

## DEMOCRACY'S DAY.

Unusually Large Attendance  
at Today's County  
Convention.

Splendid Order Prevailed, and Due  
Liberation was Given to the Nam-  
ing of the Strong Ticket  
the Party has Placed  
in the Field.

## HIGH TRIBUTE TO SHERIFF STEVENS.

From Saturday's Daily.

The Democracy of Wayne county  
surely never showed to better advan-  
tage than in its county convention in  
this city today when it named the  
county and legislative ticket that is to  
achieve victory at the polls in Novem-  
ber.

The convention was called to order  
by Secretary Parker, in the absence of  
Chairman Dickinson, and Mr. F. A.  
Daniels was asked to act as temporary  
chairman. He stated briefly the ob-  
ject of the convention and called the  
roll of precincts; and as these all re-  
ported, he declared the convention  
ready for business.

The temporary organization was made  
permanent, with Mr. Tobe Harrell as  
assistant secretary, and nominations  
were declared in order—beginning, as  
customary with the sheriff. The present  
—excellent and popular incumbent,  
Mr. Everitt A. Stevens, was placed in  
nomination, and immediately his  
hitherto opponent Mr. Will Grant,  
seconded the nomination in grace-  
ful words and moved that it be made  
unanimous. There being no other nomi-  
nations this course was spontaneously  
adopted in splendid spirit that was a  
proud ovation to so worthy an official  
as Sheriff Stevens has proven.

Register of Deeds was next in order,  
and this began the real tug of war that  
characterized the convention for the  
balance of its sitting. The names of  
Messrs. L. H. Reeves, W. G. Britt, W.  
A. Copeland and Capt. A. J. Brown  
were each heralded to the convention  
by staunch advocates and eloquently  
seconded by others and then the vot-  
ing began. Four ballots were taken  
without a nomination and without  
change. Then Captain Brown with-  
drew.

The fifth ballot resulted in no choice,  
and so until the 14th ballot, when Mr.  
W. G. Britt, the present efficient in-  
cumbent was returned for another  
term.

Nominations for Treasurer came  
next. There were Messrs. J. H. Hill,  
Jr., W. A. Potts, A. B. Hollowell and  
the present incumbent J. W. Thompson,  
who on the 5th ballot was again given  
the office.

Mr. Carl E. Stanley was by accla-  
mation renominated for Coroner, and  
by acclamation Mr. J. L. Barham was  
nominated for the Senate, a high hon-  
or, and worthily bestowed for he is in  
every way qualified to represent  
Wayne county in the upper branch of  
the General Assembly with credit and  
usefulness.

For the lower house Messrs. Jno.  
M. Mitchell, of Fork township, and J.  
I. Kelly, of Mt. Olive, both excellent  
men.

By acclamation Mr. W. R. Hollowell  
who so efficiently served the county  
for two years in the very responsible  
position of Chairman of the Board of  
County Commissioners, was again  
chosen for that office, and up to the  
time of going to press his associates  
had not been nominated.

## HEARST OPPOSITION TO BRYAN.

Upon His Return From Europe Mr. Hearst  
Lost no Time in Getting Down to  
Work in Anticipation of the  
National Campaign.

(Special to the ARGUS.)

New York, July 20.—With one ex-  
ception all of the presidential tickets  
have been named for the November  
election. The exception is the ticket  
to be placed in the field by the National  
party, better known as the National  
Independence League, of which Wil-  
liam R. Hearst is the founder and guid-  
ing spirit.

The candidates for President and  
Vice-President will be named by the  
National Independence party at a con-  
vention to be held in Chicago next  
week. At the headquarters of the  
party in this city it was said today  
that the arrangements for the conven-  
tion are about completed and that a  
large and representative attendance is  
assured. Great uncertainty exists as  
to who will head the ticket. Up to the  
present time the only person whose  
name has been at all prominently men-  
tioned in connection with the honor is  
Thomas L. Hisgen, a man of wealth  
and a fierce opponent of the trusts, who  
ran for governor of Massachusetts a  
year ago on the Independence League  
ticket.

Upon his recent return from Europe  
Mr. Hearst lost no time in getting  
down to work in anticipation of the  
National campaign. It was predicted  
all along that the Hearst forces would  
not lift a hand to prevent the nomi-  
nation of Mr. Bryan for the Democrats,  
but would work strenuously to prevent  
the Nebraskan's election. The predic-  
tion did not wait long for fulfillment.  
The morning following the nomination  
of Mr. Bryan by the Denver convention  
the Hearst newspapers in this city con-  
tained editorials that made it plain  
that Mr. Bryan could not count on the  
support of Hearst in the campaign.

