Presidential Elections.

"When I was younger I used to look forward with keen interest to presidential campaigns," said an old Democrat, "but now if I had my way all our elections, especially national elections, would be farther apart."

"With a presidential election every four years we hardly have a good breathing spell between times. Political campaigns are disturbing alike to business and to college work. College boys, although they are not voters, get so wrought up over a presidential contest that they do not study well, and as for the business world, six months before election day no one is willing to consider new investments or new business propositions of any kind. Business men say, 'Wait until after the election.' But as the presidential contest has only a few weeks more to run, we will soon be ready to start on a new era of prosperity."

All the Gold IN GEORGIA Could not Buy-

Reading, Ga. August 27, 1908.
Messrs. R. G. DeWitt & Co.,
Chicago, Ill.

Gentlemen:—
In 1897 I had a disease of the stomach and bowels. Some physicians told me it was Dyspepsia, some Consumption of the Lungs, others said consumption of the Bowels. One physician said I would not live until Spring, and for four long years I existed on a little boiled milk, soda biscuits, doctors' prescriptions and Epsom's, remedies that fooded the market. I could not digest anything I ate, and in the Spring 1903 I picked up one of your Almanacs as a poor consolation. Dyspepsia wreck will grasp at anything, and that Almanac happened to be my life savior. I bought a few bottles of KODOL DYSPEPSIA CURE and the benefit I received from that bottle ALL THE GOLD IN GEORGIA COULD NOT BUY. I kept on taking it and in two months I went back to my work as a machinist, and in three months I was well and hearty. I still use a little occasionally as I find it a fine blood purifier and a good tonic.
May you live long and prosper.
Yours very truly,
G. K. CORNELL.

EX-Governor of Wyoming Endorses Other Prominent Americans Give Pe-ru-na Great Credit.

"I have such confidence in prominent personal friends who have used and endorsed Pe-ru-na that I feel justified in assuming that it is a valuable remedy for catarrh and an excellent general tonic."

John W. Hoyt,
Ex-Governor of Wyoming.

The Magnificent State Capitol Building of Wyoming.

LIST OF PROMINENT AMERICANS.

Gen. W. H. Parsons, Confederate Army, ex-State Senator, Texas.
Col. Bailey, of Washington, D. C., Labor Organizations and U. V. L.
Col. Patten, of Washington, D. C., Military and Masonic Orders.
Hon. R. S. Ryan, of Alaska, Ex-Member English House of Parliament.
Congressman Cale, of Alaska, well known on Pacific Slope.

Gen. W. H. Parsons.
Gen. W. H. Parsons is ex-State Senator and ex-Special Judge of the Supreme Court of Texas, also Brigadier General in Confederate Army. In a recent letter from 925 H St., N. W., Washington, D. C., this prominent gentleman says:

"Upon the recommendation of personal friends and many strong testimonials as to the efficacy of Peruna in the treatment of the numerous symptoms of the la grippe with which I have been afflicted for four months past, I have been induced to undergo a treatment with this justly celebrated formula. I feel a decided change for the better after using it only one week. It is especially good in toning up the stomach and has had a decided effect upon my appetite. I therefore feel much encouraged that I am on the road to complete restoration.

"My numerous friends in Texas, where I have had the honor to command a brigade of her Veteran Cavalry in a four-

years' war, may accept this voluntary testimonial to the merits of Peruna as a sense of obligation on my part for its wonderful efficacy."

Col. Wm. Bailey.
William Bailey, 58 I St., N. E., Washington, D. C., Past Col. Enc. No. 68, Union Veteran Legion, and prominently identified with many of the great labor protective associations in Chicago and New York, and Secretary of one of the largest associations in the former city, had for nearly thirty years been afflicted with kidney troubles.

Within a short period he has been persuaded to try Peruna, and his present healthy condition is attributed to his judicious use of that great remedy. Washington climate is notoriously bad for kidney and liver troubles, yet by a judicious use of the remedy he is now quite cured and in excellent physical condition.

This brief statement of facts, without exaggeration or hyperbole, appears to tell the whole story, which the Peruna Com-

pany is authorized to use, if it so chooses, believing, as I do, that by so doing it will be for the general good.—Wm. Bailey.

Col. C. L. Patten.
Col. C. L. Patten, 509 T St., N. W., Washington, D. C., a Lieutenant in the Old Guard, an exclusive organization composed of soldiers of distinction who fought in the civil war, and a Thirty-second degree Mason, writes as follows: "I have used Peruna, and desire to recommend your remedy as an invigorating spring tonic; also one of the best remedies that I ever tried for coughs, colds and catarrhal complaints."

Hon. R. S. Ryan.
Hon. R. S. Ryan, now residing in Nome, Alaska, was formerly a member of the English House of Parliament, and Secretary to the late Irish patriot, Charles Stewart Parnell. His Washington address is New Willard Hotel, Washington, D. C. He writes: "I have used Peruna and can recommend your remedy as a very effective cure for colds and catarrhal complaints."
