

ROOSEVELT AT PROVINCETOWN.

The President Will Be Welcomed by Gov. Guild and the Local Committee.

The Cornerstone Will Be Laid Tomorrow for a Monument to Commemorate the Landing of the Pilgrims.

Provincetown, Mass., Aug. 19.—The cornerstone will be laid here tomorrow for a monument to commemorate the landing of the Pilgrims, and Provincetown is putting on her best bib and tucker in anticipation of the occasion. It is expected to be one of the most memorable celebrations Cape Cod has ever seen. President Roosevelt will be here, together with Governor Guild and other notables. Many ships of the North Atlantic squadron have already dropped into the harbor ready to do their share in making the celebration one long to be remembered.

The presidential yacht Mayflower will drop anchor about ten o'clock tomorrow morning inside Long point, where the original Mayflower is supposed to have landed the Pilgrim fathers 287 years ago. The President will be welcomed by Governor Guild and the local committee. After landing the visitors will be escorted to the top of Town Hill, where the ceremonies of the day will take place. The Massachusetts Grand Lodge of Masons will be in charge of the exercises. In addition to President Roosevelt the speakers will include Ambassador Bryce, Senator Henry Cabot Lodge and Congressman Lovering. After the cornerstone laying there will be a banquet and literary exercises in the Town Hall.

Special to THE ARGUS.

THE STRATEGY BOARD.

Telegraphers' Union Moving To Put Western Union and Postal Out of Business.

(By special wire to THE ARGUS.)

Raleigh, Aug. 19.—Daniel L. Russell, head of the Telegraphers' Strategy Board, with counsel, is today applying to the attorney-general of New York to bring suit to annul the charters of both the big telegraph companies.

A hard fight will be made to put them out of business, because of the policy they are pursuing. It is alleged that they accept messages on their blanks, to be sent out by wire, and then mail them, or express them, on those blanks.

The strikers, tomorrow, will begin the publication of a new daily paper, "Fair Play", in New York.

They say the American and Journal are the only papers that now give them a square deal.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
