many persons of social prominence from New York, Washington, Philadelphia, Baltimore, Richmond and other cities.

To Celebrate Pope's Birthday.

(Special to THE ARGUS.)

Rome, June 1.—Pope Pius X. will be seventy-two years old tomorrow and the anniversary will be celebrated by specially elaborate services in St. Peter's and in all the other churches of Rome. His Holiness, according to authentic reports, is enjoying good health at the present time, having fully recovered from his illness of the past year and which at one time threatened grave results.

HERE'S THE LATEST.

Bryan a Contingent Candidate for the Presidency.

Topeka, Kan., June 1.—Attorney-General Colby in an interview to-day expressed the opinion that Col. W. J. Bryan will refuse to run again if Taft be nominated, but that if the republicans nominate Roosevelt, Bryan will endeavor to be the democratic candidate.

Colby is a republican, and, of course, for Taft.

Southerners Wed in Chicago.

Special to THE ARGUS.

Chicago, Ill., June 1.—At the Chicago Branch Hotel today the wedding took place of Miss Mary Haywood Fowle, daughter of the late ex-Governor Daniel G. Fowle, of North Carolina, and Walter N. Stearns, of Atlanta, Ga. The matron of honor was the bride's sister, Mrs. Thomas D. Knight, of Chicago, and the best man was F. A. Stearns, of Waltham, Mass. The wedding ceremony was followed by a large reception.

University of North Carolina.

(By Special Wire to the ARGUS.)

Chapel Hill, N. C., June 1.—Many visitors are here to attend the commencement exercises at the University of North Carolina. Senior class day exercises were held today and another event of interest was the laying of the cornerstone for the new library. Bishop Hendrix is to deliver the baccalaureate sermon tomorrow.

LAI'D TO REST.

Body of Mrs. McKinley Now Lies Beside her Martyred Husband.

(By special wire to THE ARGUS.)

Canton, May 29.—The funeral of Mrs. Wm. McKinley was held here this afternoon at 2 o'clock. Revs. Buxton and Holmes officiated.

The favorite Hymns of the late president, "Lead Kindly Light" and "Nearer My God To Thee" were rendered by the choir.

All business houses and schools were closed at noon. President Roosevelt and Vice-President Fairbanks were among many distinguished persons present.

The body was placed in the West Lawn tomb beside that of her late lamented husband, as heretofore announced.

New York, June 1.—The weekly bank statement shows an increase of over thirteen million in loans, and an increase of over fifteen million in deposits.

AN IDEAL SITE.

The S. W. Isler Residential Property The Place For The High School.

Editor ARGUS:

I was glad to see in THE ARGUS, the other day, a timely and well tempered communication on the locating of the High School, soon to be erected in this city. Your correspondent, however, while thoroughly correct in the main, was, I think, taking too much "time by the forelock" in advocating the locating of the school centrally on East and West Center street.

Mr. Editor, you and I—and every one knows that it will be a long time before Railroad street will have surcease of passing trains and enjoy that quiet conducive to study and that is essential for imparting instruction in a school room. Let us, therefore, as a community not get in the "breakers," but with steady and united purpose demand that a feasible site be selected—looking to the future of the city—to a time when its general development will demand every foot of available ground for its march of progress as Greater Goldsboro.

When that time comes if the High School be not located on a commanding site it will be encroached upon.

Is such a site available? It is.

The beautiful residential property of Mr. S. W. Isler, on Walnut street east, containing four full acres, fronting 325 feet on Walnut street and running back 400 feet; a hill, high and naturally drained, can be had for \$10,500. It is ideal. It is cheap, and, building for all time, the Board should not hesitate to purchase it. The people will unanimously endorse their action and generations yet unborn will bless their memory.

Very truly,
Friend of Progress.

PAT CROWE REPENTANT.

Notorious Kidnapper Now Wishes Orders.

His Aspiration Not Regarded Favorably by the Clergy of the Church.

Omaha, Neb., May 30.—Pat Crowe the notorious kidnapper and general all-round crook, who has had worldwide newspaper advertising, and while in the "crook" business was the slickest proposition that the police and detectives of the country ever had to do with—and who outdid them all—but who of late years has been leading a quiet, and to all appearances, a repentant life, is reported today as seeking to join the priesthood of the Catholic church.

His aspirations in this direction are not looked upon with favor by the clergy of that church.

There is no danger, however, of his being more than "tensored" any time soon, as the road to orders is one of long probation and self-denials, even with those who with favorable records take early to this vocation; so that Pat Crowe, even should he receive the tonsure and start in on the ordeal, will be long in reaching ordination.

RICHARD CROKER.

It is Said He is To Become a Member of Parliament.