All efforts of Mr. Bryan to conciliate  
the New York editor will prove futile  
in the belief of political leaders here.  
Mr. Hearst has an old score to settle  
with his contemporary of the "Com-  
moner." After enthusiastically sup-  
porting the Nebraskan in 1896 and  
1900 Mr. Hearst relied upon Mr. Bry-  
an's support in his contest for the Dem-  
ocratic nomination four years ago,  
when the Nebraskan leader was not a  
candidate. But not only did Mr. Bryan  
refuse aid to Mr. Hearst on that oc-  
casion, but seconded the nomination of  
former Senator Cockrell of Missouri.

## DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the news-  
papers is sure to know of the wonderful  
cures made by Dr.  
Kilmer's Swamp-Root,  
the great kidney, liver  
and bladder remedy.  
It is the great medi-  
cal triumph of the nine-  
teenth century; dis-  
covered after years of  
scientific research by  
Dr. Kilmer, the emi-  
nent kidney and blad-  
der specialist, and is  
wonderfully successful in promptly curing  
lame back, kidney, bladder, uric acid trou-  
bles and Bright's Disease, which is the worst  
form of kidney trouble.

Dr. Kilmer's Swamp-Root is not rec-  
ommended for everything but if you have kid-  
ney, liver or bladder trouble it will be found  
just the remedy you need. It has been tested  
in so many ways, in hospital work, in private  
practice, among the helpless too poor to pur-  
chase relief and has proved so successful in  
every case that a special arrangement has  
been made by which all readers of this paper  
who have not already tried it, may have a  
sample bottle sent free by mail, also a book  
telling more about Swamp-Root and how to  
find out if you have kidney or bladder trouble.  
When writing mention reading this generous  
offer in this paper and  
send your address to  
Dr. Kilmer & Co., Bing-  
hamton, N. Y. The  
regular fifty cent and  
dollar sizes are sold by all good druggists.  
Don't make any mistake, but remember  
the name, Swamp-Root, Dr. Kilmer's  
Swamp-Root, and the address, Binghamton,  
N. Y., on every bottle.

Plenty of ventilation, plenty of fun  
at the Opera House every night.

## WILL MAKE FEW SPEECHES.

Novel Feature of Mr. Bryan's  
Campaign.

Editor Gonzales Says the West is Giving  
Mr. Bryan Much Encouragement  
and He Is Very Hopeful—

Markedly More Buoyant  
Than Before the Con-  
vention.

(Special to the ARGUS.)

Columbia, S. C., July 21.—"Mr. Bry-  
an's campaign will have at least one  
novel feature," said William E. Gon-  
zales, editor of the State, who returned  
yesterday from a trip to the West dur-  
ing which he twice visited the Demo-  
cratic standard-bearer at Fairview.  
"That feature will be the resort to  
the pen rather than the tongue; to the  
press rather than the platform.

"When I appealed to Mr. Bryan to  
make as vigorous a canvass as in 1896,"  
said Mr. Gonzales, "he reminded me  
that he was twelve years older, and be-  
sides, said Mr. Bryan, 'I believe I can  
be more effective in writing arguments  
for Democracy than newspapers can  
use if they will, over my signature.'

"When I saw him last week it was  
Mr. Bryan's intention to deliver two,  
perhaps three, speeches in New York  
State, one of them in New York city,  
and six or eight speeches in the States  
of Illinois, Ohio and Indiana. He pro-  
poses to discuss fully some one Demo-  
cratic principle in each of these ad-  
dresses. The remainder of the cam-  
paign Mr. Bryan expects to stay at  
home and prepare letters or articles in  
the nature of signed editorials for such  
newspapers as will use them. He will  
also discuss the issues with any Demo-  
cratic speakers that wish to consult  
him.

"The West is giving Mr. Bryan much  
encouragement and he is very hope-  
ful—markedly more buoyant than be-  
fore the convention."

## BRYAN AT WORK.

Getting His Speech of Acceptance  
Ready.

(Special to the ARGUS.)

Fairview Lincoln, Neb., July 20.—  
William J. Bryan, refreshed by a quiet  
Sunday, and having no big political  
callers this morning, shut himself up  
with his secretary in his study and  
commenced to draft his speech of ac-  
ceptance, which he will make on Au-  
gust 12, to the Democratic National  
committee through the notification  
committee when that body calls to no-  
tify him of his nomination.

The speech will not be revised and  
ready until Mr. Bryan has read Mr.  
Taft's speech of acceptance, to be de-  
livered at Cincinnati on July 28, as he  
wishes to reply to every argument of  
his opponent, and is particularly anx-  
ious to know how the former War Sec-  
retary really stands on the solicitation  
of campaign contributions and also as  
to the publicity promised for these con-  
tributions.
