INCREASE IN PRICE OF STAMPED ENVELOPES.

Local Postoffice is Notified of Slight Advance in Prices.

The fellowing notice has been received at the postoffice here:

1. Postmasters are notified that under a new contract for the manufacture of stamped envelopes and newspaper wrappers, taking effect July 1, 1907, the prices at which they will be issued by the department to postmasters, and sold by postmasters to the public, are increased four cents per thousand over the selling prices of the present (1903) price-list. Postmasters should notify their patrons to this effect.

July 1, 1907, will be at the new prices, even though the order therefor was dated in June, which accompany en- call and examine them. with the new rates.

FRAUDS AT MONTE CARLO.

Gamblers May be Interested But None Others Care.

Paris, June 21.-Monte Carlo has been considerably stirred up by the discovery of a series of exceedingly clever frauds on the part of employes of the famous gambling casino.

The plan was for a confederate to hand to a croupier a five hundred franc note for change, and the croupier would give him, instead of five hundred francs, a thousand francs.

Of course the croupiers and the banker of the table at which the con-

SURPRISE PROCEEDINGS.

San Francisco, June 21.-The petition for a Writ of Habeas Corpus, filed last night, by Mayor Schmitz's attorneys has taken the prosecution by surprise and the result is awaited with keen anxiety.

Schmitz's petition recites among other things that Rudolph Spreckles, the sugar magnate, and his crowd are behind the prosecution and desire to destroy him so they can get control of the city's affairs, to their own advan-