(By special wire to the ARGUS.)

New York, June 1.—Advices received from London state that Hon. Richard Croker is to become a member of the British Parliament soon, and that the Irish Nationalists expect to make him the leader of their party.

Revolt in China.

Special to THE ARGUS.

Canton, China. The city of Swatow is reported to be on the verge of capture by ten thousand rebellious triads, who are marching on the city, after eluding the troops sent to head them off.

The revolt is spreading rapidly through Kwang Tung province.

IT IS PRESIDENT FOUST.

He is Unanimously Elected Head of the Greensboro State Normal.

Normal.

Every citizen in Goldsboro, white and black—young and old, will be deeply gratified at the election of Prof. Julius I. Foust to the presidency of the State Normal College at Greensboro. It was his due, and that it came to him as the unanimous action of the Board is most creditable to him:

The Industrial News, of Greensboro in its issue of this morning says editorially:
"Without in the least disparaging any of the other institutions very dear to the heart of all true North Carolinians, we say without fear or contradiction that the State Normal and Industrial College stands second to no other institution in its influence for good, in the magnitude of its work or in the place it holds in the affections of the people.

"From this it follows that the question of its presidency is a matter which is universally looked on as of great public moment, for while it is true that a general without an army could do little in its equally true that the best of armies under incompetent command is robbed of half its effectiveness.

"For a year now the question of the selection of a successor to the beloved and lamented McIver has been weighed and considered with the care that its importance demanded, while Prof. J. I. Foust acting president performed the duties of the vacant office.

"Yesterday the board of directors finally determined the matter by the election of Prof. Foust to the presidency, and thereby acted in a manner that we feel sure will meet with very general commendation.

"The new president has for years been identified with the workings of the college, and will continue the work he has so ably done during the past year.

"To say that he will prove equal to the arduous duties and measure up to the required standard of the executive head of the largest college for women in the south is but to express plainly and simply an opinion held by all who know the man and his work in the past. To praise him further would be useless, for to say that a man is fitted for the presidency of the State Normal and Industrial College is surely praise enough for any North Carolinian."

VIENNA'S COTTON CONGRESS.

Vienna, May 30.—The International Cotton Congress in session here, and largely attended from all cotton growing countries of the world, today adopted a resolution looking to the fostering of the common interest of cotton throughout the world.

The speeches bearing on the particular phase of the question—the culture of cotton—the acreage etc.—were earnest and sincere and a fine community feeling was engendered that means more efficient co-operation—world-wide—than ever before.

The speeches on this subject by American growers were listened to with especial interest by European spinners in attendance.

FURIOUS ITCHING HUMOR ON CHILD

Bleeding Sores Covered Her Whole Body After an Attack of Measles—Nursed Every Night for Three Weeks—Nothing Helped Her.

THEN CUTICURA MAKES COMPLETE CURE IN 5 DAYS

"It is in my opinion my duty to join those who praise the Cuticura Remedies. After my granddaughter of about seven years had been cured of the measles, she was attacked about a fortnight later by a furious, itching and painful eruption all over her body, especially the upper part of it. For many days she was in a state of water and bleeding sores, especially under the arms, of considerable size. She suffered a great deal and for three weeks we nursed her every night, using all the remedies we could think of. Nothing would help. We then remembered having heard so much about Cuticura Remedies. We sent for them and after twenty-four hours we noted considerable improvement, and, after using only one complete set of the Cuticura Remedies, in five consecutive days the little one, much to our joy, had been entirely cured, and has been well for a long time. Mrs. F. Ruefenacht, R. F. D. 3, Bakersfield, Cal., June 25 and July 20, 1906."

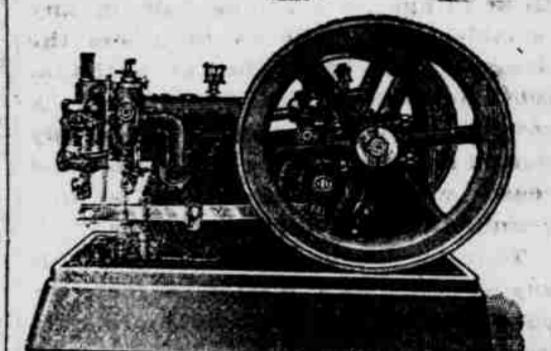

HUMOR ON FACE

Cured by Cuticura Remedies No Return in 20 Years.

"My son, when a lad of sixteen, was troubled with humor on his face and after using Cuticura Remedies he was freed from every humor and has continued so to the present time after twenty years have passed. Your Cuticura Soap has been used in my family for several years and I have faith in the Cuticura Remedies. A. H. Smith, Marion, Me., Dec. 1, 1905."
