> HARPER'S BAZAR is the only paper in the world that combines the choicest literature and the finest art illustrations with the latest fashions and methods of household adornment. Its weekly illustrations and descriptions of the newest Paris and New York styles, with its useful pattern-sheet supplements and cut patterns, by enabling ladies to be their own dressmakers, save many times the cost of subscription. Its papers on cooking, the management of servants, and housekeeping in its various details are eminently practical. Much attention is given to the interesting topic of social etiquette, and its illustrations of art needle-work are acknowledged to be unequalled. Its literary merit is of the highest excellence, and the unique character of its

humorous pictures has won for it the name of the American Punch. HARPER'S PERIODICALS.

Harper's Young People. AN ILLUSTRATED WEEKLY.

The position of Harper's Young People as the leading weekly periodical for young readers is well established. The publishers spare no pains to provide the best and most attractive reading and illustrations. The serial and short stories have strong dramatic interest, while they are wholly free from whatever is pernicious or vulgarly sensational; the papers on natural history and science, travel and the facts of life, are by writers whose names rive the best assurance of accuracy and value. Illustrated papers on athletic sports, games, and pastimes give full information on these subjects. There is nothing cheap about it but
